

# **BEVERLY HILLS UNIFIED SCHOOL DISTRICT**

## **RESOLUTION NO: 2017-2018-036**

### **EMERGENCY RESOLUTION- PUBLIC WORKS**

#### **Health and Safety of Students and Staff at Beverly Hills High School - Refurbishment of Existing Elevator**

On Motion of Member \_\_\_\_\_, seconded by Member \_\_\_\_\_,  
the following resolution is adopted by the Governing Board of the Beverly Hills Unified School  
District.

**WHEREAS**, an emergency has arisen at Beverly Hills High School Building L following  
an assessment by District Staff; and

**WHEREAS**, the existing elevator at Beverly Hills High School has recently experienced a  
series of outages for various reasons related to the existing mechanical system, which is  
proprietary. Repairs have corrected each immediate issue, but have not mitigated future issues.  
Administration has researched the issue and determined that modernizing the system to also  
include generic parts, would provide for ease of service, and ready access to parts to correct the  
service issues.

**WHEREAS**, the District must address the situation as an immediate health and safety  
concern for the continuation of classes and/or to avoid danger to life or property; AND

**WHEREAS**, Public Contract Code Section 20113 (school districts) provides that public  
agencies may, with the unanimous approval of the governing board and approval of the  
county superintendent of schools, contract for the performance of labor and purchase of  
materials without advertising for or inviting bids in an emergency when such work is  
necessary to permit the continuance of existing school classes or to avoid danger to life  
and property;

**THEREFORE, BE IT HEREBY RESOLVED**, That the Governing Board of the Beverly  
Hills Unified School District has determined that these circumstances constitute an  
emergency condition and request approval from the county superintendent of schools to  
enter the contract for:

Replacing existing proprietary controls with a microprocessor based serial link system.  
New car and hall way fixtures. All new wiring to be installed throughout elevator car &  
hoist way. New FCU infrared sensing edge for door protection. Without advertising or  
inviting bids pursuant to Public Contract Code Section 20113.

Estimated Cost: \$149,418.00.

With the approval of the County Superintendent of Schools, the Board will make a contract for the performance of labor and furnishing of materials or supplies.

**PASSED AND ADOPTED** by unanimous vote of the member of the Governing Board of the Beverly Hills Unified School District this \_\_\_\_\_ day of \_\_\_\_\_, 2018, by the following vote:
