RATE APPROVAL FOR 2018-19

Dear Dianne:

Based on data available to us at this time, we have determined that rates for route and trip buses next year will increase 5% for the 2018/19 academic school year. The elevation of the Minimum Wage from \$12 to \$13.50 on July 1, 2018 will affect the salaries offered to our staff. Our success is rooted in our ability to locate and retain the highest quality drivers for your students. This Commitment Form is an official Addendum to your contract and serves as notice of rates for 2018-19. We request your written confirmation of these changes to our contract.
