COMPREHENSIVE SCHOOL PLANS
COMPREHENSIVE PLANS

The Board of Education believes that careful planning is essential to effective implementation of district programs and policies. Comprehensive plans shall identify ~~integrated~~ **cohesive** strategies for school improvement, **provide stability in district operations, and be aligned to ensure consistency among district approaches for student academic growth and achievement.** ~~and increase student achievement.~~

~~Each school may identify relative strengths and weaknesses in student achievement, specific strategies for improving performance in the areas of weakness, ongoing support systems for students, intensive information for students who need them and appropriate training for employees to implement the school plan.~~

Comprehensive plans adopted by the district shall include the local control and accountability plan (LCAP) and other plans required by law or determined by the Board to be in the best interest of the district. Such plans may describe anticipated short- and long-term needs, measurable outcomes, priorities, activities, available resources, timelines, staff responsibilities, and strategies for internal and external communications regarding the plan.
