

BLACK SHEEP

THEATRICAL DRAPERY POWERED BY **DAZIAN**

September 25, 2020

Ramona Valenzuela
Rosemary Kennedy Elementary School

Dear Ms. Valenzuela,

Provide the following stage curtains based upon my visit in October 2019 and our recent telephone conversation.

One front bi-parting pair with matching valance. The curtains will be sewn with 50% additional pleating fullness and will be unlined. Installation will be on the existing track hardware.

Fabric 16 ounce Milano, color royal.

Milano fabric is synthetic and inherently flame retardant.

The old track system is becoming difficult to operate. In order to ease operation, the moving parts such as carriers and the end pulleys should be replaced. The opportune time to perform the work is when the curtains are removed.

Price breakdown-

Curtains.....	\$1,245.00
Track parts	390.00
Subtotal.....	1,635.00
Sales tax	143.06
Installation labor.....	1,054.88
Grand total.....	\$2,832.94

As you know, Black Sheep has recently been acquired and Dazian LLC is now our parent company.

Let me know if you have any questions. Thank you for your interest in Black Sheep Theatre Drapery.

Sincerely,

Zac
