Number	BP/AR	Title	Suggested Changes
6157	BP	Distance Learning	<p><b>NEW BP</b> - Board Policy addresses the provision of distance learning opportunities to students, whether to all students due to a school closure or to individual students or classes as an alternative instructional method for academic purposes. Policy presents examples of the types of distance learning opportunities that may be offered, based on the California Department of Education's COVID-19 Guidance for K-12 Schools. Policy also addresses teacher training and support, availability to all students, use of district equipment, communications with students and parents/guardians, and grading criteria. Policy includes additional considerations in the event of a school closure, such as prioritization of content as well as maintenance of continuity, routine, and regular connections with students.</p>
