## CONFERENCE SCHEDULE

With three general sessions, more than 200 breakout sessions and networking opportunities galore, there's something for everyone at the ASCA Annual Conference. Listed below are the individual breakout sessions by day. Click on the session to see more information.

Want to attend the virtual conference instead of in-person? Each breakout session timeslot includes 4-6 virtual session options. All virtual sessions will be available for live viewing and for three months following the conference. Look for indication on individual session titles to see which sessions are both in-person and virtual. In-person attendees also have access to the virtual sessions for 90 days following the conference.

Need to print out a copy of all the sessions and descriptions to get approval to attend? [Download them here.](#)

**Please note:** ASCA is currently planning for an in-person conference this year. ASCA is working with the Las Vegas conference facilities on safety protocols and will continue to monitor recommendations from the CDC and WHO. However, should public health guidelines prevent in-person gatherings, we will again offer a virtual-only conference and will provide

in-person conference.

SUNDAY, JULY 11, 2021
