This Agreement is made this September 17, 2021, and is by and between the California State PTA and Alvord Unified School District (“School District”).

RECITALS

WHEREAS, the School District, its school site(s) and the California State PTA share the common purposes of increasing parent and family involvement; promoting inclusiveness; equipping parents to engage in their own child’s education and at their school in meaningful ways; and in developing and supporting parent leaders; and

WHEREAS, to advance these shared purposes, the School District and California State PTA desire to enter into an agreement to provide the School Smarts Parent Engagement Program (the “Program”) at one or more school site(s) within the School District; and

WHEREAS, the Program includes a seven-session Parent Academy based on a curriculum developed by California State PTA leaders, parents and educators and is rooted in the National Standards for Family-School Partnerships; and

WHEREAS, the California State PTA represents itself able and willing to perform the services required by the School District and school site(s) to deliver the Program.

NOW, THEREFORE, for and in consideration of the promises hereinafter contained, the parties agree as follows:

1. TERM OF THE AGREEMENT

The Agreement shall become effective beginning September 17, 2021 and shall terminate on June 30, 2022, or upon completion of all the services described in **Appendix B, “Description of Program Services,”** attached hereto and incorporated by reference as though fully set forth herein.

School Smarts Description of Program Participation

September 17, 2021 – June 30, 2022

To achieve optimal results in the delivery of the School Smarts parent engagement program, collaboration is necessary among the school district, school site(s), California State PTA, and the unit, council and district PTAs.

Each of the groups listed above share the common purposes of increasing parent and family involvement; promoting inclusiveness; equipping parents to engage in their own children's education and at their school in meaningful ways; and developing and supporting parent leaders.

To advance these shared purposes, all of the parties above agree to work together in providing the School Smarts parent engagement program. The program involves a seven-session Parent Academy based on a curriculum developed by PTA leaders, parents and educators and rooted in the National Standards for Family-School Partnerships; it also features interactive arts lessons to help participants learn and to help foster a sense of community. The program may also include a campus-wide parent engagement event as well as post-Academy activities to promote ongoing parent involvement at the school.

The School District and its participating school site(s) agree to exert all reasonable efforts to provide the following:

- As needed, assemble a site steering committee that includes but is not limited to the principal (or principal's representative), a teacher, parent group representative, ELAC representative (where applicable) and representatives from various parent communities at the school. This committee will coordinate planning for the campus-wide parent engagement event and the seven-session Parent Academy.
- Through the committee and/or other means, actively publicize the parent engagement event (if held) and the Parent Academy to encourage participation by a wide range of parents and family members at the school;
- As appropriate (for in-person academies ONLY) at the engagement event and at each of the seven Parent Academy sessions, coordinate, provide for and ensure that each of the following is provided**:
 - Light meals/snacks and beverages are provided for attendees;
 - Child care/babysitting;
 - Interpreter(s) and interpretation equipment as needed by the participants

- Encourage participation in all pre- and post-academy evaluations or surveys that are conducted as part of the School Smarts program;
- Encourage recognition for graduates in the school and/or district newsletter, website and at a school board meeting; and

** NOTE: Based on research, the above items are critical best practices to the success of the School Smarts program. California State PTA is available to provide guidance to PTAs, schools and districts about how they can best support the local costs and utilize resources in their community. **The expenses for these activities are the sole responsibility of the School District, school site and/or local PTAs, and not the California State PTA.**
