RESOLUTION NO. 16**

LIGHTS ON AFTERSCHOOL – OCTOBER 28, 2021

WHEREAS, the Board of Education stands firmly committed to quality afterschool programs and opportunities because they:

- Provide safe, challenging, and engaging learning experiences that help children develop social, emotional, physical and academic skills.
- Support working families by ensuring their children are safe and productive after the regular school day ends.
- Build stronger communities by involving students, parents, business leaders and adult volunteers in the lives of young people, thereby promoting positive relationships among youth, families and adults.
- Engage families, schools and community partners in advancing the welfare of our children.

WHEREAS, Alvord Unified School District Expanded Learning, HALF-Time and PRIME-Time, have provided significant leadership in the area of community involvement in the education and well-being of our youth, grounded in the principle that quality afterschool programs are key to helping our children become successful adults.

WHEREAS, *Lights On Afterschool*, the national celebration of afterschool programs held this year on October 28, 2021 promotes the importance of quality afterschool programs in the lives of children, families and communities.

WHEREAS, more than 28 million children in the U.S. have parents who work outside the home, and 15.1 million children have no place to go after school.

WHEREAS, many afterschool programs across the country are facing funding shortfalls so severe that they are being forced to close their doors and turn off their lights.

NOW THEREFORE, BE IT RESOLVED, that the Board of Education of the Alvord Unified School District urges the citizens of Riverside to ensure that every child has access to a safe, engaging place where the lights are on after school; and,
