## Notes

Hoyer Model HML400

Serial Number 0201L1400

Hoyer Lift at a school site that needs a replacement wheel on the back left, it is tearing down.

## Additional Text

Technician: Javier Hernandez

**Terms**

Professional Standards and Warranty. Contractor shall adhere to all of the laws and professional and ethical standards of and shall perform Contractor Services in a manner consistent with, federal, state, and local laws and regulations applicable to Contractor. Any defective Contractor Services, which defect is solely caused by Contractor, will be re-performed by Contractor at Contractor's cost. In the event that a piece of equipment serviced by Contractor malfunctions or is otherwise in need of further service within thirty (30) days of the initial work by Contractor (and such malfunction or defect is not solely caused by Contractor), Contractor agrees to provide a one-time follow-up repair, at no additional cost to Client, to attempt to remedy such malfunction or defect.

Cancellation Policy. Client acknowledges that once Contractor Services have been scheduled with Contractor, Contractor shall expend significant time and effort in coordinating and appropriately staffing such services. In light of such expended time and effort, in the event that Client or any of Client's customers cancels a scheduled service with less than three business days' notice to Contractor, Client will be charged a \$500 cancellation fee.

Quality System Requirements. The customer must provide EMSAR with copies of any applicable procedures and/or special requirements/specifications pertaining to the requested services prior to scheduling. Additional tasks or requests not noted on the initial service request or that deviates from EMSAR's standard service procedures may be permitted, however additional fees could apply. Service Quote pricing assumes that the units requested for services are located at, and accessible at the address indicated by the customer and time scheduled upon the EMSAR Field Service Engineer arrival. Equipment must be in a state to allow evaluation, function testing, and/or diagnosis to occur. Pricing is reflective of one onsite visit.

**PROPOSAL ACCEPTANCE (Client accepts EMSAR quotation and "Terms and Condition")**
