PLANNED MAINTENANCE AGREEMENT FOR SCHOOL YEAR 2022-23

We agree to inspect and service your equipment as per the service checklist, and will provide no service or repair other than normally scheduled without prior authorization. If necessary repairs are authorized at the time of normal maintenance, they shall be performed at the hourly rate.

We disclaim any responsibility for injury to persons or property either directly or indirectly by reason of accidents caused by the equipment under this agreement, as all machinery is subject to wear and tear and various working conditions.

Scheduled service rates are based on servicing all units on a one (1)-trip basis. Charges for the regular scheduled service program are per unit per call (see schedule below) on equipment described below. The customer will be invoiced after completion. Additional service calls not scheduled under this agreement shall be billed at the hourly rate.

The work specified herein will be performed 4 times per year at approximately 90 day intervals at \$220 per visit. Price does not include any lube supply, oil, miscellaneous, or tax.
