Specifically excluded from the term "Infectious Waste" as used in the contract are: hazardous or toxic fluids, research or productive mycotoxins, heavy metals (lead or mercury), bulk chemicals or reagents, volatiles, explosives, pressurized containers, fetal and anatomical remains, bulk chemotherapy waste, radioactive waste. It also includes all hazardous waste as defined in any applicable federal, state or local laws or regulations or any other items or materials not specifically included within the definition of infectious wastes set forth previously.

- B. Trilogy Medwaste will pick up all Customer's infectious waste according to a schedule agreed upon by the parties and in accordance with the customer's disposal needs as itemized on the front page of this agreement, or attached "**Table of Service and Charges**". This schedule may from time to time, change to reflect changes in operating conditions of either party. All infectious wastes picked up from the customer will be transported to a licensed and/or permitted medical waste treatment facility where waste materials will be treated by steam sterilization (autoclaving), or incineration in accordance with all applicable federal, state or municipal regulations. Treated medical waste will then be disposed of in a permitted sanitary landfill.
- C. Trilogy Medwaste will provide containers for the transport of Infectious Waste. The Customer will compensate Trilogy Medwaste in accordance with the agreed upon service and rates. The Customer will ensure that all infectious waste deposited in the containers conforms to all local, state and federal laws and is properly labeled in appropriate containers, i.e. pathological waste packaged in labeled boxes, chemotherapy waste in labeled containers, etc. Trilogy Medwaste may at its sole discretion refuse to collect containers that are improperly packaged, labeled, wet or leaking or contain Non-conforming Waste. Customer warrants that it is the owner, legal custodian or otherwise has the right to deliver for secure destruction any and all materials Customer places in the bins/consoles and delivers to Provider hereunder. Customer shall reimburse Provider for any expenses reasonably incurred by Provider (including reasonable legal fees) by reason of Provider complying with its obligations under this Agreement to destroy such materials in the event of a dispute concerning the destruction of the materials provided by Customer to Provider.
