

Napa Valley Unified School District

SEVENTH MONTH ENROLLMENTS

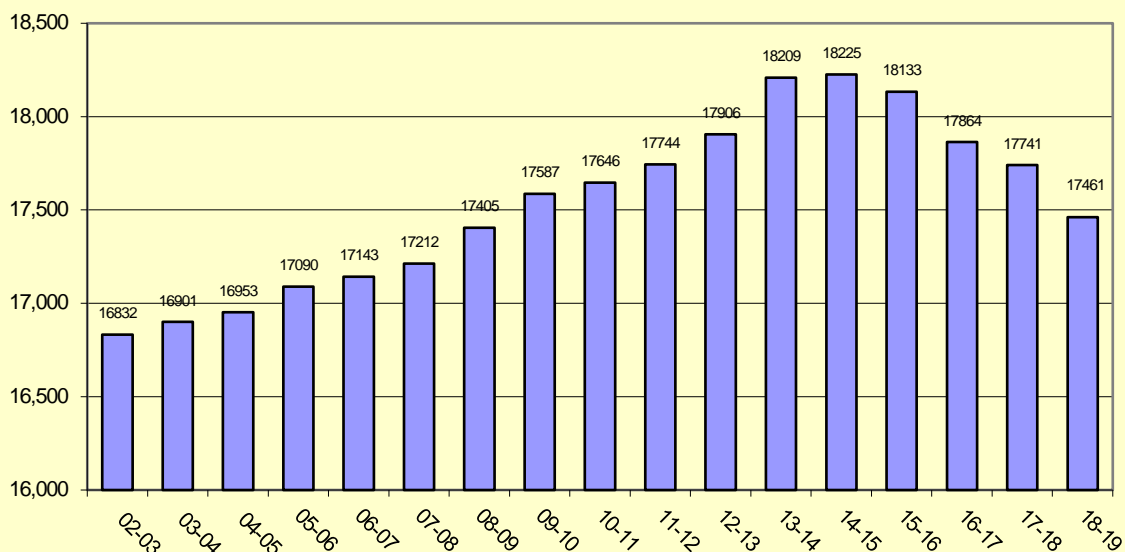

The following exhibits present the seventh month enrollments for the 2018-19 school year. Overall, enrollment is **down 280** students over the seventh month last year.

State funding for schools is based on the Revenue Limit multiplied times Average Daily Attendance (ADA). ADA is less than enrollment due to absences that are not eligible for apportionment purposes. State aid for school is calculated on ADA from July 1, through the last school month ending on or before April 15.
