RE: El Centro Elementary School Modernization & New Construction
Project No. 1621.00

Dear Wade,

The purpose of my letter today is to request a Supplemental Service Fee for additional services required of our Electrical Engineers for additional scope to add fire alarm systems to Building L on the El Centro ES site. We respectfully request an additional \$4,585 to cover the cost of the additional work by QKA and O'Mahony & Myer Electrical Engineers.

When added to the current Total Project Fee of \$1,528,587 this Supplemental Service will bring the new total fee to \$1,533,172. If this is acceptable to you, please sign below and return one copy of the signed authorization to our Contracts Manager, Carol Tonelli, at your earliest convenience. Please let us know if you have any questions.

Sincerely,

Mark Quattrocchi, Principal

Accepted on Behalf of the District:

Wade Roach, Asst. Superintendent, Bus. Svcs
