

SUSPENSION AND EXPULSION/DUE PROCESS

The Board of Education desires to provide district students access to educational opportunities in an orderly school environment that protects their safety and security, ensures their welfare and well-being, and promotes their learning and development. The Board shall develop rules and regulations setting the standards of behavior expected of district students and the disciplinary processes and procedures for addressing violations of those standards, including suspension and/or expulsion.

(cf. 5131 - Conduct)

(cf. 5131.1 - Bus Conduct)

(cf. 5131.2 - Bullying)

The grounds for suspension and expulsion and the procedures for considering, recommending, and/or implementing suspension and expulsion shall be only those specified in law, in this policy, and in the accompanying administrative regulation.

Except when otherwise permitted by law, a student may be suspended or expelled only when his/her behavior is related to a school activity or school attendance occurring within any district school or another school district, regardless of when it occurs, including, but not limited to, the following: (Education Code 48900(s))

1. While on school grounds
2. While going to or coming from school
3. During the lunch period, whether on or off the school campus

(cf. 5112.5 - Open/Closed Campus)

4. During, going to, or coming from a school-sponsored activity

District staff shall enforce the rules concerning suspension and expulsion of students fairly, consistently, equally, and in accordance with the district's nondiscrimination policies.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

Appropriate Use of Suspension Authority

Except when a student's act violates Education Code 48900(a)-(e), as listed in items #1-5 under "Grounds for Suspension and Expulsion: Grades K-12" of the accompanying administrative regulation, or when his/her presence causes a danger to others, suspension shall be used only when other means of correction have failed to bring about proper conduct. (Education Code 48900.5, 48900.6)

(cf. 5138 - Conflict Resolution/Peer Mediation)

(cf. 5144 - Discipline)

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

(cf. 6142.4 - Service Learning/Community Service Classes)

(cf. 6164.2 - Guidance/Counseling Services)

(cf. 6164.5 - Student Success Teams)

A student's parents/guardians shall be notified as soon as possible when there is an escalating pattern of misbehavior that could lead to on-campus or off-campus suspension.

No student may be suspended for disruption or willful defiance, except by a teacher pursuant to Education Code 48910. (Education Code 48900)

Students shall not be suspended or expelled for truancy, tardiness, or absenteeism from assigned school activities.

(cf. 5113 - Absences and Excuses)

(cf. 5113.1 - Chronic Absence and Truancy)

On-Campus Suspension

To ensure the proper supervision and ongoing learning of students who are suspended for any of the reasons enumerated in Education Code 48900 and 48900.2, but who pose no imminent danger or threat to anyone at school and for whom expulsion proceedings have not been initiated, the Superintendent or designee shall establish a supervised suspension classroom program which meets the requirements of law.

Except where a supervised suspension is permitted by law for a student's first offense, supervised suspension shall be imposed only when other means of correction have failed to bring about proper conduct. (Education Code 48900.5)

Authority to Expel

A student may be expelled only by the Board. (Education Code 48918(j))

As required by law, the Superintendent or principal shall recommend expulsion and the Board shall expel any student found to have committed any of the following "mandatory recommendation and mandatory expulsion" acts at school or at a school activity off school grounds: (Education Code 48915)

1. Possessing a firearm which is not an imitation firearm, as verified by a certificated employee, unless the student had obtained prior written permission to possess the item from a certificated school employee, with the principal or designee's concurrence

6. Possessing an explosive as defined in 18 USC 921

For all other violations listed in the accompanying administrative regulation under "Grounds for Suspension and Expulsion: Grades K-12" and "Additional Grounds for Suspension and Expulsion: Grades 4-12," the Superintendent or principal shall have the discretion to recommend expulsion of a student. If expulsion is recommended, the Board shall order the student expelled only if it makes a finding of either or both of the following: (Education Code 48915(b) and (e))

1. That other means of correction are not feasible or have repeatedly failed to bring about proper conduct
2. That due to the nature of the violation, the presence of the student causes a continuing danger to the physical safety of the student or others

A vote to expel a student shall be taken in an open session of a Board meeting.

The Board may vote to suspend the enforcement of the expulsion order pursuant to the requirements of law and the accompanying administrative regulation. (Education Code 48917)

No student shall be expelled for disruption or willful defiance. (Education Code 48900)

No child enrolled in a preschool program shall be expelled except under limited circumstances as specified in AR 5148.3 - Preschool/Early Childhood Education.

For any expulsion that involves the possession of a firearm, such data shall include the name of the school and the type of firearm involved, as required pursuant to 20 USC 7961. Suspension and expulsion data shall be reported to the Board annually and to the California Department of Education when so required.

In presenting the report to the Board, the Superintendent or designee shall disaggregate data on suspensions and expulsions by school and by numerically significant student subgroups, including, but not limited to, ethnic subgroups, socioeconomically disadvantaged students, English learners, students with disabilities, foster youth, and homeless students. Based on the data, the Board shall address any identified disparities in the imposition of student discipline and shall determine whether and how the district is meeting its goals for improving school climate as specified in its local control and accountability plan.

Additional Grounds for Suspension and Expulsion: Grades 4-12

A student in grades 4-12 shall be subject to suspension or recommendation for expulsion when it is determined that he/she:

1. Committed sexual harassment as defined in Education Code 212.5 (Education Code 48900.2)

Sexual harassment means conduct which, when considered from the perspective of a reasonable person of the same gender as the victim, is sufficiently severe or pervasive as to have a negative impact upon the victim's academic performance or to create an intimidating, hostile, or offensive educational environment. (Education Code 212.5, 48900.2)

(cf. 5145.7 - *Sexual Harassment*)

2. Caused, attempted to cause, threatened to cause, or participated in an act of hate violence as defined in Education Code 233 (Education Code 48900.3)

Hate violence means any act punishable under Penal Code 422.6, 422.7, or 422.75. Such acts include injuring or intimidating a victim, interfering with the exercise of a victim's civil rights, or damaging a victim's property because of the victim's race, ethnicity, religion, nationality, disability, gender, gender identity, gender expression, or sexual orientation; a perception of the presence of any of those characteristics in the victim; or the victim's association with a person or group with one or more of those actual or perceived characteristics. (Education Code 233; Penal Code 422.55)

(cf. 5145.3 - *Nondiscrimination/Harassment*)

Suspension from Class by a Teacher

A teacher may suspend a student, including a grade K-3 student, from class for the remainder of the day and the following day for disruption, willful defiance, or any of the other acts specified in Education Code 48900 and listed as items #1-18 under "Grounds for Suspension and Expulsion: Grades K-12" above. (Education Code 48910)

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

When suspending a student from class, the teacher shall immediately report this action to the principal or designee and send the student to the principal or designee for appropriate action. If that action requires the continuing presence of the student at school, he/she shall be appropriately supervised during the class periods from which he/she has been suspended. (Education Code 48910)

As soon as possible after the teacher decides to suspend the student, he/she shall ask the student's parent/guardian to attend a parent-teacher conference regarding the suspension. A counselor or psychologist may attend the conference if it is practicable, and a school administrator shall attend if either the parent/guardian or teacher so requests. (Education Code 48910)

A student suspended from class shall not be returned to class during the period of the suspension without the approval of the teacher of the class and the principal or designee. (Education Code 48910)

A student suspended from class shall not be placed in another regular class during the period of suspension. However, a student assigned to more than one class per day may continue to attend other regular classes except those held at the same time as the class from which he/she was suspended. (Education Code 48910)

The teacher of any class from which a student is suspended may require the student to complete any assignments and tests missed during the removal. (Education Code 48913)

Suspension by Superintendent, Principal or Principal's Designee

To implement disciplinary procedures at a school site, the principal may, in writing, designate as the principal's designee another administrator or, if the principal is the only administrator at the school site, a certificated employee. As necessary, the principal may, in writing, also designate another administrator or certificated employee as the secondary designee to assist with disciplinary procedures when the principal and the principal's primary designee are absent from the school site.

The Superintendent, principal, or designee shall immediately suspend any student found at school or at a school activity to have committed any of the acts listed in the Board policy under "Authority to Expel" and for which he/she is required to recommend expulsion. (Education Code 48915(c))

The Superintendent, principal, or designee may impose a suspension for a first offense if he/she determines that the student violated any of items #1-5 listed under "Grounds for Suspension and Expulsion: Grades K-12" above or if the student's presence causes a danger to persons. (Education Code 48900.5)

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

For all other offenses, a student may be suspended only when the Superintendent or principal has determined that other means of correction have failed to bring about proper conduct. (Education Code 48900.5)

When other means of correction are implemented prior to imposing suspension or supervised suspension upon a student, the Superintendent, principal, or designee shall document the other means of correction used and retain the documentation in the student's record. (Education Code 48900.5)

(cf. 5125 - Student Records)

Length of Suspension

The Superintendent, principal, or designee may suspend a student from school for not more than five consecutive school days. (Education Code 48911)

A student may be suspended from school for not more than 20 school days in any school year. However, if a student enrolls in or is transferred to another regular school, an opportunity school, or continuation school or class for the purpose of adjustment, he/she may be suspended for not more than 30 school days in a school year. The district may count suspensions that occur while a student is enrolled in another school district toward the maximum number of days for which the student may be suspended in any school year. (Education Code 48903, 48911, 48912)

(cf. 6184 - Continuation Education)

These restrictions on the number of days of suspension shall not apply when the suspension is extended pending an expulsion. (Education Code 48911)

Due Process Procedures for Suspension

Suspensions shall be imposed in accordance with the following procedures:

1. **Informal Conference:** Suspension shall be preceded by an informal conference conducted by the Superintendent, principal, or designee with the student and, whenever practicable, the teacher, supervisor, or school employee who referred the student to the principal. At the conference, the student shall be informed of the reason for the disciplinary action, including the other means of correction that were attempted before the suspension as required pursuant to Education Code 48900.5, and the evidence against him/her, and shall be given the opportunity to present his/her version and evidence in support of his/her defense. (Education Code 48911)

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

This conference may be omitted if the Superintendent, principal, or designee determines that an emergency situation exists involving a clear and present danger to the lives, safety, or health of students or school personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of the conference and the conference shall be held within two school days, unless the student waives his/her right to it or is physically unable to attend for any reason. In such a case, the conference shall be held as soon as the student is physically able to return to school. (Education Code 48911)

2. **Administrative Actions:** All requests for student suspension are to be processed by the principal or designee. A school employee shall report the suspension, including the name of the student and the cause for the suspension, to the Superintendent or designee. (Education Code 48911)
3. **Notice to Parents/Guardians:** At the time of the suspension, a school employee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall also be notified in writing of the suspension. (Education Code 48911)

This notice shall state the specific offense committed by the student. (Education Code 48900.8)

In addition, the notice may state the date and time when the student may return to school.

4. **Parent/Guardian Conference:** Whenever a student is suspended, school officials may request a meeting with the parent/guardian to discuss the cause(s) and duration of the suspension, the school policy involved, and any other pertinent matter. (Education Code 48914)

If school officials request to meet with the parent/guardian, the notice may state that the law requires the parent/guardian to respond to such requests without delay. However, no penalties may be imposed on the student for the failure of the parent/guardian to attend such a conference. The student may not be denied reinstatement solely because the parent/guardian failed to attend the conference. (Education Code 48911)

5. **Extension of Suspension:** If the Board is considering the expulsion of a suspended student from any school or the suspension of a student for the balance of the semester from continuation school, the Superintendent or designee may, in writing, extend the suspension until such time as the Board has made a decision, provided the following requirements are followed: (Education Code 48911)

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

- a. The extension of the original period of suspension is preceded by notice of such extension with an offer to hold a conference concerning the extension, giving the student an opportunity to be heard. This conference may be held in conjunction with a meeting requested by the student or parent/guardian to challenge the original suspension.
- b. The Superintendent or designee determines, following a meeting in which the student and the student's parent/guardian were invited to participate, that the student's presence at the school or at an alternative school would endanger persons or property or threaten to disrupt the instructional process. (Education Code 48911)
- c. If the student involved is a foster youth, the Superintendent or designee shall notify the district liaison for foster youth of the need to invite the student's attorney and a representative of the appropriate county child welfare agency to attend the meeting. (Education Code 48853.5, 48911, 48918.1)

(cf. 6173.1 - Education for Foster Youth)

(cf. 6173 - Education for Homeless Children)

In lieu of or in addition to suspending a student, the Superintendent, principal, or designee may provide services or require the student to participate in an alternative disciplinary program designed to correct his/her behavior and keep him/her in school.

Suspension by the Board

The Board may suspend a student for any of the acts listed under "Grounds for Suspension and Expulsion: Grades K-12" and "Additional Grounds for Suspension and Expulsion: Grades 4-12" above and within the limits specified under "Suspension by Superintendent, Principal, or Designee" above. (Education Code 48912)

The Board may suspend a student enrolled in a continuation school or class for a period not longer than the remainder of the semester. The suspension shall meet the requirements of Education Code 48915. (Education Code 48912.5)

When the Board is considering a suspension, disciplinary action, or any other action (except expulsion) against any student, it shall hold a closed session if a public hearing would lead to

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

disclosure of information that would violate a student's right to privacy under Education Code 49073-49079. (Education Code 35146, 48912)

(cf. 9321 - Closed Session Purposes and Agendas)

The Board shall provide the student and his/her parent/guardian with written notice of the closed session by registered or certified mail or personal service. Upon receiving this notice, the student or parent/guardian may request a public meeting, and this request shall be granted if made in writing within 48 hours after receipt of the Board's notice. However, any discussion that conflicts with any other student's right to privacy still shall be held in closed session. (Education Code 35146, 48912)

On-Campus Suspension

A student for whom an expulsion action has not been initiated and who poses no imminent danger or threat to the school, students, or staff may be assigned to on-campus suspension in a separate classroom, building, or site for the entire period of suspension. The following conditions shall apply: (Education Code 48911.1)

1. The on-campus suspension classroom shall be staffed in accordance with law.
2. The student shall have access to appropriate counseling services.
3. The on-campus suspension classroom shall promote completion of schoolwork and tests missed by the student during the suspension.
4. The student shall be responsible for contacting his/her teacher(s) to receive assignments to be completed in the supervised suspension classroom. The teacher(s) shall provide all assignments and tests that the student will miss while suspended. If no such work is assigned, the person supervising the suspension classroom shall assign schoolwork.

At the time a student is assigned to an on-campus suspension classroom, the principal or designee shall notify the student's parent/guardian in person or by telephone. When the assignment is for longer than one class period, this notification may be made in writing. (Education Code 48911.1)

Superintendent or Principal's Authority to Recommend Expulsion

Unless the Superintendent or principal determines that expulsion should not be recommended under the circumstances or that an alternative means of correction would address the conduct, he/she shall recommend a student's expulsion for any of the following acts: (Education Code 48915)

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

1. Causing serious physical injury to another person, except in self-defense
2. Possession of any knife or other dangerous object of no reasonable use to the student
3. Unlawful possession of any controlled substance as listed in Health and Safety Code 11053-11058, except for (a) the first offense for the possession of not more than one ounce of marijuana, other than concentrated cannabis, or (b) the student's possession of over-the-counter medication for his/her use or other medication prescribed for him/her by a physician
4. Robbery or extortion
5. Assault or battery, as defined in Penal Code 240 and 242, upon any school employee

Mandatory Recommendation and Mandatory Expulsion

The principal, Superintendent or designee shall recommend that the Board expel any student found at school or at a school activity to be: (Education Code 48915(c))

1. Possessing, as verified by a district employee, selling, or otherwise furnishing a firearm, unless the student had obtained prior written permission to possess the firearm from a certificated school employee, with the principal or designee's concurrence
2. Brandishing a knife as defined in Education Code 48915(g) at another person
3. Unlawfully selling a controlled substance listed in Health and Safety Code 11053-11058
4. Committing or attempting to commit a sexual assault or committing a sexual battery as defined in item #14 under "Grounds for Suspension and Expulsion" above
5. Possessing an explosive as defined in 18 USC 921

Upon finding that the student committed any of the above acts, the Board shall expel the student. (Education Code 48915)

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

Student's Right to Expulsion Hearing

Any student recommended for expulsion shall be entitled to a hearing to determine whether he/she should be expelled. The hearing shall be held within 30 school days after the Superintendent, principal, or designee determines that the student has committed the act(s) that form the basis for the expulsion recommendation. (Education Code 48918(a))

The student is entitled to at least one postponement of an expulsion hearing for a period of not more than 30 calendar days. The request for postponement shall be in writing. Any subsequent postponement may be granted at the Board's discretion. (Education Code 48918(a))

If the Board finds it impractical during the regular school year to comply with these time requirements for conducting an expulsion hearing, the Superintendent or designee may, for good cause, extend the time period by an additional five school days. Reasons for the extension shall be included as a part of the record when the expulsion hearing is held. (Education Code 48918(a))

If the Board finds it impractical to comply with the time requirements of the expulsion hearing due to a summer recess of Board meetings of more than two weeks, the days during the recess shall not be counted as school days. The days not counted during the recess may not exceed 20 school days, as defined in Education Code 48925. Unless the student requests in writing that the expulsion hearing be postponed, the hearing shall be held not later than 20 calendar days prior to the first day of the next school year. (Education Code 48918(a))

Once the hearing starts, all matters shall be pursued with reasonable diligence and concluded without unnecessary delay. (Education Code 48918(a))

Stipulated Expulsion

After a determination that a student has committed an expellable offense, the Superintendent, principal, or designee shall offer the student and his/her parent/guardian the option to waive a hearing and stipulate to the expulsion or to a suspension of the expulsion under certain conditions. The offer shall be made only after the student or his/her parent/guardian has been given written notice of the expulsion hearing pursuant to Education Code 48918.

The stipulation agreement shall be in writing and shall be signed by the student and his/her parent/guardian. The stipulation agreement shall include notice of all the rights that the student is waiving, including the waiving of his/her right to have a full hearing, to appeal the expulsion to the County Board of Education, and to consult legal counsel.

A stipulated expulsion agreed to by the student and his/her parent/guardian shall be effective upon approval by the Board.

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

Rights of Complaining Witness

An expulsion hearing involving allegations of sexual assault or sexual battery may be postponed for one school day in order to accommodate the special physical, mental, or emotional needs of a student who is the complaining witness. (Education Code 48918.5)

Whenever the Superintendent or designee recommends an expulsion hearing that addresses allegations of sexual assault or sexual battery, he/she shall give the complaining witness a copy of the district's suspension and expulsion policy and regulation and shall advise the witness of his/her right to: (Education Code 48918.5)

1. Receive five days' notice of his/her scheduled testimony at the hearing
2. Have up to two adult support persons of his/her choosing present at the hearing at the time he/she testifies
3. Have a closed hearing during the time he/she testifies

Whenever any allegation of sexual assault or sexual battery is made, the Superintendent or designee shall immediately advise complaining witnesses and accused students to refrain from personal or telephone contact with each other during the time when an expulsion process is pending. (Education Code 48918.5)

Written Notice of the Expulsion Hearing

Written notice of the expulsion hearing shall be forwarded to the student and the student's parent/guardian at least 10 calendar days before the date of the hearing. The notice shall include: (Education Code 48900.8, 48918(b))

1. The date and place of the hearing
2. A statement of the specific facts, charges, and offense upon which the proposed expulsion is based
3. A copy of district disciplinary rules which relate to the alleged violation
4. Notification of the student's or parent/guardian's obligation, pursuant to Education Code 48915.1, to provide information about the student's status in the district to any other district in which the student seeks enrollment

This obligation applies when a student is expelled for acts other than those described in Education Code 48915(a) or (c).

(cf. 5119 - Students Expelled from Other Districts)

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

5. The opportunity for the student or the student's parent/guardian to appear in person or be represented by legal counsel or by a nonattorney adviser

Legal counsel means an attorney or lawyer who is admitted to the practice of law in California and is an active member of the State Bar of California.

Nonattorney adviser means an individual who is not an attorney or lawyer, but who is familiar with the facts of the case and has been selected by the student or student's parent/guardian to provide assistance at the hearing.

6. The right to inspect and obtain copies of all documents to be used at the hearing
7. The opportunity to confront and question all witnesses who testify at the hearing
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf, including witnesses

Additional Notice of Expulsion Hearing for Foster Youth and Homeless Students

If the student facing expulsion is a foster student, the Superintendent or designee shall also send notice of the hearing to the student's attorney and a representative of an appropriate child welfare agency at least 10 days prior to the hearing. (Education Code 48918.1)

If the student facing expulsion is a homeless student, the Superintendent or designee shall also send notice of the hearing to the district liaison for homeless students at least 10 days prior to the hearing. (Education Code 48918.1)

Any notice for these purposes may be provided by the most cost-effective method possible, including by email or a telephone call. (Education Code 48918.1)

Conduct of Expulsion Hearing

1. **Closed Session:** Notwithstanding Education Code 35145, the Board shall conduct a hearing to consider the expulsion of the student in a session closed to the public unless the student requests in writing at least five days prior to the hearing that the hearing be a public meeting. If such a request is made, the meeting shall be public to the extent that privacy rights of other students are not violated. (Education Code 48918)

Whether the expulsion hearing is held in closed or public session, the Board may meet in closed session to deliberate and determine whether or not the student should be expelled. If the Board admits any other person to this closed session, the

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

parent/guardian, the student, and the counsel of the student also shall be allowed to attend the closed session. (Education Code 48918(c))

If a hearing that involves a charge of sexual assault or sexual battery is to be conducted in public, a complaining witness shall have the right to have his/her testimony heard in closed session when testifying in public would threaten serious psychological harm to the witness and when there are no alternative procedures to avoid the threatened harm, including, but not limited to, a videotaped deposition or contemporaneous examination in another place communicated to the hearing room by closed-circuit television. (Education Code 48918(c))

2. **Record of Hearing:** A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made. (Education Code 48918(g))
3. **Subpoenas:** Before commencing a student expulsion hearing, the Board may issue subpoenas, at the request of either the student or the Superintendent or designee, for the personal appearance at the hearing of any person who actually witnessed the action that gave rise to the recommendation for expulsion. After the hearing has commenced, the Board or the hearing officer or administrative panel may issue such subpoenas at the request of the student or the County Superintendent of Schools or designee. All subpoenas shall be issued in accordance with Code of Civil Procedure 1985-1985.2 and enforced in accordance with Government Code 11455.20. (Education Code 48918(i))

Any objection raised by the student or the Superintendent or designee to the issuance of subpoenas may be considered by the Board in closed session, or in open session if so requested by the student, before the meeting. The Board's decision in response to such an objection shall be final and binding. (Education Code 48918(i))

If the Board determines, or if the hearing officer or administrative panel finds and submits to the Board, that a witness would be subject to unreasonable risk of harm by testifying at the hearing, a subpoena shall not be issued to compel the personal attendance of that witness at the hearing. However, that witness may be compelled to testify by means of a sworn declaration as described in item #4 below. (Education Code 48918(i))

4. **Presentation of Evidence:** Technical rules of evidence shall not apply to the expulsion hearing, but relevant evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. The decision of the Board to expel shall be supported by substantial evidence

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

that the student committed any of the acts pursuant to Education Code 48900 and listed in "Grounds for Suspension and Expulsion: Grades K-12" and "Additional Grounds for Suspension and Expulsion: Grades 4-12" above. (Education Code 48918(h))

Findings of fact shall be based solely on the evidence at the hearing. Although no finding shall be based solely on hearsay, sworn declarations may be admitted as testimony from witnesses whose disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm. (Education Code 48918(f))

In cases where a search of a student's person or property has occurred, evidence describing the reasonableness of the search shall be included in the hearing record.

5. **Testimony by Complaining Witnesses:** The following procedures shall be observed when a hearing involves allegations of sexual assault or sexual battery by a student: (Education Code 48918, 48918.5)
 - a. Any complaining witness shall be given five days' notice before being called to testify.
 - b. Any complaining witness shall be entitled to have up to two adult support persons, including, but not limited to, a parent/guardian or legal counsel, present during his/her testimony.
 - c. Before a complaining witness testifies, support persons shall be admonished that the hearing is confidential.
 - d. The person presiding over the hearing may remove a support person whom he/she finds is disrupting the hearing.
 - e. If one or both support persons are also witnesses, the hearing shall be conducted in accordance with Penal Code 868.5.
 - f. Evidence of specific instances of prior sexual conduct of a complaining witness shall be presumed inadmissible and shall not be heard unless the person conducting the hearing determines that extraordinary circumstances require the evidence to be heard. Before such a determination is made, the complaining witness shall be given notice and an opportunity to oppose the introduction of this evidence. In the hearing on the admissibility of this evidence, the complaining witness shall be entitled to be represented by a

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

parent/guardian, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of a complaining witness shall not be admissible for any purpose.

- g. In order to facilitate a free and accurate statement of the experiences of the complaining witness and to prevent discouragement of complaints, the district shall provide a nonthreatening environment.
 - (1) The district shall provide a room separate from the hearing room for the use of the complaining witness before and during breaks in testimony.
 - (2) At the discretion of the person conducting the hearing, the complaining witness shall be allowed reasonable periods of relief from examination and cross-examination during which he/she may leave the hearing room.
 - (3) The person conducting the hearing may:
 - (a) Arrange the seating within the hearing room so as to facilitate a less intimidating environment for the complaining witness
 - (b) Limit the time for taking the testimony of a complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours
 - (c) Permit one of the support persons to accompany the complaining witness to the witness stand
6. **Decision:** The Board's decision as to whether to expel a student shall be made within 40 school days after the student is removed from his/her school of attendance, unless the student requests in writing that the decision be postponed. (Education Code 48918(a))

Alternative Expulsion Hearing: Hearing Officer or Administrative Panel

Instead of conducting an expulsion hearing itself, the Board may contract with the county hearing officer or with the Office of Administrative Hearings of the State of California for a hearing officer. The Board may also appoint an impartial administrative panel composed of three or more certificated personnel, none of whom shall be members of the Board or on the staff of the school in which the student is enrolled. (Education Code 48918)

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

A hearing conducted by the hearing officer or administrative panel shall conform to the same procedures applicable to a hearing conducted by the Board as specified above in "Conduct of Expulsion Hearing," including the requirement to issue a decision within 40 school days of the student's removal from school, unless the student requests that the decision be postponed. (Education Code 48918(a) and (d))

The hearing officer or administrative panel shall, within three school days after the hearing, determine whether to recommend expulsion of the student to the Board. If expulsion is not recommended, the expulsion proceeding shall be terminated and the student shall be immediately reinstated and permitted to return to the classroom instructional program from which the referral was made, unless another placement is requested in writing by the student's parent/guardian. Before the student's placement decision is made by his/her parent/guardian, the Superintendent or designee shall consult with the parent/guardian and district staff, including the student's teachers, regarding other placement options for the student in addition to the option to return to the classroom instructional program from which the student's expulsion referral was made. The decision to not recommend expulsion shall be final. (Education Code 48918(e))

If expulsion is recommended, findings of fact in support of the recommendation shall be prepared and submitted to the Board. All findings of fact and recommendations shall be based solely on the evidence presented at the hearing. The Board may accept the recommendation based either upon a review of the findings of fact and recommendations submitted or upon the results of any supplementary hearing the Board may order. (Education Code 48918(f))

In accordance with Board policy, the hearing officer or administrative panel may recommend that the Board suspend the enforcement of the expulsion. If the hearing officer or administrative panel recommends that the Board expel a student but suspend the enforcement of the expulsion, the student shall not be reinstated and permitted to return to the classroom instructional program from which the referral was made until the Board has ruled on the recommendation. (Education Code 48917, 48918)

Final Action by the Board

Whether the expulsion hearing is conducted in closed or open session by the Board, a hearing officer, or an administrative panel or is waived through the signing of a stipulated expulsion agreement, the final action to expel shall be taken by the Board in public. (Education Code 48918(j))

(cf. 9321.1 - Closed Session Actions and Reports)

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

The Board's decision is final. If the decision is to not expel, the student shall be reinstated immediately. If the decision is to suspend the enforcement of the expulsion, the student shall be reinstated under the conditions of the suspended expulsion.

Upon ordering an expulsion, the Board shall set a date when the student shall be reviewed for readmission to a school within the district. For a student expelled for any "mandatory recommendation and mandatory expulsion" act listed in the section "Authority to Expel" in the accompanying Board policy, this date shall be one year from the date the expulsion occurred, except that the Board may set an earlier date on a case-by-case basis. For a student expelled for other acts, this date shall be no later than the last day of the semester following the semester in which the expulsion occurred. If an expulsion is ordered during summer session or the intersession period of a year-round program, the Board shall set a date when the student shall be reviewed for readmission not later than the last day of the semester following the summer session or intersession period in which the expulsion occurred. (Education Code 48916)

At the time of the expulsion order, the Board shall recommend a plan for the student's rehabilitation, which may include: (Education Code 48916)

1. Periodic review, as well as assessment at the time of review, for readmission
2. Recommendations for improved academic performance, tutoring, special education assessments, job training, counseling, employment, community service, or other rehabilitative programs

With parent/guardian consent, students who have been expelled for reasons relating to controlled substances or alcohol may be required to enroll in a county-sponsored drug rehabilitation program before returning to school. (Education Code 48916.5)

Written Notice to Expel

The Superintendent or designee shall send written notice of the decision to expel to the student or parent/guardian. This notice shall include the following:

1. The specific offense committed by the student for any of the causes for suspension or expulsion listed above under "Grounds for Suspension and Expulsion: Grades K-12" or "Additional Grounds for Suspension and Expulsion: Grades 4-12" (Education Code 48900.8)
2. The fact that a description of readmission procedures will be made available to the student and his/her parent/guardian (Education Code 48916)

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

3. Notice of the right to appeal the expulsion to the County Board (Education Code 48918)
4. Notice of the alternative educational placement to be provided to the student during the time of expulsion (Education Code 48918)
5. Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the expelling district, pursuant to Education Code 48915.1 (Education Code 48918)

Decision to Suspend Expulsion Order

In accordance with Board policy, when deciding whether to suspend the enforcement of an expulsion order, the Board shall take into account the following criteria:

1. The student's pattern of behavior
2. The seriousness of the misconduct
3. The student's attitude toward the misconduct and his/her willingness to follow a rehabilitation program

The suspension of the enforcement of an expulsion shall be governed by the following:

1. The Board may, as a condition of the suspension of enforcement, assign the student to a school, class, or program appropriate for the student's rehabilitation. This rehabilitation program may provide for the involvement of the student's parent/guardian in the student's education. However, a parent/guardian's refusal to participate in the rehabilitation program shall not be considered in the Board's determination as to whether the student has satisfactorily completed the rehabilitation program. (Education Code 48917)
2. During the period when enforcement of the expulsion order is suspended, the student shall be on probationary status. (Education Code 48917)
3. The suspension of the enforcement of an expulsion order may be revoked by the Board if the student commits any of the acts listed under "Grounds for Suspension and Expulsion: Grades K-12" or "Additional Grounds for Suspension and Expulsion: Grades 4-12" above or violates any of the district's rules and regulations governing student conduct. (Education Code 48917)
4. When the suspension of enforcement of an expulsion order is revoked, a student may be expelled under the terms of the original expulsion order. (Education Code 48917)

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

5. Upon satisfactory completion of the rehabilitation assignment, the Board shall reinstate the student in a district school. Upon reinstatement, the Board may order the expunging of any or all records of the expulsion proceedings. (Education Code 48917)
6. The Superintendent or designee shall send written notice of any decision to suspend the enforcement of an expulsion order during a period of probation to the student or parent/guardian. The notice shall inform the parent/guardian of the right to appeal the expulsion to the County Board, the alternative educational placement to be provided to the student during the period of expulsion, and the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of his/her status with the expelling district, pursuant to Education Code 48915.1(b). (Education Code 48918(j))
7. Suspension of the enforcement of an expulsion order shall not affect the time period and requirements for the filing of an appeal of the expulsion order with the County Board. (Education Code 48917)

Appeal

The student or parent/guardian is entitled to file an appeal of the Board's decision with the County Board. The appeal must be filed within 30 days of the Board's decision to expel, even if the expulsion order is suspended and the student is placed on probation. (Education Code 48919)

If the student submits a written request for a copy of the written transcripts and supporting documents from the district simultaneously with the filing of the notice of appeal with the County Board, the district shall provide the student with these documents within 10 school days following the student's written request. (Education Code 48919)

Notification to Law Enforcement Authorities

Prior to the suspension or expulsion of any student, the principal or designee shall notify appropriate city or county law enforcement authorities of any student acts of assault which may have violated Penal Code 245. (Education Code 48902)

The principal or designee shall notify appropriate city or county law enforcement authorities of any student acts which may involve the possession or sale of narcotics or of a controlled substance, or of any student acts involving the possession, sale, or furnishing of firearms, explosives, or other dangerous weapons in violation of Education Code 48915(c)(1) or (5) or Penal Code 626.9 and 626.10. (Education Code 48902)

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

Within one school day after a student's suspension or expulsion, the principal or designee shall notify appropriate county or district law enforcement authorities, by telephone or other appropriate means, of any student acts which may violate Education Code 48900(c) or (d), relating to the possession, use, offering, or sale of controlled substances, alcohol, or intoxicants of any kind. (Education Code 48902)

Placement During Expulsion

The Board shall refer expelled students to a program of study that is: (Education Code 48915, 48915.01)

1. Appropriately prepared to accommodate students who exhibit discipline problems
2. Not provided at a comprehensive middle, junior, or senior high school or at any elementary school, unless the program is offered at a community day school established at any of these
3. Not housed at the school site attended by the student at the time of suspension

(cf. 6158 - Independent Study)

(cf. 6185 - Community Day School)

When the placement described above is not available and when the County Superintendent so certifies, students expelled for only acts described in items #6-12 under "Grounds for Suspension and Expulsion: Grades K-12" and items #1-3 under "Additional Grounds for Suspension and Expulsion: Grades 4-12" above may be referred to a program of study that is provided at another comprehensive middle, junior, or senior high school or at an elementary school. (Education Code 48915)

The program for a student expelled from any of grades K-6 shall not be combined or merged with programs offered to students in any of grades 7-12. (Education Code 48916.1)

Readmission After Expulsion

Prior to the date set by the Board for the student's readmission:

1. The Superintendent or designee shall hold a conference with the parent/guardian and the student. At the conference, the student's rehabilitation plan shall be reviewed and the Superintendent or designee shall verify that the provisions of this plan have been met. School regulations shall be reviewed and the student and parent/guardian shall be asked to indicate in writing their willingness to comply with these regulations.

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

2. The Superintendent or designee shall transmit to the Board his/her recommendation regarding readmission. The Board shall consider this recommendation in closed session. If a written request for open session is received from the parent/guardian or adult student, it shall be honored to the extent that privacy rights of other students are not violated.
3. If the readmission is granted, the Superintendent or designee shall notify the student and parent/guardian, by registered mail, of the Board's decision regarding readmission.
4. The Board may deny readmission only if it finds that the student has not satisfied the conditions of the rehabilitation plan or that the student continues to pose a danger to campus safety or to other district students or employees. (Education Code 48916)
5. If the Board denies the readmission of a student, the Board shall determine either to continue the student's placement in the alternative educational program initially selected or to place the student in another program that serves expelled students, including placement in a county community school.
6. The Board shall provide written notice to the expelled student and parent/guardian describing the reasons for denying readmittance into the regular program. This notice shall indicate the Board's determination of the educational program which the Board has chosen. The student shall enroll in that program unless the parent/guardian chooses to enroll the student in another school district. (Education Code 48916)

No student shall be denied readmission into the district based solely on the student's arrest, adjudication by a juvenile court, formal or informal supervision by a probation officer, detention in a juvenile facility, enrollment in a juvenile court school, or other such contact with the juvenile justice system. (Education Code 48645.5)

Maintenance of Records

The district shall maintain a record of each suspension and expulsion, including its specific cause(s). (Education Code 48900.8)

Expulsion records of any student shall be maintained in the student's mandatory interim record and sent to any school in which the student subsequently enrolls upon written request by that school. (Education Code 48918(k))

SUSPENSION AND EXPULSION/DUE PROCESS (continued)

The Superintendent or designee shall, within five working days, honor any other district's request for information about an expulsion from this district. (Education Code 48915.1)

(cf. 5119 - Students Expelled from Other Districts)

Regulation
approved:

NAPA VALLEY UNIFIED SCHOOL DISTRICT
Napa, California

SUSPENSION AND EXPULSION/DUE PROCESS (STUDENTS WITH DISABILITIES)

A student identified as an individual with a disability pursuant to the Individuals with Disabilities Education Act (IDEA), 20 USC 1400-1482, is subject to the same grounds and procedures for suspension and expulsion which apply to students without disabilities, except as otherwise specified in this administrative regulation.

(cf. 5144.1 - Suspension and Expulsion/Due Process)

Suspension

The Superintendent or designee may suspend a student with a disability for up to 10 consecutive school days for a single incident of misconduct, and for up to 20 school days in a school year, as long as the suspension(s) does not constitute a change in placement pursuant to 34 CFR 300.536. (Education Code 48903; 34 CFR 300.530)

The principal or designee shall monitor the number of days, including portions of days, in which a student with a valid individualized education program (IEP) has been suspended during the school year.

(cf. 6159 - Individualized Education Program)

The Superintendent or designee shall determine, on a case-by-case basis, whether a pattern of removals of a student from his/her current educational placement for disciplinary reasons constitutes a change of placement. A *change of placement* shall be deemed to have occurred under either of the following circumstances: (34 CFR 300.536)

1. The removal is for more than 10 consecutive school days.
2. The student has been subjected to a series of removals that constitute a pattern because of all of the following:
 - a. The series of removals total more than 10 school days in a school year.
 - b. The student's behavior is substantially similar to his/her behavior in previous incidents that resulted in the series of removals.
 - c. Additional factors, such as the length of each removal, the total amount of time the student has been removed, and the proximity of the removals to one another, indicate a change of placement.

If a student's removal is determined to be a change of placement as specified in items #1-2 above, or the student is suspended for more than 10 school days in the same school year, the student's IEP team shall determine the appropriate educational services. Such services shall

SUSPENSION AND EXPULSION/DUE PROCESS (STUDENTS WITH DISABILITIES) (continued)

be designed to enable the student to continue to participate in the general education curriculum in another setting, to progress toward meeting the goals set out in his/her IEP, and to address the student's behavior violation so that it does not recur. (20 USC 1412(a)(1)(A); 34 CFR 300.530)

If the IEP of a student with a disability requires the district to provide the student with transportation, the district shall provide the student with an alternative form of transportation at no cost to him/her or to his/her parent/guardian when he/she is to be excluded from school bus transportation. (Education Code 48915.5)

(cf. 3541.2 - Transportation for Students with Disabilities)

Interim Alternative Educational Placement Due to Dangerous Behavior

The district may unilaterally place a student with a disability in an appropriate interim alternative educational setting for up to 45 school days, without regard to whether the behavior is a manifestation of the student's disability, when the student commits one of the following acts while at school, going to or from school, or at a school-related function: (20 USC 1415(k)(1)(G); 34 CFR 300.530)

1. Carries or possesses a weapon, as defined in 18 USC 930
2. Knowingly possesses or uses illegal drugs
3. Sells or solicits the sale of a controlled substance as identified in 21 USC 812(c), Schedules I-V
4. Inflicts serious bodily injury upon another person as defined in 18 USC 1365

The student's interim alternative educational setting shall be determined by his/her IEP team. (20 USC 1415(k)(1)(G); 34 CFR 300.531)

On the date the decision to take disciplinary action is made, the student's parent/guardian shall be notified of the decision and provided the procedural safeguards notice pursuant to 34 CFR 300.504. (20 USC 1415(k)(1)(H); 34 CFR 300.530)

A student who has been removed from his/her current placement because of dangerous behavior shall receive services, although in another setting, to the extent necessary to allow him/her to participate in the general education curriculum and to progress toward meeting the goals set out in his/her IEP. As appropriate, the student shall also receive a functional

SUSPENSION AND EXPULSION/DUE PROCESS (STUDENTS WITH DISABILITIES) (continued)

behavioral assessment and behavioral intervention services and modifications that are designed to address the behavior violation so that it does not recur. (20 USC 1415(k)(1)(D); 34 CFR 300.530)

Manifestation Determination

The following procedural safeguards shall apply when a student with a disability is suspended for more than 10 consecutive school days, when a series of removals of a student constitutes a pattern, or when a change of placement of a student is contemplated due to a violation of the district's code of conduct:

1. **Notice:** On the date the decision to take disciplinary action is made, the student's parent/guardian shall be notified of the decision and provided the procedural safeguards notice pursuant to 34 CFR 300.504. (20 USC 1415(k)(1)(H); 34 CFR 300.530)

(cf. 5145.6 - Parental Notifications)

(cf. 6159.1 - Procedural Safeguards and Complaints for Special Education)

2. **Manifestation Determination Review:** Immediately if possible, but in no case later than 10 school days after the date the decision to take disciplinary action is made, a manifestation determination review shall be made of the relationship between the student's disability and the behavior subject to the disciplinary action. (20 USC 1415(k)(1)(E); 34 CFR 300.530)

At the manifestation determination review, the district, the student's parent/guardian, and relevant members of the IEP team (as determined by the district and parent/guardian) shall review all relevant information in the student's file, including the student's IEP, any teacher observations, and any relevant information provided by the parents/guardians, to determine whether the conduct in question was either of the following: (20 USC 1415(k)(1)(E); 34 CFR 300.530)

- a. Caused by or had a direct and substantial relationship to the student's disability
- b. A direct result of the district's failure to implement the student's IEP, in which case the district shall take immediate steps to remedy those deficiencies

If the manifestation review team determines that either of the above conditions applies, the student's conduct shall then be determined to be a manifestation of his/her disability. (20 USC 1415(k)(1)(E); 34 CFR 300.530)

SUSPENSION AND EXPULSION/DUE PROCESS (STUDENTS WITH DISABILITIES) (continued)

3. **Determination that Behavior is a Manifestation of the Student's Disability:**
When the student's conduct has been determined to be a manifestation of his/her disability, the IEP team shall conduct a functional behavioral assessment, unless one had been conducted before the occurrence of the behavior that resulted in the change of placement, and shall implement a behavioral intervention plan for the student. If a behavioral intervention plan has already been developed, the IEP team shall review the behavioral intervention plan and modify it as necessary to address the behavior. (20 USC 1415(k)(1)(F); 34 CFR 300.530)

The student shall be returned to the placement from which he/she was removed, unless the parent/guardian and Superintendent or designee agree to a change of placement as part of the modification of the behavioral intervention plan. (20 USC 1415(k)(1)(F); 34 CFR 300.530)

(cf. 6159.4 - Behavioral Interventions for Special Education Students)

4. **Determination that Behavior is Not a Manifestation of the Student's Disability:**
When it has been determined that the student's conduct was not a manifestation of his/her disability, the student may be disciplined in accordance with the procedures for students without disabilities. However, the student's IEP team shall determine services necessary to enable him/her to participate in the general education curriculum in another setting and to allow him/her to progress toward meeting the goals set out in his/her IEP. (20 USC 1415(k)(1)(D); 34 CFR 300.530)

As appropriate, the student also shall receive a functional behavioral assessment and behavioral intervention services and modifications that are designed to address the behavior violation so that it does not recur. (20 USC 1415(k)(1)(D); 34 CFR 300.530)

(cf. 6158 - Independent Study)

(cf. 6185 - Community Day School)

Due Process Appeals

If the parent/guardian disagrees with any district decision regarding placement under 34 CFR 300.530 (suspension and removal for dangerous circumstances) or 34 CFR 300.531 (interim alternative placement), or the manifestation determination under 34 CFR 300.530(e), he/she may appeal the decision by requesting a hearing. The district may request a hearing if the district believes that maintaining the student's current placement is substantially likely to result in injury to the student or others. In order to request a due process hearing, the requesting party shall file a complaint pursuant to 34 CFR 300.507 and 300.508(a) and (b). (20 USC 1415(k)(3); 34 CFR 300.532)

SUSPENSION AND EXPULSION/DUE PROCESS (STUDENTS WITH DISABILITIES) (continued)

Whenever a hearing is requested as specified above, the parent/guardian or the district shall have an opportunity for an expedited due process hearing consistent with requirements specified in 34 CFR 300.507, 300.508 (a)-(c), and 300.510-300.514.

If the student's parent/guardian or the district has initiated a due process hearing under 34 CFR 300.532 as detailed above, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of the 45-day time period, whichever occurs first, unless the parent/guardian and district agree otherwise. (20 USC 1415(k)(4); 34 CFR 300.533)

Readmission

Readmission procedures for students with disabilities shall be the same as those adopted for students without disabilities. Upon readmission of a student with disabilities, an IEP team meeting shall be convened to review and, as necessary, modify the student's IEP.

Decision Not to Enforce Expulsion Order

The Board of Education's criteria for suspending the enforcement of an expulsion order shall be applied to students with disabilities in the same manner as they are applied to all other students. (Education Code 48917)

Notification to Law Enforcement Authorities

Law enforcement notification requirements involving students with disabilities shall be the same as those specified for all students in AR 5144.1 - Suspension and Expulsion/Due Process.

When giving any required notification concerning a student with disabilities to any law enforcement official, the principal or designee shall require the law enforcement official to certify in writing that he/she will not disclose the student's information or records to any other person without the prior written consent of the student's parent/guardian. (Education Code 49076)

(cf. 5131.7 - Weapons and Dangerous Instruments)

Report to County Superintendent of Schools

The Superintendent or designee shall report to the County Superintendent of Schools when any special education student has been expelled or suspended for more than 10 school days. The report shall include the student's name, last known address, and the reason for the action. (Education Code 48203)

SUSPENSION AND EXPULSION/DUE PROCESS (STUDENTS WITH DISABILITIES) (continued)

Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been determined to be eligible for special education and related services and who has violated the district's code of student conduct may nevertheless assert any of the protections under IDEA, if the district had *knowledge* of the student's disability. (20 USC 1415(k)(5); 34 CFR 300.534)

Knowledge means that, before the occurrence of the behavior that precipitated the disciplinary action, one of the following occurred: (20 USC 1415(k)(5); 34 CFR 300.534)

1. The parent/guardian, in writing, has expressed concern to district supervisory or administrative personnel, or to a teacher of the student, that the student is in need of special education or related services.
2. The parent/guardian has requested an evaluation of the student for special education pursuant to 20 USC 1414(a)(1)(B) or 34 CFR 300.300-300.311.

(cf. 6164.4 - *Identification and Evaluation of Individuals for Special Education*)

3. The teacher of the student or other district personnel has expressed specific concerns directly to the district's director of special education or other supervisory district personnel about a pattern of behavior demonstrated by the student.

However, the district shall not be deemed to have knowledge of a student's disability if the student's parent/guardian has not allowed him/her to be evaluated for special education services or has refused services or, after evaluating the student pursuant to 34 CFR 300.300-300.311, the district determined that he/she was not an individual with a disability.

When the district is deemed to not have knowledge of a student's disability, the student shall be disciplined in accordance with procedures established for students without disabilities who engage in comparable behavior. (20 USC 1415(k)(5); 34 CFR 300.534)

If a request is made for an evaluation of a student during the time period in which the student is subject to disciplinary measures pursuant to 34 CFR 300.530, the evaluation shall be conducted in an expedited manner. Until the evaluation is completed, the student shall remain in the educational placement determined by school authorities. (20 USC 1415(k)(5); 34 CFR 300.534)

REQUIRED PARENTAL ATTENDANCE

Whenever a teacher requires a parent/guardian to attend a portion of a school day with his/her child for the child's commission of an act specified in Education Code 48900(i) or (k), the principal shall send the parent/guardian a written notice that the parent/guardian's attendance is required pursuant to law. (Education Code 48900.1)

(cf. 5144 - Discipline)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

(cf. 5144.2 - Suspension and Expulsion/Due Process (Students with Disabilities))

(cf. 5145.6 - Parental Notifications)

The notice shall:

1. Inform the parent/guardian of the date that his/her presence is expected, the length of the visit, and by what means he/she may arrange an alternate date
2. State that if the parent/guardian does not have a means of transportation to school, he/she may ride the school bus with the student
3. Direct the parent/guardian to meet with the principal after the visit and before leaving school
4. Direct the parent/guardian to contact the school if there are reasonable factors that would prevent him/her from complying with the attendance requirement

Attendance of the parent/guardian shall be limited to the class from which the student was removed. (Education Code 48900.1)

A parent/guardian who has received a written notice shall attend class as specified in the notice. After completing the classroom visit and before leaving school premises, the parent/guardian also shall meet with the principal or designee. (Education Code 48900.1)

At the meeting with the student's parent/guardian, the principal or designee shall explain the district's and school's discipline policies, including the disciplinary strategies that may be used to achieve proper student conduct.

QUESTIONING AND APPREHENSION BY LAW ENFORCEMENT

The Board of Education believes that the safety of district students and staff is essential to achieving the goal of student learning. In accordance with standards specified in law, law enforcement officers may interview and question students on school premises and may remove them when appropriate.

(cf. 0450 - Comprehensive Safety Plan)

(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)

(cf. 3515.3 - District Police/Security Department)

(cf. 4158/4258/4358 - Employee Security)

(cf. 5141.4 - Child Abuse Prevention and Reporting)

(cf. 5145.12 - Search and Seizure)

The Superintendent or designee shall collaborate with local law enforcement agencies to establish procedures which enable law enforcement officers to carry out their duties on school campus, including, when necessary, the questioning and/or apprehension of students.

When any law enforcement officer requests an interview with a student, the principal or designee shall request the officer's identity, his/her official capacity, and the legal authority under which the interview is to be conducted. The principal or designee shall maintain a record of all documentation relative to law enforcement interviews of students.

The principal or designee shall accommodate the interview in a way that causes the least possible disruption for the student and school and provides the student appropriate privacy.

At the law enforcement officer's discretion and with the student's approval, the principal or designee may be present during the interview.

Except in cases of child abuse or neglect, the principal or designee shall attempt to notify the student's parent/guardian as soon as practicable after the law enforcement officer has interviewed the student on school premises.

If a minor student is removed from school into the custody of law enforcement, the principal or designee shall immediately notify the parent/guardian or responsible relative regarding the student's release and the place to which he/she is reportedly being taken, except when the minor has been taken into custody as a victim of suspected child abuse. (Education Code 48906)

Subpoenas

Although subpoenas may legally be served at school on students age 12 or older, the Board believes that serving officials should be strongly urged to serve subpoenas at the home of the student whenever possible. When served at school, the principal or designee shall take reasonable steps to protect the student's privacy rights and to minimize loss of class time for the student.

SEARCH AND SEIZURE

The Board of Education is fully committed to promoting a safe learning environment and, to the extent possible, eliminating the possession and use of weapons, illegal drugs, and other controlled substances by students on school premises and at school activities. As necessary to protect the health and welfare of students and staff, school officials may search students, their property, and/or district property under their control and may seize illegal, unsafe, or otherwise prohibited items.

(cf. 0450 - Comprehensive Safety Plan)
(cf. 3515 - Campus Security)
(cf. 3515.3 - District Police/Security Department)
(cf. 5131 - Conduct)
(cf. 5131.7 - Weapons and Dangerous Instruments)
(cf. 5144.1 - Suspension and Expulsion/Due Process)

The Board urges that employees exercise discretion and good judgment. When conducting a search or seizure, employees shall act in accordance with law, Board policy, and administrative regulation.

(cf. 0410 - Nondiscrimination in District Programs and Activities)
(cf. 1312.1 - Complaints Concerning District Employees)
(cf. 5145.3 - Nondiscrimination/Harassment)

The Superintendent or designee shall ensure that staff who conduct student searches receive training regarding the requirements of the district's policy and administrative regulation and other legal issues, as appropriate.

(cf. 4131 - Staff Development)
(cf. 4231 - Staff Development)
(cf. 4331 - Staff Development)

Individual Searches

School officials may search any individual student, his/her property, or district property under his/her control when there is a reasonable suspicion that the search will uncover evidence that he/she is violating the law, Board policy, administrative regulation, or other rules of the district or the school. Reasonable suspicion shall be based on specific and objective facts that the search will produce evidence related to the alleged violation. The types of student property that may be searched by school officials include, but are not limited to, lockers, desks, purses, backpacks, student vehicles parked on district property, cellular phones, or other electronic communication devices.

Any search of a student, his/her property, or district property under his/her control shall be limited in scope and designed to produce evidence related to the alleged violation. Factors to be considered by school officials when determining the scope of the search shall include the danger to the health or safety of students or staff, such as the possession of weapons, drugs,

SEARCH AND SEIZURE (continued)

or other dangerous instruments, and whether the item(s) to be searched by school officials are reasonably related to the contraband to be found. In addition, school officials shall consider the intrusiveness of the search in light of the student's age, gender, and the nature of the alleged violation.

Employees shall not conduct strip searches or body cavity searches of any student. (Education Code 49050)

Searches of individual students shall be conducted in the presence of at least two district employees.

The principal or designee shall notify the parent/guardian of a student subjected to an individualized search as soon as possible after the search.

(cf. 5145.11 - Questioning and Apprehension by Law Enforcement)

Searches of Multiple Student Lockers/Desks

All student lockers and desks are the property of the district. The principal or designee may conduct a general inspection of school properties that are within the control of students, such as lockers and desks, on a regular, announced basis, with students standing by their assigned lockers or desks. Any items contained in a locker or desk shall be considered to be the property of the student to whom the locker or desk was assigned.

Use of Contraband Detection Dogs

In an effort to keep the schools free of dangerous contraband, the district may use specially trained, nonaggressive dogs to sniff out and alert staff to the presence of substances prohibited by law or Board policy.

The dogs may sniff the air around lockers, desks, or vehicles on district property or at district-sponsored events. Dogs shall not sniff within the close proximity of students or other persons and may not sniff any personal items on those persons without their consent.

SEARCH AND SEIZURE

Use of Contraband Detection Dogs

Contraband detection dogs shall not be used in classrooms or other district facilities when the rooms are occupied, except for demonstration purposes with the handler present. When used for demonstration purposes, the dog shall be separated from the students and not allowed to sniff any individual.

Prior to conducting an inspection, students shall be asked to leave the room that will be subject to the canine sniff. No student shall be forced to leave personal items behind for inspection, unless school officials have reasonable suspicion to search the item.

Only the dog's official handler shall determine what constitutes an alert by the dog. If the dog alerts on a particular item or place, the student having the use of that item or place, or responsibility for it, shall be called to witness the inspection. If a dog alerts on a locked vehicle, the student who brought the vehicle onto district property shall be asked to unlock it for inspection.

(cf. 5131.6 - Alcohol and Other Drugs)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

Notifications

At the beginning of each school year and upon enrollment, the Superintendent or designee shall inform students and parents/guardians about the district's policies and procedures for searches, including notice regarding:

1. The possibility of random searches of students, their belongings, their vehicles parked on district property, and district properties under a student's control, including lockers or desks
2. The district's contraband dog detection program

RESPONSE TO IMMIGRATION ENFORCEMENT

The Board of Education is committed to the success of all students and believes that every school site should be a safe and welcoming place for all students and their families irrespective of their citizenship or immigration status.

District staff shall not solicit or collect information or documents regarding the citizenship or immigration status of students or their family members or provide assistance with immigration enforcement at district schools, except as may be required by state and federal law. (cf. 5141 - Health Care and Emergencies)

The Superintendent or designee shall also encourage all students and families to learn their emergency phone numbers and be aware of the location of important documentation, including birth certificates, passports, social security cards, physicians' contact information, medication lists, lists of allergies, and other such information that would allow the students and families to be prepared in the event that a family member is detained or deported.

In the event that a student's parent/guardian is detained or deported by federal immigration authorities, the Superintendent or designee shall release the student to the person(s) designated in the student's emergency contact information or to any individual who presents a caregiver's authorization affidavit on behalf of the student. The Superintendent or designee shall only contact child protective services if district personnel are unable to arrange for the timely care of the student by the person(s) designated in the emergency contact information maintained by the school or identified on a caregiver's authorization affidavit.

The Superintendent or designee shall notify a student whose parent/guardian was detained or deported that the student continues to meet the residency requirements for attendance in a district school, provided that the parent/guardian was a resident of California and the student lived in California immediately before he/she moved out of state as a result of the parent/guardian's departure. FREEDOM OF SPEECH/EXPRESSION

School-Sponsored Publications

Students shall have the right to exercise freedom of speech and of the press in official school publications, except for expression that is obscene, libelous, slanderous, or so incites students as to create a clear and present danger of the commission of unlawful acts on school premises, the violation of lawful school regulations, or the substantial disruption of the orderly operation of the school. (Education Code 48907)

Official school publications includes material produced by students in journalism, newspaper, yearbook, or writing classes and distributed to the student body either for a fee or free. (Education Code 48907)

Each principal shall develop a school publications code outlining the responsibility of student journalists, editors, and publication advisors.

All student submissions shall be held to professional standards of English and journalism. (Education Code 48907)

If the principal considers material submitted for publication to violate Education Code 48907, he/she shall notify the student, without undue delay, and give specific reasons why the submitted material may not be published. Absent extraordinary circumstances, such notice should be given in sufficient time to allow the student time to either modify the material or to seek review of the principal's determination from the Superintendent or designee. Prior to any restriction of student speech, school officials shall consider any feasible alternative options to restricting the speech.

To the extent that the principal or designee believes that the school and district should be disassociated from a particular idea or opinion, the principal may require student articles to include disclaimers.

Distribution of Printed Materials and Petitions by Students

The principal or designee may provide bulletin boards on which students and student organizations may post materials of general interest. Students also may post or distribute handbills, leaflets, and other printed material, whether produced within or outside of the school. Students may collect signatures on petitions concerning school or nonschool issues.

(cf. 1325 - Advertising and Promotion)

(cf. 6145.5 - Student Organizations and Equal Access)

(cf. 5131 - Conduct)

Clothing, Buttons, and Badges

Buttons, badges, armbands, and clothing bearing slogans or sayings may be worn unless their message falls into the categories prohibited by law and Board policy. No employee shall interfere with this practice on the grounds that the message may be controversial or unpopular with students or faculty.

This policy shall apply to all acts related to school activity or to school attendance occurring within a district school, and to acts which occur off campus or outside of school-related or school-sponsored activities but which may have an impact or create a hostile environment at school.

Unlawful discrimination, including discriminatory harassment, intimidation, or bullying, may result from physical, verbal, nonverbal, or written conduct based on any of the categories listed above. Unlawful discrimination also includes the creation of a hostile environment through prohibited conduct that is so severe, persistent, or pervasive that it affects a student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; has the effect of substantially or unreasonably interfering with a student's academic performance; or otherwise adversely affects a student's educational opportunities.

Unlawful discrimination also includes disparate treatment of students based on one of the categories above with respect to the provision of opportunities to participate in school programs or activities or the provision or receipt of educational benefits or services.

The Board also prohibits any form of retaliation against any individual who reports or participates in the reporting of unlawful discrimination, files or participates in the filing of a complaint, or investigates or participates in the investigation of a complaint or report alleging unlawful discrimination. Retaliation complaints shall be investigated and resolved in the same manner as a discrimination complaint.

NONDISCRIMINATION/HARASSMENT (continued)

The Superintendent or designee shall facilitate students' access to the educational program by publicizing the district's nondiscrimination policy and related complaint procedures to students, parents/guardians, and employees. Students who engage in unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, in violation of law, Board policy, or administrative regulation shall be subject to appropriate consequence or discipline, which may include suspension or expulsion when the behavior is severe or pervasive as defined in Education Code 48900.4. Annually notify all students and parents/guardians of the district's nondiscrimination policy, including its responsibility to provide a safe, nondiscriminatory school environment for all students, including transgender and gender-nonconforming students. The notice shall also inform all students and parents/guardians that, to the extent possible, the district will address any individual student's interests and concerns in private.

(cf. 5145.6 - Parental Notifications)

NONDISCRIMINATION/HARASSMENT (continued)

5. The Superintendent or designee shall ensure that students and parents/guardians, including those with limited English proficiency, are notified of how to access the relevant information provided in the district's nondiscrimination policy and related complaint procedures, notices, and forms in a language they can understand.

If 15 percent or more of students enrolled in a particular district school speak a single primary language other than English, the district's policy, regulation, forms, and notices concerning nondiscrimination shall be translated into that language in accordance with Education Code 234.1 and 48985. In all other instances, the district shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

6. Provide to students, employees, volunteers, and parents/guardians age-appropriate training and information regarding the district's nondiscrimination policy; what constitutes prohibited discrimination, including discriminatory harassment, intimidation, retaliation, or bullying; how and to whom a report of an incident should be made; and how to guard against segregating or stereotyping students when providing instruction, guidance, supervision, or other services to them. Such training and information shall include details of guidelines the district may use to provide a discrimination-free environment for all district students, including transgender and gender-nonconforming students.

Process for Initiating and Responding to Complaints

Any student who feels that he/she has been subjected to unlawful discrimination described above or in district policy is strongly encouraged to immediately contact the compliance officer, principal, or any other staff member. In addition, any student who observes any such incident is strongly encouraged to report the incident to the compliance officer or principal, whether or not the alleged victim files a complaint.

Any school employee who observes an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, or to whom such an incident is reported shall report the incident to the compliance officer or principal within a school day, whether or not the alleged victim files a complaint.

Any school employee who witnesses an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall immediately intervene to stop the incident when it is safe to do so. (Education Code 234.1)

NONDISCRIMINATION/HARASSMENT (continued)

When a verbal report of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, is made to or received by the principal or compliance officer, he/she shall make a note of the report and encourage the student or parent/guardian to file the complaint in writing, pursuant to the provisions in AR 1312.3 - Uniform Complaint Procedures. Once notified verbally or in writing, the principal or compliance officer shall begin the investigation and shall implement immediate measures necessary to stop the discrimination and ensure that all students have access to the educational program and a safe school environment. Any interim measures adopted to address unlawful discrimination shall, to the extent possible, not disadvantage the complainant or a student who is the victim of the alleged unlawful discrimination.

Any report or complaint alleging unlawful discrimination by the principal, compliance officer, or any other person to whom a report would ordinarily be made or complaint filed shall instead be made to or filed with the Superintendent or designee who shall determine how the complaint will be investigated.

(cf. 5141.4 - Child Abuse Prevention and Reporting)

Transgender and Gender-Nonconforming Students

Gender identity of a student means the student's gender-related identity, appearance, or behavior as determined from the student's internal sense of his/her gender, whether or not that gender-related identity, appearance, or behavior is different from that traditionally associated with the student's physiology or assigned sex at birth.

Gender expression means a student's gender-related appearance and behavior, whether stereotypically associated with the student's assigned sex at birth. (Education Code 210.7)

Gender transition refers to the process in which a student changes from living and identifying as the sex assigned to the student at birth to living and identifying as the sex that corresponds to the student's gender identity.

Gender-nonconforming student means a student whose gender expression differs from stereotypical expectations.

Transgender student means a student whose gender identity is different from the gender he/she was assigned at birth.

Regardless of whether they are sexual in nature, acts of verbal, nonverbal, or physical aggression, intimidation, or hostility that are based on sex, gender identity, or gender expression, or that have the purpose or effect of producing a negative impact on the student's academic performance or of creating an intimidating, hostile, or offensive educational

environment are prohibited. Examples of the types of conduct which are prohibited in the district and which may constitute gender-based harassment include, but are not limited to:

1. Refusing to address a student by a name and the pronouns consistent with his/her gender identity
2. Disciplining or disparaging a student or excluding him/her from participating in activities for behavior or appearance that is consistent with his/her gender identity or that does not conform to stereotypical notions of masculinity or femininity, as applicable
3. Blocking a student's entry to the restroom that corresponds to his/her gender identity
4. Taunting a student because he/she participates in an athletic activity more typically favored by a student of the other sex
5. Revealing a student's transgender status to individuals who do not have a legitimate need for the information, without the student's consent
6. Use of gender-specific slurs
7. Physical assault of a student motivated by hostility toward him/her because of his/her gender, gender identity, or gender expression

The district's uniform complaint procedures (AR 1312.3) shall be used to report and resolve complaints alleging discrimination against transgender and gender-nonconforming students.

Examples of bases for complaints include, but are not limited to, the above list, as well as improper rejection by the district of a student's asserted gender identity, denial of access to facilities that correspond with a student's gender identity, improper disclosure of a student's transgender status, discriminatory enforcement of a dress code, and other instances of gender-based harassment.

To ensure that transgender and gender-nonconforming students are afforded the same rights, benefits, and protections provided to all students by law and Board policy, the district shall address each situation on a case-by-case basis, in accordance with the following guidelines:

1. **Right to privacy:** A student's transgender or gender-nonconforming status is his/her private information and the district shall only disclose the information to others with the student's prior written consent, except when the disclosure is otherwise required by law or when the district has compelling evidence that disclosure is necessary to preserve the student's physical or mental well-being. In any case, the district shall

NONDISCRIMINATION/HARASSMENT (continued)

only allow disclosure of a student's personally identifiable information to employees with a legitimate educational interest as determined by the district pursuant to 34 CFR 99.31. Any district employee to whom a student's transgender or gender-nonconforming status is disclosed shall keep the student's information confidential. When disclosure of a student's gender identity is made to a district employee by a student, the employee shall seek the student's permission to notify the compliance officer. If the student refuses to give permission, the employee shall keep the student's information confidential, unless he/she is required to disclose or report the student's information pursuant to this administrative regulation, and shall inform the student that honoring the student's request may limit the district's ability to meet the student's needs related to his/her status as a transgender or gender-nonconforming student. If the student permits the employee to notify the compliance officer, the employee shall do so within three school days.

As appropriate given the student's need for support, the compliance officer may discuss with the student any need to disclose the student's transgender or gender-nonconformity status or gender identity or gender expression to his/her parents/guardians and/or others, including other students, teacher(s), or other adults on campus. The district shall offer support services, such as counseling, to students who wish to inform their parents/guardians of their status and desire assistance in doing so.

(cf. 1340 - Access to District Records)

(cf. 3580 - District Records)

2. **Determining a Student's Gender Identity:** The compliance officer shall accept the student's assertion of his/her gender identity and begin to treat the student consistent with his/her gender identity unless district personnel present a credible and supportable basis for believing that the student's assertion is for an improper purpose.
3. **Addressing a Student's Transition Needs:** The compliance officer shall arrange a meeting with the student and, if appropriate, his/her parents/guardians to identify and develop strategies for ensuring that the student's access to education programs and activities is maintained. The meeting shall discuss the transgender or gender-nonconforming student's rights and how those rights may affect and be affected by the rights of other students and shall address specific subjects related to the student's access to facilities and to academic or educational support programs, services, or activities, including, but not limited to, sports and other competitive endeavors. In addition, the compliance officer shall identify specific school site employee(s) to whom the student may report any problem related to his/her status as a transgender or gender-nonconforming individual, so that prompt action can be taken to address it. Alternatively, if appropriate and desired by the student, the school may form a

NONDISCRIMINATION/HARASSMENT (continued)

- support team for the student that will meet periodically to assess whether the arrangements for the student are meeting his/her educational needs and providing equal access to programs and activities, educate appropriate staff about the student's transition, and serve as a resource to the student to better protect the student from gender-based discrimination.
4. **Accessibility to Sex-Segregated Facilities, Programs, and Activities:** When the district maintains sex-segregated facilities, such as restrooms and locker rooms, or offers sex-segregated programs and activities, such as physical education classes, intermural sports, and interscholastic athletic programs, students shall be permitted to access facilities and participate in programs and activities consistent with their gender identity. To address any student's privacy concerns in using sex-segregated facilities, the district shall offer available options such as a gender-neutral or single-use restroom or changing area, a bathroom stall with a door, an area in the locker room separated by a curtain or screen, access to a staff member's office, or use of the locker room before or after the other students. However, the district shall not require a student to utilize these options because he/she is transgender or gender-nonconforming. In addition, a student shall be permitted to participate in accordance with his/her gender identity in other circumstances where students are separated by gender, such as for class discussions, yearbook pictures, and field trips. A student's right to participate in a sex-segregated activity in accordance with his/her gender identity shall not render invalid or inapplicable any other eligibility rule established for participation in the activity.

(cf. 6145 - Extracurricular and Cocurricular Activities)

(cf. 6145.2 - Athletic Competition)

(cf. 6153 - School-Sponsored Trips)

(cf. 7110 - Facilities Master Plan)

5. **Student Records:** A student's legal name or gender as entered on the mandatory student record required pursuant to 5 CCR 432 shall only be changed with proper documentation. However, at the written request of a student or, if appropriate, his/her parents/guardians, the district shall use the student's preferred name and pronouns consistent with his/her gender identity on all other district-related documents. Such preferred name may be added to the student's record and official documents as permitted by law.

(cf. 5125 - Student Records)

(cf. 5125.1 - Release of Directory Information)

6. **Names and Pronouns:** If a student so chooses, district personnel shall be required to address the student by a name and the pronouns consistent with his/her gender identity, without the necessity of a court order or a change to his/her official

NONDISCRIMINATION/HARASSMENT (continued)

district record. However, inadvertent slips or honest mistakes by district personnel in the use of the student's name and/or consistent pronouns will, in general, not constitute a violation of this administrative regulation or the accompanying district policy.

7. Uniforms/Dress Code: A student has the right to dress in a manner consistent with his/her gender identity, subject to any dress code adopted on a school site.

(cf. 5132 - Dress Code)

PARENTAL NOTIFICATIONS

The Board of Education desires to promote effective communication between the school and the home and to keep parents/guardians informed regarding educational programs, school operations, and the legal rights of students and their parents/guardians. The Superintendent or designee shall send parents/guardians and students all notifications required by law and any other notifications he/she believes will promote parental understanding and involvement.

(cf. 5020 - Parent Rights and Responsibilities)
(cf. 5022 - Student and Family Privacy Rights)
(cf. 6020 - Parent Involvement)

Notice of the rights and responsibilities of parents/guardians as specified in Education Code 48980 shall be sent at the beginning of each academic year and may be provided by regular mail, in electronic form when so requested by the parent/guardian, or by any other method normally used by the district for written communication with parents/guardians. (Education Code 48981)

No activity specified in Education Code 48980 shall be undertaken with respect to any particular student unless his/her parent/guardian has been informed of such action through the annual notification or other separate special notification. Such notice shall state the activity that will be undertaken and the approximate date on which the activity will occur. (Education Code 48983-48984)

The annual notification shall include a request that the parent/guardian sign the notice and return it to the school or, if the notice is provided in electronic format, that the parent/guardian submit a signed acknowledgment of receipt of the notice to the school. The parent/guardian's signature is an acknowledgment of receipt of the information but does not indicate that consent to participate in any particular program has been given or withheld. (Education Code 48982)

Whenever a student enrolls in a district school during the school year, his/her parents/guardians shall be given all required parental notifications at that time.

Notifications shall be presented in an understandable and uniform format and, to the extent practicable, in a language that parents/guardians can understand.

Whenever 15 percent or more of the students enrolled in a district school speak a single primary language other than English, as determined from the California Department of Education census data collected pursuant to Education Code 52164, all notices sent to the parent/guardian of any such student shall, in addition to being written in English, be written in the primary language, and may be responded to either in English or the primary language. (Education Code 48981, 48985)

PARENTAL NOTIFICATIONS (continued)

Whenever an employee learns that a student's parent/guardian is unable to understand the district's printed notifications for any reason, he/she shall inform the principal or designee, who shall work with the parent/guardian to establish other appropriate means of communication.

Cautionary Notice: Government Code 17581.5 releases districts from the obligation to perform specified mandated activities when the Budget Act does not provide reimbursement during that fiscal year. The Budget Act of 2018 (SB 840, Ch. 29, Statutes of 2018) extends the suspension of these requirements through the 2018-19 fiscal year. As a result, certain provisions of the following Exhibit related to scoliosis screening and bus safety instruction may be suspended.

Note: The following exhibit lists notices which the law explicitly requires be provided to parents/guardians. See the referenced Board policy, administrative regulation, or Board bylaw for further information about related program and notice requirements. For example, see AR 1312.3 - Uniform Complaint Procedures for the contents of the annual notice regarding uniform complaint procedures as mandated by 5 CCR 4622.

The exhibit does not include other notices that are recommended throughout CSBA's sample policy manual but are not required by law. The district may revise the exhibit to reflect additional notifications provided by the district.

SEXUAL HARASSMENT

The district designates the following individual(s) as the responsible employee(s) to coordinate its efforts to comply with Title IX of the Education Amendments of 1972 and California Education Code 234.1, as well as to investigate and resolve sexual harassment complaints under AR 1312.3 - Uniform Complaint Procedures. The coordinator/compliance officer(s) may be contacted at:

Assistant Superintendent Human Resources
Napa Valley Unified School District
2425 Jefferson Street
Napa, California 94558
(707) 253-3571

(cf. 1312.3 - Uniform Complaint Procedures)

Prohibited sexual harassment includes, but is not limited to, unwelcome sexual advances, unwanted requests for sexual favors, or other unwanted verbal, visual, or physical conduct of a sexual nature made against another person of the same or opposite sex in the educational setting, under any of the following conditions: (Education Code 212.5; 5 CCR 4916)

1. Submission to the conduct is explicitly or implicitly made a term or condition of a student's academic status or progress.
2. Submission to or rejection of the conduct by a student is used as the basis for academic decisions affecting the student.
3. The conduct has the purpose or effect of having a negative impact on the student's academic performance or of creating an intimidating, hostile, or offensive educational environment.
4. Submission to or rejection of the conduct by the student is used as the basis for any decision affecting the student regarding benefits and services, honors, programs, or activities available at or through any district program or activity.

(cf. 5131 - Conduct)

(cf. 5131.2 - Bullying)

(cf. 5137 - Positive School Climate)

(cf. 5145.3 - Nondiscrimination/Harassment)

(cf. 6142.1 - Sexual Health and HIV/AIDS Prevention Instruction)

Examples of types of conduct which are prohibited in the district and which may constitute sexual harassment include, but are not limited to:

1. Unwelcome leering, sexual flirtations, or propositions

SEXUAL HARASSMENT (continued)

2. Unwelcome sexual slurs, epithets, threats, verbal abuse, derogatory comments, or sexually degrading descriptions
3. Graphic verbal comments about an individual's body or overly personal conversation
4. Sexual jokes, derogatory posters, notes, stories, cartoons, drawings, pictures, obscene gestures, or computer-generated images of a sexual nature
5. Spreading sexual rumors
6. Teasing or sexual remarks about students enrolled in a predominantly single-sex class
7. Massaging, grabbing, fondling, stroking, or brushing the body
8. Touching an individual's body or clothes in a sexual way
9. Impeding or blocking movements or any physical interference with school activities when directed at an individual on the basis of sex
10. Displaying sexually suggestive objects
11. Sexual assault, sexual battery, or sexual coercion
12. Electronic communications containing comments, words, or images described above

Any prohibited conduct that occurs off campus or outside of school-related or school-sponsored programs or activities will be regarded as sexual harassment in violation of district policy if it has a continuing effect on or creates a hostile school environment for the complainant or victim of the conduct.

Reporting Process and Complaint Investigation and Resolution

Any student who believes that he/she has been subjected to sexual harassment by another student, an employee, or a third party or who has witnessed sexual harassment is strongly encouraged to report the incident to his/her teacher, the principal, or any other available school employee. Within one school day of receiving such a report, the school employee shall forward the report to the principal or the district's compliance officer identified in AR 1312.3. In addition, any school employee who observes an incident of sexual harassment involving a student shall, within one school day, report his/her observation to the principal or a district compliance officer. The employee shall take these actions, whether or not the alleged victim files a complaint.

SEXUAL HARASSMENT (continued)

When a report or complaint of sexual harassment involves off-campus conduct, the principal shall assess whether the conduct may create or contribute to the creation of a hostile school environment. If he/she determines that a hostile environment may be created, the complaint shall be investigated and resolved in the same manner as if the prohibited conduct occurred at school.

When a verbal or informal report of sexual harassment is submitted, the principal or compliance officer shall inform the student or parent/guardian of the right to file a formal written complaint in accordance with the district's uniform complaint procedures. Regardless of whether a formal complaint is filed, the principal or compliance officer shall take steps to investigate the allegations and, if sexual harassment is found, shall take prompt action to stop it, prevent recurrence, and address any continuing effects.

If a complaint of sexual harassment is initially submitted to the principal, he/she shall, within two school days, forward the report to the compliance officer to initiate investigation of the complaint. The compliance officer shall contact the complainant and investigate and resolve the complaint in accordance with law and district procedures specified in AR 1312.3.

In investigating a sexual harassment complaint, evidence of past sexual relationships of the victim shall not be considered, except to the extent that such evidence may relate to the victim's prior relationship with the respondent.

In any case of sexual harassment involving the principal, compliance officer, or any other person to whom the incident would ordinarily be reported or filed, the report may instead be submitted to the Superintendent or designee who shall determine who will investigate the complaint.

(cf. 5141.4 - Child Abuse Prevention and Reporting)

Confidentiality

All complaints and allegations of sexual harassment shall be kept confidential except as necessary to carry out the investigation or take other subsequent necessary action. (5 CCR 4964)

However, when a complainant or victim of sexual harassment notifies the district of the harassment but requests confidentiality, the compliance officer shall inform him/her that the request may limit the district's ability to investigate the harassment or take other necessary action. When honoring a request for confidentiality, the district will nevertheless take all reasonable steps to investigate and respond to the complaint consistent with the request.

SEXUAL HARASSMENT (continued)

When a complainant or victim of sexual harassment notifies the district of the harassment but requests that the district not pursue an investigation, the district will determine whether or not it can honor such a request while still providing a safe and nondiscriminatory environment for all students.

(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)
(cf. 5125 - Student Records)

Response Pending Investigation

When an incident of sexual harassment is reported, the principal or designee, in consultation with the compliance officer, shall determine whether interim measures are necessary pending the results of the investigation. The principal/designee or compliance officer shall take immediate measures necessary to stop the harassment and protect students and/or ensure their access to the educational program. To the extent possible, such interim measures shall not disadvantage the complainant or victim of the alleged harassment. Interim measures may include placing the individuals involved in separate classes or transferring a student to a class taught by a different teacher, in accordance with law and Board policy. The school should notify the individual who was harassed of his/her options to avoid contact with the alleged harasser and allow the complainant to change academic and extracurricular arrangements as appropriate. The school should also ensure that the complainant is aware of the resources and assistance, such as counseling, that are available to him/her. As appropriate, such actions shall be considered even when a student chooses to not file a formal complaint or the sexual harassment occurs off school grounds or outside school-sponsored or school-related programs or activities.

Notifications

A copy of the district's sexual harassment policy and regulation shall:

1. Be included in the notifications that are sent to parents/guardians at the beginning of each school year (Education Code 48980; 5 CCR 4917)

(cf. 5145.6 - Parental Notifications)

(cf. 1113 - District and School Web Sites)

(cf. 5145.2 - Freedom of Speech/Expression)
(cf. 6142.93 - Science Instruction)

The right to refrain from instruction involving harmful or destructive use of animals shall apply to all K-12 courses, except classes and activities conducted as part of agricultural education that provide instruction on the care, management, and evaluation of domestic animals. At the beginning of each academic year, the Superintendent or designee shall notify parents/guardians, in writing, of students' right to refrain from instruction involving the harmful or destructive use of animals. (Education Code 48980)

(cf. 5145.6 - Parental Notifications)

In addition, each teacher of a course that uses live or dead animals or animal parts shall inform students of their right to refrain from the harmful or destructive use of animals. (Education Code 32255.4)

A student who wishes to refrain from such instruction shall notify the teacher and shall provide a note from his/her parent/guardian substantiating the objection. (Education Code 32255.1)

If the teacher believes an adequate alternative project is possible, he/she may work with the student to develop and agree upon an alternative project which would provide the knowledge, information, or experience required by the course of study. Alternative projects include, but are not limited to, the use of video recordings, models, films, books, and computers. The alternative project shall involve time and effort by the student comparable to that required by the original project. (Education Code 32255, 32255.1)

A teacher's determination of whether the student may pursue an alternative project or be excused from the project shall not be arbitrary or capricious. (Education Code 32255.3)

In order to receive course credit, students who participate in an alternative project shall pass all course examinations. Students may request an alternative test, however, if a regular examination requires the harmful or destructive use of animals. (Education Code 32255.1)

MARRIED/PREGNANT/PARENTING STUDENTS

The Board of Education recognizes that responsibilities related to marriage, pregnancy, or parenting and related responsibilities may disrupt a student's education and increase the chance of a student dropping out of school. The Board therefore desires to support married, pregnant, and parenting students to continue their education, attain strong academic and parenting skills, and promote the healthy development of their children.

(cf. 5113.1 - Chronic Absence and Truancy)

(cf. 5147 - Dropout Prevention)

(cf. 6011 - Academic Standards)

(cf. 6164.5 - Student Success Teams)

The district shall not exclude or deny any student from any educational program or activity, including any class or extracurricular activity, solely on the basis of the student's pregnancy, childbirth, false pregnancy, termination of pregnancy, or related recovery. In addition, the district shall not adopt any rule concerning a student's actual or potential parental, family, or marital status that treats students differently on the basis of sex. (Education Code 221.51, 230; 5 CCR 4950; 34 CFR 106.40)

(cf. 0410 - Nondiscrimination in District Programs and Activities)

Education and Support Services for Pregnant and Parenting Students

Pregnant and parenting students shall retain the right to participate in the regular education program or an alternative education program. (cf. 6158 - Independent Study)

(cf. 6181 - Alternative Schools/Programs of Choice)

(cf. 6184 - Continuation Education)

(cf. 6200 - Adult Education)

Any alternative education program, activity, or course that is offered separately to pregnant or parenting students, including any class or extracurricular activity, shall be equal to that offered to other district students. A student's participation in such programs shall be voluntary. (Education Code 221.51; 5 CCR 4950)

If required for students with any other temporary disabling condition, the Superintendent or designee may require a student, based on pregnancy, childbirth, false pregnancy, termination of pregnancy, or related recovery, to obtain certification from a physician or nurse

MARRIED/PREGNANT/PARENTING STUDENTS (continued)

practitioner indicating that the student is physically and emotionally able to continue participation in the regular education program or activity. (Education Code 221.51; 5 CCR 4950; 34 CFR 106.40)

(cf. 6142.7 - Physical Education and Activity)

(cf. 6145 - Extracurricular and Cocurricular Activities)

(cf. 6183 - Home and Hospital Instruction)

To the extent feasible, the district shall provide educational and related support services, either directly or in collaboration with community agencies and organizations, to meet the needs of pregnant and parenting students and their children. Such services may include, but are not limited to:

(cf. 3550 - Food Service/Child Nutrition Program)

(cf. 5030 - Student Wellness)

4. Health care services, including prenatal care

(cf. 5141.6 - School Health Services)

(cf. 5113 - Absences and Excuses)

Parental Leave

A pregnant or parenting student shall be entitled to eight weeks of parental leave in order to protect the health of the student who gives or expects to give birth and the infant, and to allow the pregnant or parenting student to care for and bond with the infant. Such leave may be taken before the birth of the student's infant if there is a medical necessity and after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction. The Superintendent or designee may grant parental leave beyond eight weeks if deemed medically necessary by the student's physician. (Education Code 46015; 34 CFR 106.40)

The student, if age 18 years or older, or the student's parent/guardian shall notify the school of the student's intent to take parental leave. No student shall be required to take all or part of the parental leave. (Education Code 46015)

When a student takes parental leave, the attendance supervisor shall ensure that absences from the regular school program are excused until the student is able to return to the regular school program or an alternative education program. A pregnant or parenting student shall not be required to complete academic work or other school requirements during the period of the parental leave. (Education Code 46015)

(cf. 5113.11 - Attendance Supervision)

When necessary to complete high school graduation requirements, the student may remain enrolled in school for a fifth year of instruction, unless the Superintendent or designee makes a finding that the student is reasonably able to complete district graduation requirements in time to graduate by the end of the fourth year of high school. (Education Code 46015)

(cf. 6146.1 - High School Graduation Requirements)

(cf. 6146.11 - Alternative Credits Toward Graduation)

A pregnant student shall have access to any services available to other students with temporary disabilities or medical conditions. (34 CFR 106.40)

The school shall provide reasonable accommodations to any lactating student to express breast milk, breastfeed an infant child, or address other needs related to breastfeeding. CHILD CARE AND DEVELOPMENT

Note: The following administrative regulation is for use by districts that operate child care and development services through a contract with the California Department of Education (CDE) and reflects provisions generally applicable to programs under the Child Care and Development Services Act (Education Code 8200-8499.7). Such programs include resource and referral programs (Education Code 8210-8216; 5 CCR 18240-18248), alternative payment programs (Education Code 8220-8227.7; 5 CCR 18220-18231), migrant child care and development programs (Education Code 8230-8233), California State Preschool Programs (CSPP) (Education Code 8235-8239.1), general child care and development programs (Education Code 8240-8244), and programs for children with special needs (Education Code 8250-8252). The district may revise this regulation to reflect specific requirements for the program(s) it offers. See BP/AR 5148.2 - Before/After School Programs for requirements pertaining to the After-School Education and Safety program (Education Code 8482-8484.65) and 21st Century Community Learning Centers (Education Code 8484.7-8484.8), and BP/AR 5148.3 - Preschool/Early Childhood Education for CSPP requirements.

The following administrative regulation does not reflect all policy language mandated for each specific program. The district should be careful to include the mandates, if any, applicable to the program(s) it offers. For example, for the alternative payment program, 5 CCR 18221 mandates a written policy statement that includes specified components, including, but not limited to, program purpose, enrollment priorities, reimbursement of providers, and family fee collection. For the resource and referral program, 5 CCR 18244 mandates written referral policies and written complaint procedures.

In addition to the program requirements described below, child care and development programs may be subject to other policies in the district's policy manual (e.g., BP/AR 1240 - Volunteer Assistance, AR 3514.2 - Integrated Pest Management, BP/AR 3550 - Food Service/Child Nutrition Program). Districts should consult legal counsel if they have questions regarding the applicability of other laws to the district's child care and development program.

Licensing

Note: Pursuant to 22 CCR 101156, all child care centers must be licensed by the California Department of Social Services (CDSS) unless exempted by law. Health and Safety Code 1596.792 and 22 CCR 101158 list exemptions from the licensure requirements including, but not limited to, any program that (1) is a "public recreation program" that meets the criteria specified in Health and Safety Code 1596.792, (2) is operated before and/or after school by qualified teachers employed by the district, (3) is a school parenting program or adult education child care program, (4) operates only one day per week for no more than four hours on that day, (5) offers temporary child care services to parents/guardians who are on the same premises as the child care site, (6) provides activities that are of an instructional nature in a classroom-like setting when K-12 students are normally not in session and the sessions do not exceed a total of 30 days when only school-age children are enrolled or 15 days when younger children are enrolled, or (7) is a CSPP program operated in a school building that meets specified health and safety requirements. If the district offers only programs that are exempted from licensure, it should modify the following regulation accordingly.

Pursuant to Health and Safety Code 1596.951, as added by AB 605 (Ch. 574, Statutes of 2018), CDSS is required to adopt regulations by January 1, 2021 to create a new child care center license including components for serving infant, toddler, preschool, and school-age children; health and safety standards; and enhanced ability to transition children to the next age group. Pursuant to Health and Safety Code 1596.951, all child care centers are required to obtain this license by January 1, 2024.

All district child care and development services shall be licensed by the California Department of Social Services, unless exempted pursuant to Health and Safety Code 1596.792 or 22 CCR 101158.

CHILD CARE AND DEVELOPMENT (continued)

The license shall be posted in a prominent, publicly accessible location in the facility. (Health and Safety Code 1596.8555)

Licensed child care centers shall be subject to the requirements of Health and Safety Code 1596.70-1597.21, 22 CCR 101151-101239.2, and, when applicable, 22 CCR 101451-101539.

Program Components

Note: Items #1-7 and 9 below list components of child care and development programs required for all providers pursuant to 5 CCR 18272-18281. The Governing Board is required, pursuant to 5 CCR 18271, to approve goals and objectives addressing each of these program components; see the accompanying Board policy. The district may add components of other programs offered by the district.

The district's child care and development program shall include the following components:

1. The use of a developmental profile reflecting each child's physical, cognitive, social, and emotional development to plan and conduct developmentally and age appropriate activities (Education Code 8203.5; 5 CCR 18272)

Program staff shall complete the "Desired Results Developmental Profile," available from the California Department of Education (CDE), for each child who is enrolled in the program for at least 10 hours per week and for any child with disabilities regardless of the number of hours enrolled. The profile shall be completed within 60 days of enrollment and at least once every six months thereafter for children of all ages. (Education Code 8203.5; 5 CCR 18270.5, 18272)

2. An educational program that complies with 5 CCR 18273, including the provision of services that are developmentally, linguistically, and culturally appropriate and inclusive of children with special needs

(cf. 5148.2 - Before/After School Programs)
(cf. 5148.3 - Preschool/Early Childhood Education)
(cf. 6159 - Individualized Education Program)
(cf. 6164.6 - Identification and Education Under Section 504)
(cf. 6174 - Education for English Learners)

3. A staff development program which complies with 5 CCR 18274

(cf. 4131 - Staff Development)
(cf. 4231 - Staff Development)
(cf. 4331 - Staff Development)

4. Parent/guardian involvement and education that comply with 5 CCR 18275 and include an orientation, at least two individual conferences per year, meetings with program staff, an advisory committee, participation in daily activities, and information regarding their child's progress

CHILD CARE AND DEVELOPMENT (continued)

(cf. 6020 - Parent Involvement)

5. A health and social services component that complies with 5 CCR 18276 and includes referrals to appropriate community agencies as needed

(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)

(cf. 5141 - Health Care and Emergencies)

(cf. 5141.23 - Asthma Management)

(cf. 5141.6 - School Health Services)

6. A community involvement component that complies with 5 CCR 18277

Note: Health and Safety Code 1596.808 establishes beverage standards for licensed child care centers. In addition, centers that receive funding through the Child and Adult Care Food Program (42 USC 1766) must meet federal guidelines for meals, snacks, fluid milk or nutritionally equivalent milk substitutes, and drinking water.

7. As applicable, a nutrition component that ensures children in the program are provided nutritious meals, beverages, and snacks that meet state and federal standards and have access to drinking water throughout the day, including meal times (Health and Safety Code 1596.808; 5 CCR 18278; 42 USC 1766)

(cf. 3550 - Food Service/Child Nutrition Program)

(cf. 5030 - Student Wellness)

(cf. 5141.27 - Food Allergies/Special Dietary Needs)

Note: Item #8 below is **optional** and may be revised to reflect district practice. 42 USC 1766 encourages child care centers to provide opportunities for physical activity and to limit the amount of time spent in sedentary activities, such as time spent using electronic media.

8. Programs that promote age-appropriate structured and unstructured opportunities for physical activity and that limit the amount of time spent in sedentary activities to an appropriate level

Note: 5 CCR 18279-18281 require an annual evaluation using the standardized "Desired Results for Children and Families" system developed by CDE. The system requires a program self-evaluation that includes, but is not limited to, a staff assessment, a parent/guardian survey, and an environment rating scale using forms selected by CDE. Each contractor is required to submit a summary of the self-evaluation findings to CDE by June 1 of each year. In addition, every three years, CDE conducts a Federal Program Monitoring/Contract Monitoring Review (FPM/CMR) process with each contract agency to review compliance with program requirements. The FPM/CMR instrument is available on the CDE's web site.

9. An annual plan for program evaluation which conforms with the state's "Desired Results for Children and Families" system and includes, but is not limited to, a self-evaluation, parent/guardian survey, and environment rating scale using forms provided by the CDE (5 CCR 18270.5, 18279, 18280)

The district's child care and development program shall maintain at least the minimum adult-child and teacher-child ratios specified in 5 CCR 18290-18292 based on the ages of the children served.

All persons employed at a licensed district child care center and all volunteers who provide care and supervision to children at such a center shall be immunized against influenza, pertussis, and measles. If they meet all other requirements for employment or volunteering, as applicable, but need additional time to obtain and provide immunization records, they may be employed or volunteer conditionally for a maximum of 30 days upon signing and submitting a written statement attesting that they have been immunized as required. In addition, employees and volunteers shall receive an influenza vaccination between August 1 and December 1 of each year. A person shall be exempt from these requirements only under any of the following circumstances: (Health and Safety Code 1596.7995)

1. The person submits a written statement from a licensed physician declaring either that immunization is not safe because of the person's physical condition or medical circumstances or that the person has evidence of current immunity to influenza, pertussis, and measles.
2. In the case of the influenza vaccine, the person submits a written declaration declining the vaccination.
3. In the case of the influenza vaccine required during the first year of employment or volunteering, the vaccine is not timely because the person was hired after December 1 of the previous year and before August 1 of the current year.

(cf. 1240 - Volunteer Assistance)

(cf. 4112.4/4212.4/4312.4 - Health Examinations)

Documentation of the required immunizations or exemptions from immunization shall be maintained in the employee's personnel file. (Health and Safety Code 1596.7995)

(cf. 4112.6/4212.6/4312.6 - Personnel Files)

In addition to the above immunization requirements, teachers employed in a licensed child care center shall present evidence of a current tuberculosis clearance and meet other requirements specified in Health and Safety Code 1597.055. (Health and Safety Code 1597.055)

CHILD CARE AND DEVELOPMENT (continued)**Eligibility and Enrollment**

Note: CDE contracts provide funding only for services to families who meet the criteria for subsidized services as specified in Education Code 8263. The district may also provide services to unsubsidized families provided the district uses other funding sources or the families pay the full cost of services; see section on "Fees and Charges" below.

Pursuant to 5 CCR 18105, districts contracting with CDE to offer child care services are **mandated** to develop written admissions policies and procedures that conform to requirements of 22 CCR 101218, including criteria designating those children whose needs can be met by the child care center's program and services and the ages of children who will be accepted.

The following section should be revised to reflect the district's contract(s) with CDE.

The district's subsidized child care and development services may be available to infants and children through 12 years of age and to individuals with disabilities through 21 years of age in accordance with their individualized education program and Education Code 8208. (Education Code 8208, 8263.4; 5 CCR 18089, 18407, 18422)

Note: Pursuant to 5 CCR 18082-18083, the parent/guardian must submit an application for services which contains specified information and documentation. The application form is available on CDE's web site. The family's or child's eligibility must be certified by a person designated by the district.

Pursuant to Education Code 8263.1, as amended by AB 2626 (Ch. 945, Statutes of 2018), income eligibility is based on an adjusted monthly family income at or below 85 percent of the state median income, adjusted for family size, for purposes of establishing ongoing income eligibility after January 1, 2019 or initial eligibility after July 1, 2019.

Eligible families shall be those who document both an eligibility basis and a need for care, as follows: (Education Code 8263)

1. The family is eligible for subsidized services on the basis of being a current aid recipient, income eligible, or homeless and/or the family's children are recipients of protective services or have been identified as being or at risk of being abused, neglected, or exploited.
2. The family has a need for child care based on either of the following:
 - a. The unavailability of the parents/guardians to care for and supervise their children for some portion of the day because they are participating in vocational training leading directly to a recognized trade, paraprofession, or profession; are engaged in an educational program for English language learners or to attain a high school diploma or general educational development certificate; are employed or seeking employment; are seeking permanent housing for family stability; or are incapacitated

CHILD CARE AND DEVELOPMENT (continued)

- b. The child is identified by a legal, medical, or social services agency, the district liaison for homeless students, a Head Start program, or an emergency or transitional shelter as being a recipient of protective services, as being or at risk of being neglected, abused, or exploited, or as being homeless

Note: The following paragraph may be revised to reflect district practice. Unless state funding is allocated to support the centralized eligibility list established in each county pursuant to Education Code 8499.5, such lists will be maintained only if locally funded. In situations where there is no locally funded centralized eligibility list or the district elects not to participate in the local list, the district must establish its own waiting list in accordance with admission priorities pursuant to Education Code 8263 and 5 CCR 18106.

The Superintendent or designee shall consult the county's centralized eligibility list, when available, or shall maintain a district waiting list in accordance with admission priorities. As vacancies occur, applicants shall be contacted in order of their priority. (5 CCR 18106)

First priority for enrollment shall be given to neglected or abused children who are recipients of child protective services, or children who are at risk of being neglected or abused, upon written referral from a legal, medical, or social services agency. If unable to enroll a child in this category, the district shall refer the child's parent/guardian to local resource and referral services so that services for the child can be located. (Education Code 8263)

Second priority for enrollment shall be given to families who are income eligible, as defined in Education Code 8263.1. Families with the lowest gross monthly income in relation to family size shall be admitted first. If two or more families are in the same priority in relation to income, the family that has a child with disabilities shall be admitted first or, if there is no child with disabilities, the family that has been on the waiting list for the longest time shall be admitted first. (Education Code 8263, 8263.1)

The district shall allow eligible children 11-12 years of age to combine enrollment in a before-school or after-school program with subsidized child care services during the time that the before-school or after-school program does not operate. Children 11-12 years of age, except for children with disabilities, shall be eligible for subsidized child care services only for the portion of care needed that is not available in a before-school or after-school program. (Education Code 8263.4)

Note: The following **optional** paragraph may be revised to reflect additional enrollment priorities or criteria established by the district, such as priority for district students, children of district students, or children of district employees; see the accompanying Board policy.

After all children eligible for subsidized services have been enrolled, the district may enroll children in accordance with the priorities established by the Board of Education.

CHILD CARE AND DEVELOPMENT (continued)

Note: 5 CCR 18094 and 18118 require the district to provide written notification to the parent/guardian as to whether the application for subsidized services has been approved or denied. For this purpose, the district should use the Notice of Action form available on CDE's web site. If the services are denied, the parent/guardian may appeal the decision in accordance with 5 CCR 18120-18122; see section "Rights of Parents/Guardians" below.

The district's decision to approve or deny services shall be communicated to the parent/guardian through a written Notice of Action mailed or delivered within 30 days from the date the application is signed by the parent/guardian. (5 CCR 18094, 18118)

(cf. 5145.6 - Parental Notifications)

Note: Pursuant to Education Code 8263, as amended by AB 2626, effective July 1, 2019, a family that establishes initial or ongoing eligibility for services, regardless of the basis of eligibility, is entitled to receive those services for at least 12 months before being recertified for eligibility, except when an increase in income results in the family income exceeding the threshold for ongoing eligibility.

Upon establishing eligibility for services, a family shall be eligible for and shall receive services for not less than 12 months before having the family's eligibility or need recertified and shall not be required to report changes to income or other changes for at least 12 months. However, a family establishing eligibility on the basis of income shall report any increases in income that exceed the threshold for ongoing income eligibility specified in Education Code 8263.1, and the family's ongoing eligibility shall be recertified at that time. At any time a family may voluntarily report income or other changes, which shall be used, as applicable, to reduce the family's fees, increase the family's services, or extend the period of eligibility before recertification. (Education Code 8263)

Note: 5 CCR 18095 and 18119 require the district to notify a parent/guardian of any change in services or fees as described below. For such notification, the district should use the Notice of Action form available on CDE's web site. Parents/guardians may appeal such actions pursuant to 5 CCR 18120-18122; see section "Rights of Parents/Guardians" below.

The Superintendent or designee shall mail or deliver a Notice of Action to a parent/guardian at least 14 calendar days before any intended change in services, including, but not limited to, an increase or decrease in fees, an increase or decrease in the amount of services, or termination of services, due to any of the following circumstances: (5 CCR 18095, 18119)

1. A determination made during recertification or the update of the application that the need or eligibility requirements are no longer being met or the fee or amount of service needs to be modified
2. Failure of the parent/guardian to document the family's need or eligibility after the district requested such documentation in writing
3. An indication by the parent/guardian that the service is no longer wanted

CHILD CARE AND DEVELOPMENT (continued)

4. The death of a parent/guardian or child
5. The conclusion of a limited-term agreement, provided that the parent/guardian has been informed in writing of the date that the services would terminate

The Superintendent or designee shall establish and maintain a basic data file for each family receiving child care and development services containing the completed and signed application for services, documentation used to determine the child's eligibility and need, and copies of all Notices of Action. (5 CCR 18081, 18095)

Fees and Charges

Note: Education Code 8273 requires the Superintendent of Public Instruction (SPI) to establish a fee schedule for families using child care services through a CDE contract, including families who are eligible for subsidized child care services based on the criteria specified in item #1 in the section "Eligibility and Enrollment" above. See CDE Management Bulletin 14-03a.

Pursuant to 5 CCR 18109 and CDE's Frequently Asked Questions to Management Bulletin 14-03a, the district may charge a full-time, part-time, or "cost of care" fee calculated pursuant to 5 CCR 18109, whichever is less, depending on the number of hours that a child will receive services.

Education Code 8250 and 5 CCR 18110 prohibit districts from assessing fees for children enrolled in a program for severely disabled children or a federally based migrant program. Districts may revise the following paragraph to reflect any such program(s) offered by the district. Districts that offer only programs prohibited from charging fees may delete the following section.

Except when offering a program that is prohibited by law from charging any fees, the Superintendent or designee may charge fees for services according to the fee schedule established by the Superintendent of Public Instruction, the actual cost of services, or the maximum daily/hourly rate specified in the contract, whichever is least. (Education Code 8250, 8263, 8273, 8273.1, 8447; 5 CCR 18078, 18108-18110)

However, no fee shall be charged to a family that is receiving CalWORKS cash aid, an income-eligible family whose child is enrolled in a part-day California State Preschool Program, or a family whose income level, in relation to family size, is less than the first entry in the fee schedule. (Education Code 8273.1; 5 CCR 18110)

In addition, any family receiving child care on the basis of having a child who is a recipient of child protective services, or having a certification by a county child welfare agency that child care services continue to be necessary, may be exempt from these fees for up to 12 months. (Education Code 8273.1)

CHILD CARE AND DEVELOPMENT (continued)

Note: Pursuant to Education Code 8273 and CDE Management Bulletin 14-03a, family fees must be assessed at initial enrollment and reassessed at recertification or when the family data file is updated due to a change in status.

Pursuant to 5 CCR 18114, districts contracting with CDE to offer child care services are **mandated** to adopt a policy for the collection of fees in advance of providing services, as provided below. 5 CCR 18114 contains an alternative definition of delinquency for alternative payment programs offered pursuant to Education Code 8220-8224.

Fees shall be assessed at initial enrollment and reassessed when a family is recertified or experiences a change in status. Fees shall be considered delinquent after seven days from the date that fees are due. Parents/guardians shall be notified in the event that fees are delinquent. If a reasonable plan for payment of the delinquent fees has not been provided by the parents/guardians, services shall be terminated if all delinquent fees are not paid within two weeks of such notification. Parents/guardians shall receive a copy of the district's regulations regarding fee collection at the time of initial enrollment into the program. (Education Code 8273; 5 CCR 18082, 18114, 18115)

Note: The following paragraph is for use by districts that contract with CDE to offer child care services and wish to require parents/guardians to provide diapers and/or to pay the costs of field trips (unless the program is exempt from fees), and may be modified to delete diapers as appropriate for the age of the children served. Education Code 8273.3 **mandates** that such districts have a written policy which includes parents/guardians in the decision-making process. Pursuant to Education Code 8273.3, the fees cannot exceed \$25 per child in the contract year.

The Superintendent or designee shall establish a process that involves parents/guardians in determining whether to require parents/guardians to provide diapers. This process shall also be used to determine whether and how much to charge parents/guardians for field trip expenses, within the limit specified in law. A child shall not be denied participation in a field trip due to the parent/guardian's inability or refusal to pay the fee, and no adverse action shall be taken against a parent/guardian for that inability or refusal. (Education Code 8273.3)

Disenrollment

Note: Education Code 8263.3 specifies the order by which families must be disenrolled from child care and development services when funding levels are reduced. Parents/guardians may appeal such actions pursuant to 5 CCR 18120-18122, but only on the grounds that the factors used to determine the family's disenrollment are incorrect. See section "Rights of Parents/Guardians" below.

When necessary due to a reduction in state reimbursements, families shall be disenrolled from subsidized child care and development services in the following order: (Education Code 8263.3)

1. Families with the highest income in relation to family size shall be disenrolled first.

CHILD CARE AND DEVELOPMENT (continued)

2. If two or more families have the same income ranking, children without disabilities who have been enrolled in child care services the longest shall be disenrolled first. After all children without disabilities have been disenrolled, children with disabilities shall be disenrolled, with those who have been enrolled in child care services the longest being disenrolled first.
3. Families whose children are receiving child protective services or are at risk of neglect, abuse, or exploitation, regardless of family income, shall be disenrolled last.

Health Examination and Information

A physical examination and evaluation, including age-appropriate immunization, shall be required prior to or within six weeks of enrollment. (Education Code 8263)

(cf. 5141.3 - Health Examinations)

(cf. 5141.31 - Immunizations)

Note: Education Code 8263 provides that the physical examination and evaluation, including immunizations, required of children enrolling in a child care center may be waived if a parent/guardian submits a letter stating that such examination is contrary to the parent/guardian's religious beliefs. However, Health and Safety Code 120335 eliminated the personal beliefs exemption for immunization requirements unless the parent/guardian files a letter or affidavit prior to January 1, 2016 or a licensed physician indicates that a student should be exempted for medical reasons. An exemption granted for personal beliefs is only effective until the next grade span (i.e., birth through preschool, grades K-6, and grades 7-12). See BP/AR 5141.31 - Immunizations.

The requirement for a physical examination and evaluation shall be waived if a parent/guardian submits a letter stating that such examination is contrary to the parent/guardian's religious beliefs. (Education Code 8263)

However, a child may be exempted from the immunization requirements only if: (Education Code 8263; Health and Safety Code 120335)

1. A licensed physician indicates that immunization is not safe due to the physical condition or medical circumstances of the child.
2. The parent/guardian submitted a letter or affidavit prior to January 1, 2016 stating that such examination is contrary to the parent/guardian's personal beliefs. An exemption from immunization granted for personal beliefs is effective only until the next grade span (i.e., birth through preschool, grades K-6, and grades 7-12).

If there is good cause to believe that a child is suffering from a recognized contagious or infectious disease, the child shall be temporarily excluded from the child care and development program until it is determined that the child is not suffering from that contagious or infectious disease. (Education Code 8263)

CHILD CARE AND DEVELOPMENT (continued)

(cf. 5141.22 - *Infectious Diseases*)

Note: Health and Safety Code 1596.7996, as added by AB 2370 (Ch. 676, Statutes of 2018), requires licensed child care programs to provide parents/guardians of enrolled children with a flyer developed by CDSS in conjunction with the California Department of Public Health, which contains specified information regarding lead exposure and blood testing. The flyer is available on the CDSS web site.

Pursuant to Health and Safety Code 1597.16, as added by AB 2370, a licensed child care center located in a building constructed before January 1, 2010 will be required to have its drinking water tested for lead contamination levels between January 1, 2020 and January 1, 2023, and every five years after the date of the initial test. At that time the child care center must notify parents/guardians of enrolled children of the requirement to test the drinking water and of the test results.

When a child enrolls or reenrolls in a licensed child care program, the center shall provide the child's parent/guardian with written information on the risks and effects of lead exposure, blood lead testing recommendations and requirements, and options for obtaining blood lead testing, including any state or federally funded programs that offer free or discounted tests. (Health and Safety Code 1596.7996)

Attendance

Sign-in and sign-out sheets shall be used daily for all children for attendance accounting purposes. Attendance records shall include verification of excused absences, including the child's name, date(s) of absence, specific reason for absence, and signature of parent/guardian or district representative. (5 CCR 18065, 18066)

Absences shall be excused for the following reasons:

1. Illness or quarantine of the child or of the parent/guardian (Education Code 8208)
2. Family emergency (Education Code 8208)

Note: Pursuant to 5 CCR 18066, districts contracting with CDE to offer child care services are **mandated** to adopt policies delineating circumstances constituting an excused absence for a family emergency. The following paragraph may be revised to reflect district practice.

A family emergency shall be considered to exist when unforeseen circumstances cause the need for immediate action, such as may occur in the event of a natural disaster or when a member of the child's immediate family dies, has an accident, or is required to appear in court.

3. Time spent with a parent/guardian or other relative as required by a court of law (Education Code 8208)

CHILD CARE AND DEVELOPMENT (continued)

4. Time spent with a parent/guardian or other relative which is clearly in the best interest of the child (Education Code 8208)

Note: 5 CCR 18066 **mandates** a policy that delineates circumstances constituting an excused absence "in the best interest of the child." The following paragraph may be revised to reflect district practice.

An absence shall be considered to be in the best interest of the child when the time is spent with the child's parent/guardian or other relative for reasons deemed justifiable by the program coordinator or site supervisor.

Except for children who are recipients of child protective services or are at risk of abuse or neglect, excused absences in the best interest of the child shall be limited to 10 days during the contract period. (5 CCR 18066)

Note: 5 CCR 18066 **mandates** that providers adopt a policy governing unexcused absences which may include reasonable limitations, if any. The following paragraph may be revised to reflect district practice.

Any absence due to a reason other than any of those stated above, or without the required verification, shall be considered an unexcused absence. After three unexcused absences during the year, the program coordinator or site supervisor shall notify the child's parent/guardian. Children who continue to have excessive unexcused absences may be removed from the program at the discretion of the program coordinator in order to accommodate other families on the waiting list for admission.

Parents/guardians shall be notified of the policies and procedures related to excused and unexcused absences for child care and development services. (5 CCR 18066)

Rights of Parents/Guardians

Note: The following two paragraphs are for use by districts that operate one or more licensed child care centers, but may be used by license-exempt providers.

At the time a child is accepted into a licensed child care and development center, the child's parent/guardian or authorized representative shall be notified of the rights specified in 22 CCR 101218.1, including, but not limited to, the right to enter and inspect the child care facility and the right to be informed, upon request, of the name and type of association to the center of any adult who has been granted a criminal record exemption. (Health and Safety Code 1596.857; 22 CCR 101218.1)

The written notice of parent/guardian rights also shall be permanently posted within the facility in a location accessible to parents/guardians. Notwithstanding these rights, access to

CHILD CARE AND DEVELOPMENT (continued)

the facility may be denied to an adult whose behavior presents a risk to children present in the facility or to noncustodial parents/guardians when so requested by the responsible parent/guardian. (Health and Safety Code 1596.857)

Note: The remainder of this section is for use by all districts and applies to licensed and unlicensed child care programs.

In addition, if a parent/guardian disagrees with any district action to deny a child's eligibility for subsidized child care services, disenroll the child due to a funding shortage, increase or decrease fees, increase or decrease the amount of services, terminate services, or otherwise change the level of services, the parent/guardian may file a request for a hearing with the Superintendent or designee within 14 calendar days of the date the Notice of Action was received. Within 10 calendar days of receiving the request for a hearing, the Superintendent or designee shall notify the parent/guardian of the time and place of the hearing, which, to the extent possible, shall be convenient for the parent/guardian. (5 CCR 18120)

The hearing shall be conducted in accordance with the procedures specified in 5 CCR 18120 by a district administrator who is at a staff level higher in authority than the staff person who made the contested decision. Within 10 calendar days after the hearing, the district administrator shall mail or deliver a written decision to the parent/guardian. If the parent/guardian disagrees with the written decision, the parent/guardian may, within 14 calendar days, appeal the decision to the CDE. (5 CCR 18120-18122)

Records

Note: CDE contracts require the district to submit data on both subsidized and nonsubsidized families served by child care centers. In addition, the district is required to provide monthly reports, through CDE's online management information system, regarding any families receiving subsidized services during that month.

The Superintendent or designee shall maintain records of enrollment, attendance, types of families served, income received from all families participating in the district's child care and development program, and any other records required by CDE.

(cf. 3580 - District Records)

(cf. 5125 - Student Records)

BEFORE/AFTER SCHOOL PROGRAMS

The Board of Education desires to provide before-school and/or after-school enrichment programs that support the regular education program in a supervised environment. In order to increase academic achievement of participating students, the content of such programs shall be coordinated with the district's vision and goals for student learning, local control and accountability plan, curriculum, and academic standards.

(Education Code 8422, 8482.5)

Any program to be established shall be approved by the Board and the principal of each participating school. (Education Code 8421, 8482.3)

The Superintendent or designee shall ensure that all staff who directly supervise students in the district's before-school and/or after-school program possess appropriate knowledge and experience. As needed, staff and volunteers shall receive ongoing training related to their job responsibilities.

BEFORE/AFTER SCHOOL PROGRAMS (continued)

A family fee may be charged to participating families based on the actual cost of services, as long as the fee is waived or reduced for families with students who are eligible for free or reduced-price meals. (Education Code 8422, 8482.6)

In regard to the After School Education and Safety program and/or 21st Century Community Learning Center program, no fee shall be charged for a student identified as a homeless or foster youth. (Education Code 8482.6)

(cf. 3553 - Free and Reduced Price Meals)

(cf. 6173 - Education for Homeless Children)

(cf. 6173.1 - Education for Foster Youth)

Eligible students ages 11-12 years shall be placed in a before-school or after-school program, if and when available, rather than subsidized child care and development services. During the time that the before-school or after-school program does not operate, such students may be provided the option of enrolling in child care and development services in accordance with the priorities established in AR 5148 - Child Care and Development. (Education Code 8263.4)

The Board and the Superintendent or designee shall monitor student participation rates and shall identify multiple measures that shall be used to evaluate program effectiveness. Such measures may include, but are not limited to, student outcome data; program self-assessments; feedback from staff, participating students, and parents/guardians; and observations of program activities.

(cf. 0500 - Accountability)

Every three years, the Superintendent or designee shall review the after-school program plan, including, but not limited to, program goals, program content, and outcome measures. Documentation of the program plan shall be maintained for a minimum of five years.

- b. The parents/guardians are engaged in vocational training leading directly to a recognized trade, paraprofession, or profession; are engaged in an educational program for English language learners or for the attainment of a high school diploma or general educational development certificate; are employed or seeking employment; are seeking permanent housing for family stability; or are incapacitated.

The Superintendent or designee shall consult the county's centralized eligibility list, when available, or shall maintain a district waiting list in accordance with admission priorities. As vacancies occur, applicants shall be contacted in order of their priority. (5 CCR 18106)

First priority for enrollment in a preschool program shall be given to neglected or abused children ages 3-4 who are recipients of child protective services or who, based upon written referral from a legal, medical, or social service agency, are at risk of being neglected, abused, or exploited. If unable to enroll a child in this category, the district shall refer the child's parent/guardian to local resource and referral services so that services for the child can be located. (Education Code 8236; 5 CCR 18131)

(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)

(cf. 1700 - Relations Between Private Industry and the Schools)

After all children with first priority are enrolled, the district shall give second priority to eligible children 4 years of age who are not enrolled in a transitional kindergarten (TK) program prior to enrolling eligible children 3 years of age. (Education Code 8236)

After all otherwise eligible children have been enrolled, the program may provide services to children with disabilities who are ages 3-4 and whose family income is above the income eligibility threshold. (Education Code 8235)

In addition, after enrolling all eligible children, up to 10 percent of the program's enrollment, calculated throughout the entire contract, may be filled with children who exceed the age limitations and children whose family income exceeds the income eligibility threshold by no more than 15 percent. (Education Code 8235; 5 CCR 18133)

The district may certify eligibility and enrollment up to 120 calendar days prior to the first day of the beginning of the preschool year. After establishing eligibility at the time of initial enrollment, a child shall remain eligible for the remainder of the program year. (Education Code 8237; 5 CCR 18082)

The district's decision to approve or deny a child's enrollment shall be communicated to the family through a written Notice of Action mailed or delivered within 30 days from the date the application is signed by the parent/guardian. (5 CCR 18094, 18095, 18118)

(cf. 5145.6 - Parental Notifications)

PRESCHOOL/EARLY CHILDHOOD EDUCATION (continued)

Subsequently, the Superintendent or designee shall mail or deliver a Notice of Action to a parent/guardian at least 14 calendar days before any intended change in services, including, but not limited to, an increase or decrease in fees, an increase or decrease in the amount of services, or termination of services, due to any of the following circumstances: (5 CCR 18095, 18119)

1. A determination during recertification or update of the application that the need or eligibility requirements are no longer being met or the fee or amount of service needs to be modified
2. Failure of the parent/guardian to document the family's need or eligibility after the district requested such documentation in writing
3. An indication by the parent/guardian that he/she no longer wants the service
4. The death of a parent/guardian or child
5. The conclusion of a limited-term agreement, provided that the parent/guardian has been informed in writing of the date that the services would terminate

For each child enrolled in the district's preschool program, the Superintendent or designee shall maintain a family data file including, but not limited to, a completed and signed application for services, documentation of income eligibility, and a copy of all Notices of Action. For each child not receiving subsidized services, the family data file shall also include records of the specific reason(s) for enrolling each child, the child's family income, and evidence that the district has made a diligent search for children eligible for subsidized services. (5 CCR 18130, 18133, 18081, 18084)

(cf. 1340 - Access to District Records)

(cf. 3580 - District Records)

(cf. 5125 - Student Records)

Combined Preschool/Transitional Kindergarten Classroom

When a child is eligible for both the preschool program and the district's TK program, the district may place the child in a classroom which is commingled with children from both programs as long as the commingled program meets all of the requirements of each program as well as the following requirements: (Education Code 8235, 48000)

1. An early childhood environment rating scale, as specified in 5 CCR 18281, shall be completed for the classroom.
2. All children enrolled for 10 or more hours per week shall be evaluated using the Desired Results Developmental Profile, as specified in 5 CCR 18272.

PRESCHOOL/EARLY CHILDHOOD EDUCATION (continued)

3. The classroom shall be taught by a teacher who holds a credential issued by the Commission on Teacher Credentialing in accordance with Education Code 44065 and 44256.
4. The classroom shall comply with the adult-child ratio specified in Education Code 8264.8.
5. Contractors of the district shall report the services, revenues, and expenditures for children in the preschool program in accordance with 5 CCR 18068.
6. The classroom shall not include children enrolled in TK for a second year or children enrolled in a regular kindergarten classroom.

(cf. 5111 - Admission)

(cf. 6170.1 - Transitional Kindergarten)

Fees and Charges

Fees for participation in the district's preschool program shall be assessed and collected in accordance with the fee schedule established by the Superintendent of Public Instruction (SPI). (Education Code 8273; 5 CCR 18078)

(cf. 3260 - Fees and Charges)

However, no fee shall be charged to an income-eligible family whose child is enrolled in a part-day preschool program or a family that is receiving CalWORKs cash aid. (Education Code 8273.1; 5 CCR 18110)

A family may be exempt from the fees for up to 12 months if the child qualifies for preschool on the basis of being the recipient of child protective services or as being, or at risk of being, abused or neglected. (Education Code 8273.1)

The Superintendent or designee shall establish a process that involves parents/guardians in determining whether to require parents/guardians to provide diapers and/or whether and how much to charge parents/guardians for field trip expenses, within the limit specified in law. A child shall not be denied participation in a field trip due to the parent/guardian's inability or refusal to pay the fee, and no adverse action shall be taken against a parent/guardian for that inability or refusal. (Education Code 8273.3)

Disenrollment Based on Reduced Funding

When necessary due to a reduction in state reimbursements, families shall be disenrolled in the following order: (Education Code 8236, 8263.3)

PRESCHOOL/EARLY CHILDHOOD EDUCATION (continued)

1. Children 3 years of age whose families have the highest income in relation to family size shall be disenrolled first, followed by children 4 years of age whose families have the highest income in relation to family size.

At each age level, if two or more families have the same income ranking, the child with disabilities shall be disenrolled last. If there are no families that have a child with disabilities, the child who has received services the longest shall be disenrolled first.

2. Families of children 3 or 4 years of age who are receiving child protective services or who have been documented to be at risk of being neglected or abused, regardless of income, shall be disenrolled last.

Expulsion/Unenrollment Based on Behavior

A district preschool program shall not expel or unenroll a child based on the child's behavior, unless the district first takes the following actions to address the child's behavior: (Education Code 8239.1)

1. Inform the parents/guardians of the child's persistent and serious challenging behaviors and consult with the parents/guardians and teacher in an effort to maintain the child's safe participation in the program
2. If the child has an individualized family service plan (IFSP) or individualized education program (IEP), with written parent/guardian consent, contact the agency or district employee responsible for such plan or program to seek consultation in regard to serving the child

(cf. 6159 - Individualized Education Program)

3. If the child does not have an IFSP or IEP, consider if it is appropriate to complete a universal screening of the child, including, but not limited to, screening the child's social and emotional development, referring the parents/guardians to community resources, implementing behavior supports within the program, and considering an IEP for the child

If the district has taken the actions specified in items #1-3 above and the child's continued enrollment would present a serious safety threat to the child or other enrolled children, the district shall refer the parents/guardians to other potentially appropriate placements, the local child care resource and referral agency, or any other referral service available in the local community. Within 180 days of the start of the process, the district may unenroll the child. (Education Code 8239.1)

PRESCHOOL/EARLY CHILDHOOD EDUCATION (continued)

Children with disabilities may only be suspended or expelled in conformance with the procedures and limitations of the Individuals with Disabilities Education Act.

Parent Hearing

If a parent/guardian disagrees with any district action to deny his/her child's eligibility for subsidized preschool services, disenroll the child due to a funding shortage, increase or decrease fees, increase or decrease the amount of services, terminate services, or otherwise change the level of services, he/she may file a request for a hearing with the Superintendent or designee within 14 calendar days of the date the Notice of Action was received. Within 10 calendar days of receiving the request for a hearing, the Superintendent or designee shall notify the parent/guardian of the time and place of the hearing, which, to the extent possible, shall be convenient for the parent/guardian. (5 CCR 18120)

The hearing shall be conducted in accordance with the procedures specified in 5 CCR 18120 by a district administrator who is at a staff level higher in authority than the staff person who made the contested decision. Within 10 calendar days after the hearing, the district administrator shall mail or deliver a written decision to the parent/guardian. If the parent/guardian disagrees with the written decision, he/she may, within 14 calendar days, appeal the decision to CDE. (5 CCR 18120-18122)
