(cf. 3554 - Other Food Sales)

Class parties or celebrations shall be held after the lunch period when possible.

To reinforce the district's nutrition education program, the Board prohibits the marketing and advertising of foods and beverages that do not meet nutrition standards for the sale of foods and beverages on campus during the school day. (Education Code 49431.9; 7 CFR 210.31)

At the beginning of each school year, the Superintendent or designee shall enroll any eligible child who will have his/her fifth or sixth birthday on or before September 1 of that year into kindergarten or first grade, as applicable. (Education Code 48000, 48010)

Any child who will have his/her fifth birthday from September 2 through December 2 of the school year shall be offered a transitional kindergarten (TK) program in accordance with law and Board policy. (Education Code 48000)

(cf. 5123 - Promotion/Acceleration/Retention)

(cf. 6170.1 - Transitional Kindergarten)

On a case-by-case basis, a child who will turn five years old in a given school year may be enrolled in kindergarten or TK at any time during that school year with the approval of the child's parent/guardian, provided that: (Education Code 48000)

1. The Board of Education determines that admittance is in the best interest of the child.
2. The parent/guardian is given information regarding the advantages and disadvantages and any other explanatory information about the effect of this early admittance.

(cf. 5145.6 - Parental Notifications)

The Superintendent or designee shall make a recommendation to the Board regarding whether a child should be granted early entry to kindergarten. In doing so, the Superintendent or designee shall consider various factors including the availability of classroom space and any negotiated maximum class size.

(cf. 6151 - Class Size)

(cf. 7111 - Evaluating Existing Buildings)

Documentation of Age/Grade

Prior to the admission of a child to kindergarten or first grade, the parent/guardian shall present proof of the child's age. (Education Code 48002)

Evidence of the child's age may include: (Education Code 48002)

1. A certified copy of a birth certificate or a statement by the local registrar or county recorder certifying the date of birth
2. A duly attested baptism certificate

ADMISSION (continued)

3. A passport
4. When none of the above documents is obtainable, an affidavit of the parent/guardian
5. Other means prescribed by the Board

DISTRICT RESIDENCY

The Board of Education desires to admit all students who reside within district boundaries or who fulfill the district residency requirements through other means as allowed by law. The Superintendent or designee shall develop procedures to facilitate the receipt and verification of students' proof of residency.

(cf. 5116 - School Attendance Boundaries)

The Superintendent or designee shall annually notify parents/guardians of all existing attendance options available in the district, including, but not limited to, all options for meeting residency requirements for school attendance. (Education Code 48980)

(cf. 5116.1 - Intradistrict Open Enrollment)

(cf. 5117 - Interdistrict Attendance)

(cf. 5145.6 - Parental Notifications)

The Superintendent or designee shall require parents/guardians to provide documentation of the student's residency upon admission to a district school. A copy of the document or written statement offered as verification of residency shall be maintained in the student's mandatory permanent record. (5 CCR 432)

(cf. 5111 - Admission)

(cf. 5125 - Student Records)

When establishing students' residency for enrollment purposes, the Superintendent or designee shall not inquire into the citizenship or immigration status of students or their family members.

(cf. 5145.13 - Response to Immigration Enforcement)

A student's enrollment may be denied when the submitted documentation is insufficient to establish district residency. In any such case, the Superintendent or designee shall notify the parent/guardian in writing, including specific reasons for the denial.

Investigation of Residency

When the Superintendent or designee reasonably believes that a student's parent/guardian has provided false or unreliable evidence of residency, he/she may make reasonable efforts to determine that the student meets district residency requirements. An investigation may be initiated when the Superintendent or designee is able to identify specific, articulable facts supporting the belief that the parent/guardian has provided false or unreliable evidence of residency. (Education Code 48204.1, 48204.2)

The Superintendent or designee may assign a trained district employee to conduct the investigation. The investigation may include the examination of records, including public records, and/or interviews of persons who may have knowledge of the student's residency.

DISTRICT RESIDENCY (continued)

If necessary, the Superintendent or designee may employ the services of a private investigator to conduct the investigation. Before hiring a private investigator, the Superintendent or designee shall make other reasonable efforts to determine whether the student resides in the district. (Education Code 48204.2)

The investigation shall not include the surreptitious collection of photographic or videographic images of persons or places subject to the investigation. However, the use of technology is not prohibited if done in open and public view. (Education Code 48204.2)

Any employee or contractor engaged in the investigation shall truthfully identify himself/herself as an investigator to individuals contacted or interviewed during the course of the investigation. (Education Code 48204.2)

Appeal of Enrollment Denial

If the Superintendent or designee, upon investigation, determines that a student does not meet district residency requirements and denies the student's enrollment in the district, he/she shall provide the student's parent/guardian an opportunity to appeal that determination. (Education Code 48204.2)

The Superintendent or designee shall send the student's parent/guardian written notice specifying the basis for the district's determination. This notice shall also inform the parent/guardian that he/she may, within 10 school days, appeal the decision and provide new evidence of residency.

The burden shall be on the parent/guardian to show why the district's determination to deny enrollment should be overruled. (Education Code 48204.2)

A student who is currently enrolled in the district shall be allowed to remain in attendance at his/her school pending the results of the appeal. A student who is not currently enrolled in the district shall not be permitted to attend any district school unless his/her appeal is successful.

In an appeal to the Superintendent of a determination that district residency requirements were not met, the Superintendent shall review any evidence provided by the parent/guardian or obtained during the district's investigation and shall make a decision within 10 school days of receipt of the parent/guardian's request for the appeal. The Superintendent's decision shall be final.

Enrollment Not Requiring District Residency

When approved by the Board and the appropriate agency, the district may enroll students from other countries who are in the United States on an F-1 visa or are participating in an international exchange program under the sponsorship of a government-approved agency.

(cf. 5111.2 - Nonresident Foreign Students)

Residency Based on Parent/Guardian Employment (Allen Bill Transfers)

District residency status may be granted to a student if at least one of his/her parents/guardians is physically employed within district boundaries for a minimum of 10 hours during the school week. No student seeking residency on this basis shall be denied enrollment based on race, ethnicity, sex, parental income, scholastic achievement, or any of the individual characteristics set forth in Education Code 220. However, the Superintendent or designee may deny enrollment into the district if any of the following circumstances is present: (Education Code 48204)

1. The additional cost of educating the student would exceed the amount of additional state aid received as a result of the transfer.
2. Enrollment of the student would adversely affect the district's court-ordered or voluntary desegregation plan as determined by the Board of Education.
3. Other circumstances exist that are not arbitrary.

Such circumstances may include, but are not limited to, overcrowding of school facilities at the relevant grade level.

Once a student establishes residency on this basis, he/she shall not be required to reapply for enrollment in subsequent years. The student may continue to attend school in the district through the highest grade level offered by the district if the parent/guardian so chooses and if at least one parent/guardian of the student continues to be physically employed by an employer situated within district boundaries, subject to the exceptions in items #1-3 above. (Education Code 48204)

The Superintendent or designee may deny a transfer out of the district by a student whose parent/guardian is employed within the boundaries of another district if the difference between the number of students entering and exiting the district on the basis of parent/guardian employment exceeds the limits prescribed in Education Code 48204. (Education Code 48204)

DISTRICT RESIDENCY (continued)

Proof of Residency

The district shall not solicit or collect information or documents regarding the citizenship or immigration status of students or their family members for the purpose of determining residency within the district. (Education Code 234.7)

Evidence of residency must be established by documentation showing the name and address of the parent/guardian within the district, including, but not limited to, at least four of any of the following: (Education Code 48204.1)

2. Rental property contract, lease, or payment receipt
3. Utility service contract, statement, or payment receipt
4. Pay stub
5. Voter registration
6. Correspondence from a government agency
7. Declaration of residency executed by the student's parent/guardian
8. If the student is an unaccompanied youth as defined in 42 USC 11434a, a declaration of residency executed by the student
9. If the student is residing in the home of a caregiving adult within district boundaries, an affidavit executed by the caregiving adult in accordance with Family Code 6552

(cf. 5141 - Health Care and Emergencies)

A parent/guardian seeking residency status on the basis of his/her employment within district boundaries shall submit proof of the employment which may include, but not be limited to, a paycheck stub or letter from his/her employer listing a physical address within district boundaries. Such evidence shall also indicate the number of hours or days per school week that the parent/guardian is employed at that location.

A parent/guardian who is transferred or pending transfer into a military installation within the state shall provide proof of residence in the district within 10 days after the published arrival date provided on official documentation. For this purpose, he/she may use as his/her address a temporary on-base billeting facility, a purchased or leased home or apartment, or federal government or public-private venture off-base military housing. (Education Code 48204.3)

DISTRICT RESIDENCY (continued)

A student whose parent/guardian's departure from the state occurred against his/her will pursuant to item #10 in the section "Criteria for Residency" above shall be in compliance with district residency requirements if he/she provides official documentation of the parent/guardian's departure and evidence demonstrating that the student was enrolled in a public school in California immediately before moving outside the state. (Education Code 48204.4)

Any homeless or foster youth or student who has had contact with the juvenile justice system shall be immediately enrolled in school even if he/she is unable to provide proof of residency. (Education Code 48645.5, 48852.7, 48853.5; 42 USC 11432)

(cf. 6173.3 - Education for Juvenile Court School Students)

Safe at Home/Confidential Address Program

When a student or parent/guardian participating in the Safe at Home program requests that the district use the substitute address designated by the Secretary of State, the Superintendent or designee may request the actual residence address for the purpose of establishing residency within district boundaries but shall use the substitute address for all future communications and correspondence and shall not include the actual address in the student's file or any other public record. (Government Code 6206, 6207)

(cf. 3580 - District Records)

NONRESIDENT FOREIGN STUDENTS

The Superintendent or designee shall, on behalf of the district, seek and obtain from the U.S. Department of Homeland Security's (DHS) Student and Exchange Visitor Program (SEVP) certification of eligibility to enroll nonimmigrant foreign students in district schools and recertification for the continuing eligibility of the district every two years. (8 CFR 214.3)

(cf. 6145.6 - International Exchange)

On a case-by-case basis, the Superintendent or designee may accept for admission into any of grades 9-12 any nonimmigrant foreign student with or seeking an F-1 visa. Any such student shall be admitted for a maximum of one year and shall pay the district the full, unsubsidized per-student cost of attendance at the school. (8 USC 1184)

(cf. 5111.1 - District Residency)

In determining whether to admit a student, the Superintendent or designee shall consider whether the following conditions exist: (8 CFR 214.3; 22 CFR 41.61)

1. A suitable program exists at the school the student has selected.
2. The student's English proficiency is sufficient for successful study at that school.
3. Space is available at the school.
4. The student has provided proof of financial responsibility.

In addition to fulfilling all other requirements for school entry, the student shall submit evidence that he/she has been fully immunized in accordance with California law.

(cf. 5141.31 - Immunizations)

In accordance with law, the Superintendent or designee shall retain and, when required, report to DHS any records for nonimmigrant foreign students required for the operation of the SEVP. Upon request, he/she also shall furnish to DHS representatives other records maintained by the district for nonimmigrant foreign students. (8 CFR 214.3)

(cf. 5125 - Student Records)

STUDENT LEAVE OF ABSENCE

The Board of Education recognizes the importance of regular school attendance in promoting student achievement. However, the Board also recognizes that, in rare circumstances, it may be beneficial for a student to participate in opportunities outside the school which contribute to his/her educational experience.

The Superintendent or designee may grant student leaves of absence for the purpose of supervised travel, study, training, or work not available to the student under another educational option. Such leave may be granted to a student 15 years of age or older in the regular program and to a student age 16-18 in the continuation education program. (Education Code 48232, 48416)

(cf. 6184 - Continuation Education)

No more than one percent of the students enrolled and attending a school shall be granted a leave of absence during any school year. (Education Code 48232, 48416)

When feasible, students shall be encouraged to instead enroll in the district's independent study program to allow for greater contact and coordination with district staff.

STUDENT LEAVE OF ABSENCE

Upon request, the Superintendent or designee may grant a student a leave of absence from school for the purpose of supervised travel, study, training, or work. To be eligible for such leave, the student shall, at the time the leave of absence is to begin, be at least 15 years of age or, if he/she is enrolled in continuation education classes or exempted from continuation education classes pursuant to Education Code 48410, be 16-18 years of age. (Education Code 48232, 48416)

A written agreement shall be entered into that is signed by the student's parent/guardian, the principal or designee of the school which the student would otherwise attend, a classroom teacher familiar with the student's academic progress, and the district's supervisor of child welfare and attendance. In the case of a continuation education student, the student also shall sign the written agreement. The agreement shall include: (Education Code 48232, 48416)

1. The purpose of the leave
2. The length of the leave
3. Provision for a meeting or contact between the student and a designated school official at least once a month while the student is on leave
4. A statement that the leave is for the purpose of supervised travel, study, training, or work not available to the student under another educational option

The length of the leave may be up to one semester, or up to two semesters for a continuation education student. The leave may be extended for an additional semester upon approval of all parties to the written agreement and the local school attendance review board. No leave of absence may be taken that would continue past the end of the school year in which the leave is taken. (Education Code 48232, 48416)

(cf. 5113.1 - Chronic Absence and Truancy)

The student shall be permitted to return to school at any time and shall not be prevented from completing his/her academic requirements within a time period equal to that of his/her classmates who did not take leave, plus a period of time equal to the leave of absence. If the student reenrolls at a time other than the beginning of a semester, the school shall not be required to provide make-up sessions for classes missed. (Education Code 48232, 48416)

If the student does not contact the designated school official as required by the written agreement, the leave shall be nullified. The agreement also may be nullified for cause at any time by any party to the agreement. (Education Code 48232, 48416)

OPEN/CLOSED CAMPUS

Open Campus

In order to give students an opportunity to demonstrate responsibility, independent judgment, and positive citizenship, the Board of Education establishes an open campus at all district high schools in which students shall have the privilege of leaving campus during lunch.

The principal or designee shall ensure that students granted this privilege meet any eligibility requirements established by the district.

The district shall send written notification to parents/guardians about the open campus policy at the beginning of the school year along with the parental notification required by Education Code 48980. Such notification shall include the language prescribed by Education Code 44808.5.

(cf. 5145.6 - Parental Notifications)

Students shall not leave school grounds at any other time during the school day without express permission of school authorities. Students who leave school without authorization shall be considered to have an unexcused absence and be subject to disciplinary action.

CHRONIC ABSENCE AND TRUANCY

The Board of Education believes that absenteeism, whatever the cause, may be an early warning sign of poor academic achievement and may put students at risk of dropping out of school. The Board desires to ensure that all students attend school in accordance with the state's compulsory education law and take full advantage of educational opportunities provided by the district.

(cf. 5113 - Absences and Excuses)

(cf. 5113.11 - Attendance Supervision)

The Superintendent or designee shall establish a system to accurately track student attendance in order to identify individual students who are chronic absentees and truants, as defined in law and administrative regulation, and to identify patterns of absence throughout the district. He/she shall provide the Board with data on school attendance, chronic absence, and truancy rates districtwide, for each school, and disaggregated for each numerically significant student subgroup as defined in Education Code 52052. Such data shall be used in the development of annual goals and specific actions for student attendance and engagement to be included in the district's local control and accountability plan and other applicable school and district plans.

The Superintendent or designee also shall develop strategies that enable early outreach to students as soon as they show signs of poor attendance.

CHRONIC ABSENCE AND TRUANCY (continued)

Interventions for students with serious attendance problems shall be designed to meet the specific needs of the student and may include, but are not limited to, health care referrals, transportation assistance, counseling for mental or emotional difficulties, academic supports, efforts to address school or community safety concerns, discussions with the student and parent/guardian about their attitudes regarding schooling, or other strategies to remove identified barriers to school attendance. The Superintendent or designee may collaborate with child welfare services, law enforcement, courts, public health care agencies, other government agencies, and/or medical, mental health, and oral health care providers to make alternative educational programs and support services available for students and families.

(cf. 6185 - Community Day School)

Students who are identified as truant shall be subject to the interventions specified in law and administrative regulation.

(cf. 5113.12 - District School Attendance Review Board)

A student's truancy, tardiness, or other absence from school shall not be the basis for his/her suspension or expulsion. Alternative strategies and positive reinforcement for attendance shall be used whenever possible.

(cf. 5144 - Discipline)

(Education Code 60901)

Truant means a student who is absent from school without a valid excuse three full days in one school year, or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof. (Education Code 48260)

Habitual truant means a student who has been reported as a truant three or more times within the same school year, provided the district has made a conscientious effort to hold at least one conference with the student and his/her parent/guardian after either of the two previous reports. DISTRICT SCHOOL ATTENDANCE REVIEW BOARD

Upon receiving a referral of a student with attendance and/or behavior problems, a designated member of the school attendance review board (SARB) shall review the case and may meet with school personnel to determine whether the school has provided sufficient information about the student's attendance record or behavior. If the referral is complete and is an appropriate matter for the SARB to consider, the SARB chairperson shall provide written notification to the student's parents/guardians stating the reasons a referral has been made, explaining the SARB process, advising whether additional information is needed, and describing school-level interventions that have previously been attempted.

The SARB shall meet with the student and his/her parents/guardians, give them an opportunity to present their understanding of the problem, and discuss the school and/or community resources appropriate for the student's circumstances.

Any SARB meeting to consider matters related to an individual student shall be held in closed session unless the parent/guardian requests, in writing, that the meeting be held in open session.

(cf. 9321 - Closed Session Purposes and Agendas)

The SARB shall have access to relevant student records, but shall not provide access to others without written consent of the student's parent/guardian. (Education Code 49076)

(cf. 5125 - Student Records)

For the limited purpose of making a proper disposition of the referral of a student, the SARB may issue subpoenas pursuant to Code of Civil Procedure 1985-1997 or may request the juvenile court to issue subpoenas to require the attendance of the student, parents/guardians or other person having control of the student, the school authority referring the student, or any other person who has pertinent or material information concerning the matter. The SARB shall not issue any subpoena that includes a request for production of written materials, but may request a juvenile court to issue such subpoena for the production of written materials. (Education Code 48263, 48321.5)

The SARB shall issue written directives stating the responsibilities of all persons involved, detailed resource referrals, and follow-up dates for the school's reports on the student's progress. The written directives shall include an agreement that the student will attend school or improve classroom behavior as applicable, and shall be signed by the student, his/her parents/guardians, the SARB chairperson, and the Superintendent or designee.

When referred by the SARB, a student may be assigned to a community day school or a county community school. (Education Code 1981, 48662)

(cf. 6185 - Community Day School)

DISTRICT SCHOOL ATTENDANCE REVIEW BOARD (continued)

At any time it deems proper, the SARB may require the student or his/her parents/guardians to furnish satisfactory evidence of participation in any available community services that the student or parents/guardians have been directed to use. (Education Code 48263)

Based on progress reports submitted by the school, the SARB may terminate the agreement upon the successful completion of the terms of the agreement, extend the time for completion of the agreement, or schedule another meeting with the student and his/her parents/guardians.

If the student's attendance or behavior problems cannot be resolved by the SARB, or if the student and/or the student's parents/guardians continually and willfully fail to respond to SARB directives or the services provided, the student or parents/guardians shall be referred to the appropriate agency, including law enforcement agencies when necessary. (Education Code 48263, 48290-48291)

WORK PERMITS

The Board of Education recognizes that part-time employment can provide students with income as well as job experience that can help them develop appropriate workplace skills and attitudes. Upon obtaining an offer of employment, district students who are minors shall obtain work permits from the Superintendent or designee in accordance with law, regardless of whether the employment will occur when school is in session and/or not in session.

(cf. 6178 - Career Technical Education)

In determining whether to grant or continue a work permit, the Superintendent or designee shall consider whether employment is likely to significantly interfere with the student's schoolwork. Students granted work permits must demonstrate and maintain a 2.0 grade point average and satisfactory school attendance. On a case-by-case basis, the Superintendent or designee may approve a maximum work hour limit that is lower than the limit specified in law and administrative regulation.

(cf. 5121 - Grades/Evaluation of Student Achievement)

Students with work permits may be exempted from attendance in a full-time day school provided they attend part-time classes. (Education Code 48230)

(cf. 5112.1 - Exemptions from Attendance)

Work permits shall be limited to part-time employment as defined by law, except when the Superintendent or designee determines that circumstances warrant the granting of a permit for full-time employment.

Any student authorized to work full time when school is in session shall be enrolled in part-time continuation classes. A student age 14 or 15 who receives a permit to work full time shall also be enrolled in a work experience education program. (Education Code 49130, 49131, 49135)

WORK PERMITS

Before accepting employment, a student under the age of 18 who is subject to the state's compulsory attendance law, including students who have not yet graduated from high school or have not received a certificate of proficiency, shall obtain a work permit.

(cf. 5112.1 - Exemptions from Attendance)

(cf. 6146.1 - High School Graduation Requirements)

(cf. 6146.2 - Certificate of Proficiency/High School Equivalency)

The district may issue a permit authorizing employment while school is in session, including employment connected with a work experience education program pursuant to Education Code 51760-51769.5, to a minor student age 14-17. The district also may issue a permit to any minor age 12-17 to be employed during a regular school holiday, during a regular or specified occasional public school vacation, and when the student is exempt from compulsory school attendance because he/she arrived from another state within 10 days before the end of the school term pursuant to Education Code 48231. (Education Code 49111, 49113, 49160)

(cf. 6178.1 - Work-Based Learning)

If a minor has obtained an offer of employment in the entertainment industry, he/she shall request a work permit from the California Department of Industrial Relations, Division of Labor Standards Enforcement, pursuant to Labor Code 1308.5 and 8 CCR 11752-11753.

A student shall not be required to obtain a work permit if he/she is self-employed; is working at odd jobs such as yard work and babysitting in private homes where he/she is not regularly employed; is a self-employed news carrier delivering newspapers to consumers on a regular route; is employed by his/her parent/guardian in domestic labor on or in connection with premises the parent/guardian owns, operates, or controls; or is otherwise exempted by law.

Persons Authorized to Issue Work Permits

The following individuals are authorized to issue a work permit to a minor student in the district: (Education Code 49110)

1. The Superintendent
2. An employee holding a services credential with a specialization in pupil personnel services or a certificated work experience education teacher or coordinator, when authorized by the Superintendent in writing
3. A principal, or another school administrator designated by the principal, provided that he/she:

WORK PERMITS (continued)

- a. Provides a self-certification that he/she understands the requirements of law for issuing a work permit
- b. Does not issue a work permit to his/her own child

If the person designated to issue work permits is not available and delay in issuing a permit would jeopardize a student's ability to secure work, the Superintendent may authorize another person to issue the permit. (Education Code 49110)

Approval Process

The student's parent/guardian, foster parent, caregiver with whom the student resides, or residential shelter services provider shall file a written request for a work permit. (Education Code 49110)

The request for a work permit shall be submitted to the Superintendent or designee on a form approved by the California Department of Education (CDE). The Superintendent or designee shall have discretion to determine whether or not to issue the work permit.

In determining whether to approve a work permit, the Superintendent or designee shall verify the student's date of birth, the type of work permit to be issued, and whether the student meets any other criteria established by the Board of Education. The Superintendent or designee may inspect the student's records and/or may confer with at least one of the student's teachers for evidence of satisfactory grades and school attendance and to determine whether the student possesses the motivation and maturity to maintain academic progress while working.

(cf. 5121 - Grades/Evaluation of Student Achievement)

Minors shall not be approved to work in environments declared hazardous or dangerous for young workers or otherwise prohibited by child labor laws. (Labor Code 1290-1298; 29 CFR 570.33, 570.50-570.72)

The Superintendent or designee shall ensure that the requested work hours do not exceed the maximum work hours specified in law based on the student's age and whether the employment will occur while school is in session and/or not in session. (Education Code 49111, 49112, 49116; Labor Code 1391-1391.1; 29 CFR 570.35)

Full-time employment may be authorized for students age 14-17 only in accordance with Education Code 49130-49135.

(cf. 6184 - Continuation Education)

WORK PERMITS (continued)

All work permits shall be issued in a format approved and authorized by the CDE. (Education Code 49117)

Each permit shall authorize work for a specific employer. Whenever a student changes employers, he/she shall request a new permit.

The student may be issued more than one work permit if he/she works concurrently for more than one employer, provided that the total number of hours worked does not exceed the total number of hours allowed by law and the district.

Whenever a work permit is issued by a principal or other designated school administrator, the principal or designee shall submit to the Superintendent a copy of each work permit he/she issues, along with a copy of the application. (Education Code 49110)

The Superintendent or designee shall periodically inspect the grades and attendance records of students granted work permits to ensure maintenance of academic progress and any additional criteria established in Board policy.

Expiration of Work Permits

Work permits issued during the school year shall expire five days after the opening of the next succeeding school year. (Education Code 49118)

Before the work permit expires, a student may apply for a renewed work permit in accordance with the procedures specified in the section "Approval Process" above.

Revocation of Work Permits

The Superintendent or designee shall revoke a student's work permit whenever he/she determines that employment is interfering with the student's education, that any provision or condition of the permit is being violated, or that the student is performing work in violation of law. (Education Code 49116, 49164)

The Superintendent may revoke a work permit issued by a principal of a public or private school located within the district if the Superintendent becomes aware of any grounds upon which the student may be deemed ineligible for a work permit under law. (Education Code 49110)

Retention of Records

The Superintendent or designee shall retain a copy of the work permit application and the work permit until the end of the fourth year after the work permit was issued. (5 CCR 16026)

WORK PERMITS (continued)

(cf. 3580 - District Records)

(cf. 5125 - Student Records)

SCHOOL ATTENDANCE BOUNDARIES

The Board of Education shall establish school attendance boundaries in order to maximize the efficient use of district facilities and effective administration of district schools. The Superintendent or designee shall periodically review school attendance boundaries and, as necessary, make recommendations to the Board for boundary adjustments.

When reviewing school attendance boundaries, the Superintendent or designee shall consider the following factors:

1. School enrollment data, including declining enrollment patterns
2. Facility capacity and design, including potential commercial and residential developments
3. School feeder patterns, including maintaining, to the extent practicable, continuity of student attendance
4. Federal, state, or court mandates
5. Community input
6. Student safety
7. Transportation capacity
8. Community and neighborhood identity
9. Geographic features of the district, including traffic patterns
10. Educational programs, such as magnet schools and charter schools

(cf. 7160 - Charter School Facilities)

11. Consistency between municipal boundaries and high school boundaries
12. Other factors

(cf. 5116.1- Intradistrict Open Enrollment)

(cf. 5117 - Interdistrict Attendance)

In order to alleviate overcrowding, the Superintendent or designee may place some students in a school outside of their attendance area. Parents/guardians of students who are attending schools outside of their attendance area shall be notified of the school their child will be attending as soon as possible. If available, transportation shall be provided for such students.

The Board of Education desires to provide enrollment options that meet the diverse needs and interests of district students and parents/guardians, while also maximizing the efficient use of district facilities. The Superintendent or designee shall establish procedures for the selection and transfer of students among district schools in accordance with law, Board policy, and administrative regulation.

(cf. 5117 - Interdistrict Attendance)

The parents/guardians of any student who resides within district boundaries may apply to enroll their child in any district school, regardless of the location of their residence within the district. (Education Code 35160.5)

(cf. 5111.1 - District Residency)

The Board shall annually review this policy. (Education Code 35160.5, 48980)

(cf. 5116 - School Attendance Boundaries)

The Superintendent or designee shall grant priority to any district student to attend another district school, including a charter school, outside of his/her attendance area as follows:

(cf. 0450 - Comprehensive Safety Plan)

3. Any student who is a victim of a violent crime while on school grounds (20 USC 7912)
4. Upon a finding that special circumstances exist that might be harmful or dangerous to the student in the current attendance area. Special circumstances include, but are not limited to, threats of bodily harm or threats to the emotional stability of the student. Any such student may transfer to a district school that is at capacity and otherwise closed to transfers. To grant priority under these circumstances, the Superintendent or designee must have received either: (Education Code 35160.5)

INTRADISTRICT OPEN ENROLLMENT (continued)

- a. A written statement from a representative of an appropriate state or local agency, including, but not necessarily limited to, a law enforcement official, social worker, or a properly licensed or registered professional such as a psychiatrist, psychologist, or marriage and family therapist
 - b. A court order, including a temporary restraining order and injunction
5. Any sibling of a student already in attendance in that school
6. Any student whose parent/guardian is assigned to that school as his/her primary place of employment

Application and Selection Process

In order to ensure that priorities for enrollment in district schools are implemented in accordance with law, applications for intradistrict open enrollment shall be submitted between October 1 and November 30 of the school year preceding the school year for which the transfer is requested.

The Superintendent or designee shall calculate each school's capacity in a nonarbitrary manner using student enrollment and available space. (Education Code 35160.5)

Open Enrollment Student Applicant Priorities

Open Enrollment applicants within the socioeconomic balance goals for each school in the following priority order:

1. Students residing within the attendance area of a charter school who do not wish to attend a charter school.
2. Siblings of students already in attendance in that school.
3. Students whose parent/guardian is assigned to that school as his/her primary place of employment. Primary place of employment means an annual assignment at that school as a permanent or probationary employee of the district.

 - d. Leadership Academy Youth Leaders in Action (LAYLA)
 - e. Legacy Youth Academy
5. For all other applications for open enrollment outside a school's attendance area, the Superintendent or designee shall use a random, unbiased selection process (e.g., a lottery) to determine who shall be admitted whenever a school receives admission requests that are in excess of the school's capacity. (Education Code 35160.5)

Lottery enrollment shall not be based on a student's academic or athletic performance, except that existing entrance criteria for specialized schools or programs may be used provided that the criteria are uniformly applied to all applicants. Academic performance may be used to determine eligibility for, or placement in, programs for gifted and talented students. (Education Code 35160.5)

Except for priorities listed above, the Superintendent or designee shall use a random and weighted, unbiased selection process to determine who shall be admitted whenever the school receives admission requests that are in excess of the school's capacity. (Education Code 35160.5)

Enrollment decisions shall not be based on a student's academic or athletic performance, except that existing entrance criteria for specialized schools or programs may be used provided that the criteria are uniformly applied to all applicants. INTRADISTRICT OPEN ENROLLMENT**Transfers for Victims of a Violent Criminal Offense**

Within a reasonable amount of time, not to exceed 14 days, after it has been determined that a student has been the victim of a violent criminal offense while on school grounds, the student's parents/guardians shall be offered an option to transfer their child to an eligible school identified by the Superintendent or designee. In making the determination that a student has been a victim of a violent criminal offense, the Superintendent or designee shall consider the specific circumstances of the incident and consult with local law enforcement as appropriate. Examples of violent criminal offenses include, but are not limited to, attempted murder, battery with serious bodily injury, assault with a deadly weapon, rape, sexual battery, robbery, extortion, or hate crimes.

The Superintendent or designee shall consider the needs and preferences of the affected student and his/her parent/guardian in making the offer. If the parent/guardian elects to transfer his/her child, the transfer shall be completed as soon as practicable.

Transfers from a "Persistently Dangerous" School

Upon receipt of notification from the California Department of Education (CDE) that a district school has been designated as "persistently dangerous," the Superintendent or designee shall provide parents/guardians of students attending the school with the following notifications:

1. Within 10 days of receipt of the notification from CDE, notice of the school's designation
2. Within 20 days of receipt of the notification from CDE, notice of the option to transfer their child

(cf. 0450 - Comprehensive Safety Plan)

Parents/guardians who desire to transfer their child out of a "persistently dangerous" school shall provide a written request to the Superintendent or designee and shall rank-order their preferences from among all schools identified by the Superintendent or designee as eligible to receive transfer students. The Superintendent or designee may establish a reasonable timeline, not to exceed seven school days, for the submission of parent/guardian requests.

The Superintendent or designee shall consider the needs and preferences of students and parents/guardians before making an assignment, but is not obligated to accept the parent/guardian's preference if the assignment is not feasible due to space constraints or other considerations. For students whose parents/guardians accept the offer, the transfer shall generally be made within 30 school days of receiving the notice of the school's designation from the CDE. If parents/guardians decline the assigned school, the student may remain in his/her current school.

INTRADISTRICT OPEN ENROLLMENT (continued)

The transfer shall remain in effect as long as the student's school of origin is identified as "persistently dangerous." The Superintendent or designee may choose to make the transfer permanent based on the educational needs of the student, parent/guardian preferences, and other factors affecting the student's ability to succeed if returned to the school of origin.

The Superintendent or designee shall cooperate with neighboring districts to develop an interdistrict transfer program in the event that space is not available in a district school.

(cf. 5117 - Interdistrict Attendance)

Other Intradistrict Open Enrollment

Except for transfers for victims of a violent crime and from a "persistently dangerous school," the following procedures shall apply to intradistrict open enrollment:

1. The Superintendent or designee shall identify those schools which may have space available for additional students. A list of those schools and open enrollment applications shall be available at each school site, the district office, and on the district's web site.
2. After the enrollment priorities have been applied in accordance with Board policy, if there are more requests for a particular school than there are spaces available, a random drawing shall be held from the applicant pool. A waiting list shall be established to indicate the order in which applicants may be accepted if openings occur during the year. Late applicants shall not be added to the waiting list for the current year but shall instead wait for a subsequent lottery.
3. The Superintendent or designee shall provide written notification to applicants as to whether their applications have been approved, denied, or placed on a waiting list. If the application is denied, the reasons for denial shall be stated.
4. Approved applicants must confirm their enrollment within 48 hours.

Any student who, prior to the 2016-17 school year, was granted a transfer out of a Title I school that had been identified for program improvement shall be allowed to remain in the school of enrollment until he/she completes the highest grade offered at that school.

A student granted intradistrict enrollment under other circumstances shall not be required to reapply for readmission but may be subject to displacement due to excessive enrollment.

INTRADISTRICT OPEN ENROLLMENT (continued)

Any complaints regarding the open enrollment process shall be submitted in accordance with the applicable complaint procedure.

(cf. 1312.3 - Uniform Complaint Procedures)

Notifications

Notifications shall be sent to parents/guardians at the beginning of each school year describing all current statutory attendance options and local attendance options available in the district. Such notification shall include: (Education Code 35160.5, 48980)

1. All options for meeting residency requirements for school attendance

(cf. 5111.1 - District Residency)

(cf. 5118 - Open Enrollment Act Transfers)

2. Program options offered within local attendance areas
3. A description of any special program options available on both an interdistrict and intradistrict basis
4. A description of the procedure for application for alternative attendance areas or programs and the appeals process available, if any, when a change of attendance is denied
5. A district application form for requesting a change of attendance
6. The explanation of attendance options under California law as provided by the CDE

(cf. 5145.6 - Parental Notifications)

INVOLUNTARY STUDENT TRANSFERS

The Board of Education desires to enroll students in the school of their choice, but recognizes that circumstances sometimes necessitate the involuntary transfer of some students to another school or program in the district. The Superintendent or designee shall develop procedures to facilitate the transition of such students into their new school of enrollment.

As applicable, when determining the best placement for a student who is subject to involuntary transfer, the Superintendent or designee shall review all educational options for which the student is eligible, the student's academic progress and needs, the enrollment capacity at district schools, and the availability of support services and other resources.

Whenever a student is involuntarily transferred, the Superintendent or designee shall provide timely written notification to the student and his/her parent/guardian and an opportunity for the student and parent/guardian to meet with the Superintendent or designee to discuss the transfer.

Students Convicted of Violent Felony or Misdemeanor

A student may be transferred to another district school if he/she is convicted of a violent felony, as defined in Penal Code 667.5(c), or a misdemeanor listed in Penal Code 29805 and is enrolled at the same school as the victim of the crime for which he/she was convicted. (Education Code 48929)

Before transferring such a student, the Superintendent or designee shall attempt to resolve the conflict using restorative justice, counseling, or other such services. He/she shall also notify the student and his/her parents/guardians of the right to request a meeting with the principal or designee. (Education Code 48929)

(cf. 5138 - Conflict Resolution/Peer Mediation)

(cf. 5144 - Discipline)

(cf. 6164.2 - Guidance and Counseling Services)

Participation of the victim in any conflict resolution program shall be voluntary, and he/she shall not be subjected to any disciplinary action for his/her refusal to participate in conflict resolution.

The principal or designee shall submit to the Superintendent or designee a recommendation as to whether or not the student should be transferred. If the Superintendent or designee determines that a transfer would be in the best interest of the students involved, he/she shall submit such recommendation to the Board for approval.

INVOLUNTARY STUDENT TRANSFERS (continued)

The Board shall deliberate in closed session to maintain the confidentiality of student information, unless the parent/guardian or adult student submits a written request that the matter be addressed in open session and doing so would not violate the privacy rights of any other student. The Board's decision shall be final.

(cf. 9321 - Closed Session Purposes and Agendas)

The decision to transfer a student shall be subject to periodic review by the Superintendent or designee.

The Superintendent or designee shall annually notify parents/guardians of the district's policy authorizing the transfer of a student pursuant to Education Code 48929. (Education Code 48980)

(cf. 5145.6 - Parental Notifications)

Other Involuntary Transfers

Students may be involuntarily transferred under either of the following circumstances:

1. If a high school student commits an act enumerated in Education Code 48900 or is habitually truant or irregular in school attendance, he/she may be transferred to a continuation school. (Education Code 48432.5)

(cf. 6184 - Continuation Education)

2. If a student is expelled from school for any reason, is probation-referred pursuant to Welfare and Institutions Code 300 or 602, or is referred by a school attendance review board or another formal district process, he/she may be transferred to a community day school. (Education Code 48662)

INTERDISTRICT ATTENDANCE

Note: The Education Code provides a number of options under which a district may enroll a student whose parent/guardian does not reside within district boundaries. Under an "interdistrict attendance permit" or "reciprocal agreement" pursuant to Education Code 46600-46610, a student may attend school in a different district when both the district of residence and the district of proposed attendance agree (Option 1 below). Alternatively, pursuant to Education Code 48300-48317, the Governing Board may declare the district to be a "school district of choice" willing to accept a specific number of interdistrict transfers into the district through a random selection process (Option 2 below). In order to maintain the integrity of the random selection process, it is recommended that a school district of choice not also accept transfers under the interdistrict attendance permit option except when extraordinary circumstances exist, as provided in Option 2 below. Districts that wish to use both sources of authority should consult legal counsel.

In addition, pursuant to Education Code 48204, a district may authorize a student whose parent/guardian is employed within district boundaries to attend a school in the district (Allen bill transfer); see AR 5111.1 - District Residency.

The Board of Education recognizes that parents/guardians of students who reside within the geographic boundaries of one district may, for a variety of reasons, desire to enroll their children in a school in another district.

(cf. 5111.1 - District Residency)

(cf. 5116.1 - Intradistrict Open Enrollment)

Interdistrict Attendance Agreements and Permits

Note: The following section is for use by districts that have entered into an agreement with one or more other districts to accept student transfers through interdistrict attendance permits pursuant to Education Code 46600-46610. Districts selecting this option should also select Option 1 in the accompanying administrative regulation.

The Board may enter into an agreement with any other school district, for a term not to exceed five school years, for the interdistrict attendance of students who are residents of the districts. (Education Code 46600)

Note: Education Code 46600 requires that the interdistrict attendance agreement specify the terms and conditions under which individual permits may be granted or denied. In addition, pursuant to Education Code 46600, students who have been granted an interdistrict attendance permit must be allowed to continue to attend the school without having to reapply unless the agreement between the two districts contains specific agreed-upon standards for reapplication; see the accompanying administrative regulation. Districts also may include in the agreement their agreed-upon standards for revocation of students' interdistrict attendance. Examples of conditions that may result in revocation include falsification of information stated on the permit application, unsatisfactory attendance, continual disruption, or poor academic achievement.

The agreement shall specify the terms and conditions under which interdistrict attendance shall be permitted or denied. It also may contain standards agreed to by both districts for reapplication and/or revocation of the student's permit. (Education Code 46600)

INTERDISTRICT ATTENDANCE (continued)

Note: Pursuant to Education Code 46600, it is the responsibility of the superintendent or designee of the district of residence, subject to board policies of the district of residence and terms of the agreement, to issue an individual permit verifying the district's approval of an interdistrict transfer out of the district. The permit shall become valid when endorsed by the board's designee in the district of proposed enrollment.

See the accompanying administrative regulation for procedures to follow when the permit is denied.

Upon receiving a permit for transfer into the district that has been approved by the student's district of residence, or upon receiving a written request from the parent/guardian of a district student who wishes to enroll in another district, the Superintendent or designee shall review the request and may approve or deny the permit subject to the terms and conditions of the interdistrict attendance agreement.

INTERDISTRICT ATTENDANCE**Interdistrict Attendance Permits**

In accordance with an agreement between the Board of Education and the board of another district, a permit authorizing a student's attendance outside his/her district of residence may be issued upon approval of both the district of residence and the district of proposed attendance.

The Superintendent or designee may approve an interdistrict attendance permit for a student for any of the following reasons when stipulated in the agreement:

1. When the student has been determined by staff of either the district of residence or district of proposed attendance to be a victim of an act of bullying as defined in Education Code 48900(r). Such a student shall be given priority for interdistrict attendance under any existing interdistrict attendance agreement or, in the absence of an agreement, shall be given consideration for the creation of a new permit. (Education Code 46600) Resident district may be asked to provide evidence of bullying.

(cf. 5131.2 - Bullying)

2. To meet the child care needs of the student. Such a student may be allowed to continue to attend district schools only as long as he/she continues to use a child care provider within district boundaries.

(cf. 6159 - Individualized Education Program)

3. When the student has a sibling attending school in the receiving district, to avoid splitting the family's attendance.
4. To allow the student to complete a school year when his/her parents/guardians have moved out of the district during that year.
5. To allow the student to remain with a class graduating that year from an elementary, middle, or senior high school.
6. To allow a high school senior to attend the same school he/she attended as a junior, even if his/her family moved out of the district during the junior year.
7. When the parent/guardian provides written evidence that the family will be moving into the district in the immediate future and would like the student to start the year in the district.
8. When the student will be living out of the district for one year or less.

INTERDISTRICT ATTENDANCE (continued)

9. When recommended by the school attendance review board or by county child welfare, probation, or social service agency staff in documented cases of serious home or community problems which make it inadvisable for the student to attend the school of residence.

(cf. 5113.1 - Chronic Absence and Truancy)

10. When there is valid interest in a particular educational program not offered in the district of residence.
11. When parents/guardians of students K-12 are employed within the boundaries of the requested school district. Parents/guardians are to present proof of employment and location.
12. To attend a charter school within the boundaries of the district.
13. To provide a change in school environment for reasons of personal and social adjustment.
14. A student who has been determined by personnel of either the district to have been the victim of an act of bullying, as defined in subdivision (r) of Section 48900, shall be given priority for an interdistrict attendance permit.

Interdistrict attendance permits or applications shall not be required for students enrolling in a regional occupational center or program. (Education Code 52317)

The number of transfers approved is dependent upon available space and the financial impact to the district. (Education Code 46600)

Interdistrict transfer permits may be revoked for the following reasons: continued disciplinary problems; failure to comply with school rules and policies; continued unexcused absences or tardiness; or fraudulent applications. The reasons for revocation must be verified and documented.

(cf. 5144 - Discipline)

Interdistrict Transfer Application Procedures

The following procedures shall be used in processing a request for an interdistrict transfer:

1. Applications for an interdistrict attendance permit must be obtained at the district of residence.

INTERDISTRICT ATTENDANCE (continued)

2. Applications for an interdistrict attendance permit must be submitted to the district Attendance Office and must identify the school the parents/guardians desire the student to attend. The application must be approved by the Principal of the identified school and the Director of Elementary Education (for elementary) or the Director for Secondary Education (for middle and high school), who shall render a final decision. The Attendance Officer shall notify the parents/guardians in writing of the approval or denial of the request.
3. Applications may be submitted at any time and will be considered on a first come first serve basis. A decision on the application will be made after district resident student enrollment has stabilized and may not occur for up to ten days after the start of each school year.
4. Applications must be approved by the district of residence within 30 days of the district of enrollment approval of the application before the interdistrict attendance agreement is final.
5. Each permit shall stipulate the terms and conditions established by both districts under which interdistrict attendance shall be permitted, denied, or revoked, and that once approved, interdistrict transfer agreements must be renewed on an annual basis.
6. Students on interdistrict transfer agreements are deemed to be residents of the school district for the period of the transfer agreement and are not considered residents of the school in which they enroll.
7. Students attending charter schools on interdistrict transfer agreements shall be considered residents of the charter school. As such students attending charter schools may not be displaced while attending the charter school.
8. Students on approved interdistrict attendance permits will be placed at the grade level they have reached elsewhere pending observation and evaluation of their academic, social and emotional performance by their teachers, guidance personnel and the principal or designee. As soon as possible staff shall complete its observation and evaluation and the principal or designee shall determine the student's appropriate grade placement

(cf. 5111 - Admission)

(cf. 5116 - School Attendance Boundaries)

(cf. 5141.31 - Immunizations)

(cf. 6146.3 - Reciprocity on Standards of Proficiency/Graduation Requirements)

INTERDISTRICT ATTENDANCE (continued)

Interdistrict Attendance Agreement

Every interdistrict attendance agreement shall stipulate the terms and conditions under which the interdistrict attendance permit shall be permitted or denied. The agreement may contain standards for reapplication agreed to by the district of residence and the district of attendance that differ from the requirements prescribed by paragraph 3.

The agreement may stipulate terms and conditions established by the district of residence and the district of enrollment under which the permit may be revoked, except that school district of residence or school district of enrollment shall not rescind existing transfer permits for students entering grade 11 or 12 in the subsequent school year.

Denial of Interdistrict Attendance Agreement

The Superintendent or designee may deny initial requests for interdistrict attendance permits due to limited district resources, overcrowding of school facilities or other considerations that are not arbitrary. However, once a student is admitted, the district may not deny him/her continued attendance because of overcrowded facilities at the relevant grade level.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

Within 30 days of a request for an interdistrict permit, the Superintendent or designee shall notify the parents/guardians of a student who is denied interdistrict attendance regarding the process for appeal to the County Board of Education as specified in Education Code 46601. (Education Code 46601)

(cf. 5145.6 - Parental Notifications)

Pending a decision by the two districts or an appeal by the County Board, the Superintendent or designee may provisionally admit a student who resides in another district for a period not to exceed two school months. (Education Code 46603)

Students who are under consideration for expulsion or who have been expelled may not appeal interdistrict attendance denials or decisions while expulsion proceedings are pending or during the term of the expulsion. (Education Code 46601)

(cf. 5119 - Students Expelled from Other Districts)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

Once a student is admitted to a school on the basis of an interdistrict attendance permit, he/she shall not be required to reapply for an interdistrict transfer and shall be allowed to continue to attend the school in which he/she is enrolled, unless reapplication standards are

INTERDISTRICT ATTENDANCE (continued)

otherwise specified in the interdistrict attendance agreement. Existing interdistrict attendance permits shall not be rescinded for students entering grade 11 or 12 in the subsequent school year. (Education Code 46600)

Any existing entrance criteria for specialized schools or programs shall be uniformly applied to all applicants. (Education Code 48305)

Even if the district withdraws from participation in the program, admitted high school students may continue attending school in the district until they graduate from high school. (Education Code 48308)

The district may accept any completed coursework, attendance, and other academic progress credited to an accepted student by any district(s) he/she has previously attended and may grant academic standing to the student based upon the district's evaluation of the student's academic progress. (Education Code 48309)

(cf. 6146.3 - Reciprocity of Academic Credit)

The district may revoke a student's enrollment if he/she is recommended for expulsion pursuant to Education Code 48918. (Education Code 48309)

The district may deny a transfer into the district under the district of choice program if:

1. The Board determines that the transfer into or out of the district would negatively impact a court-ordered or voluntary desegregation plan of the district. (Education Code 48301)
2. The transfer into the district would require the district to create a new program to serve that student, except that the district shall not reject the transfer of a student with disabilities or an English learner. (Education Code 48303)

The district shall not provide transportation outside the school's attendance area.

OPEN ENROLLMENT ACT TRANSFERS

The Board of Education desires to offer enrollment options in order to provide children with opportunities for academic achievement that meet their diverse needs. Such options shall also be provided to children who reside within another district's boundaries in accordance with law, Board policy, and administrative regulation.

Whenever a student is attending a district school on the Open Enrollment List as identified by the Superintendent of Public Instruction, he/she may transfer to another school within or outside of the district, as long as the school to which he/she is transferring has higher academic achievement based on established state accountability measures. (Education Code 48354, 48356)

A parent/guardian whose child is attending a district school on the Open Enrollment List and who wishes to have his/her child attend another school within the district shall apply for enrollment using BP/AR 5117 - Interdistrict Attendance.

(cf. 5117 - Interdistrict Attendance)

In order to ensure that priorities for enrollment in district schools are implemented in accordance with law, the Board hereby waives the January 1 deadline in Education Code 48354 for all applications for transfer from nonresident parents/guardians of children attending a school on the Open Enrollment List in another district. Transfer applications shall be submitted by April 1 of the school year preceding the school year for which the transfer is requested. The district shall notify parents/guardians by May 31 regarding whether their application for transfer from an open enrollment school in another district has been accepted or rejected.

(cf. 5111.1 - District Residency)

The Board may deny a transfer out of or into the district upon a determination by the Board that the transfer would negatively impact a voluntary desegregation plan in accordance with Education Code 48355.

Standards for Rejection of Transfer Applications

Pursuant to Education Code 48356, the Board has adopted the following standards for acceptance and rejection of transfer applications submitted by a parent/guardian of a student attending a school in another district on the Open Enrollment List. The Superintendent or designee shall apply these standards in accordance with Board policy and administrative regulation and shall ensure that the standards are applied uniformly and consistently.

As applicable, the Superintendent or designee may deny a transfer application under any of the following circumstances:

OPEN ENROLLMENT ACT TRANSFERS (continued)

1. Upon a determination that approval of the transfer application would negatively impact the capacity of a program, class, grade level, or school building, including:
 - a. The class or grade level exceeding the district's limits pursuant to the state Class Size Reduction Program or the Morgan/Hart Class Size Reduction Program for Grades 9-12
 - b. The site, classroom, or program exceeding the maximum student-teacher ratio specified in the district's collective bargaining agreement
 - c. The site or classroom exceeding the physical capacity of the facility pursuant to the district's facilities master plan or other facility planning document
 - d. The class or grade level exceeding capacity pursuant items #a-#c above in subsequent years as the student advances to other grade levels at the school

(cf. 6151 - Class Size)

(cf. 7110 - Facilities Master Plan)

2. Upon a determination that approval of the transfer application would have an adverse financial impact on the district, including:
 - a. The hiring of additional certificated or classified staff
 - b. The operation of additional classrooms or instructional facilities
 - c. Expenses incurred by the district that would not be covered by the apportionment of funds received from the state resulting in a reduction of the resources available to resident students

Appeal Process for Denials of Transfer Applications

A parent/guardian may appeal the district's denial of a transfer application to the Board by filing a written request of appeal with the Superintendent or designee within 10 days of the receipt of the written notification of denial. In addition, a parent/guardian who believes he/she has been subject to discrimination may file an appeal using the district's Uniform Complaint Procedures.

(cf. 1312.3 - Uniform Complaint Procedures)

The Board shall schedule an appeal hearing as soon as practicable at a regular or special meeting of the Board. At the hearing, the parent/guardian shall have the right to present oral or written evidence, rebut district evidence, and question any district witnesses. Unless the

OPEN ENROLLMENT ACT TRANSFERS (continued)

parent/guardian requests that the hearing be held in open session, the hearing shall be held in closed session in order to protect the privacy of students in accordance with law.

(cf. 9321 - Closed Session Purposes and Agendas)

The Board shall make its decision by the next regularly scheduled meeting and shall send its decision to all concerned parties. The Board's decision shall be final.

Program Evaluation

The Superintendent or designee shall collect data regarding the number of students who transfer out of the district pursuant to the Open Enrollment Act. He/she also shall collect data regarding the number of students who apply to transfer into the district, the number of requests granted, denied, or withdrawn, and the district schools and programs receiving applications.

When the Superintendent or designee anticipates that a particular school will receive a large number of transfer applications, he/she shall study the enrollment pattern at that school in order to anticipate future resident enrollment at the school and at the district schools into which those students would normally matriculate.

The Superintendent or designee shall regularly report to the Board regarding the implementation of this program.

(Education Code 48354, 48356)

If the number of students who request a particular school exceeds the number of spaces available at that school, the Superintendent or designee shall conduct a lottery, in the group priority order identified in items #1 and #2 above, to select students at random until all of the available spaces are filled. (Education Code 48356)

Within 60 days of receiving the application, the Superintendent or designee shall provide written notification to the parent/guardian and the student's district of residence as to whether the application has been accepted or rejected. This notice shall be provided by the first day of instruction. However, if the CDE has not notified the district whether a school is on the list by the first day of instruction, the notification shall be provided no later than 14 calendar days after the Open Enrollment List is posted on the CDE's web site. Enrollment During the Term of the Expulsion

The district shall not enroll a student expelled by another district for any of the offenses listed in Education Code 48915(a) or (c) (mandatory expulsion offenses) during the term of the student's expulsion, unless the enrollment is at a community day school. (Education Code 48915.2)

Upon receiving a request for enrollment from a student expelled from another district for acts other than those specified in Education Code 48915(a) or (c), the Board shall hold a hearing to determine whether the student poses a continuing danger to students or staff. The hearing shall be conducted and notice shall be provided in accordance with procedures governing expulsion of students described in Education Code 48918. (Education Code 48915.1)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

If the student or parent/guardian neglects to inform the district that the student was expelled from his/her previous district for an act other than those listed in Education Code 48915(a) or (c), the Board shall record and discuss this lack of compliance during the hearing. (Education Code 48915.1)

If the Board finds that a student expelled for acts other than those specified in Education Code 48915(a) or (c) does not pose a continuing danger to students or staff, the student may be admitted or conditionally admitted during the term of expulsion. If the Board determines that the student does pose a continuing danger to students or staff, the student shall not be admitted. (Education Code 48915.1)

(cf. 5145.6 - Parental Notifications)

STUDENTS EXPELLED FROM OTHER DISTRICTS (continued)

Enrollment After the Term of the Expulsion

A student expelled for an act specified in Education Code 48915(a) or (c) may enroll in the district after the term of his/her expulsion if the Board finds, at a hearing, that the student does not pose a continuing danger to students or staff. The hearing shall be conducted and notice shall be provided in accordance with procedures governing expulsion of students described in Education Code 48918. (Education Code 48915.2)

A student expelled for any act other than those specified in Education Code 48915(a) or (c) may request enrollment after the term of his/her expulsion in accordance with the district's procedures for establishing residency or interdistrict transfer.

GRADES/EVALUATION OF STUDENT ACHIEVEMENT

The Board of Education believes that grades serve a valuable instructional purpose by helping students and parents/guardians understand performance expectations and identifying the student's areas of strength and those areas needing improvement. Parents/guardians and students have the right to receive course grades that represent an accurate evaluation of the student's academic performance.

(cf. 5020 - Parent Rights and Responsibilities)

(cf. 5125.2 - Withholding Grades, Diploma or Transcripts)

The Superintendent or designee shall establish a uniform grading system that shall be applied to all students in that course and grade level. Teachers shall inform students and parents/guardians how academic performance will be evaluated in the classroom.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

A teacher shall base a student's grades solely on the quality of the student's academic work and his/her mastery of course content based on district standards. Students shall have the opportunity to demonstrate this mastery through a variety of methods, including, but not limited to, tests, projects, portfolios, and/or class discussion as appropriate. Other elements that are not a direct measure of knowledge and understanding of course content, such as attendance, effort, student conduct, and work habits, shall not be factored into the academic grade but may be reported separately.

(cf. 6011 - Academic Standards)

(cf. 6162.5 - Student Assessment)

Whenever a student misses an assignment or assessment due to either an excused or unexcused absence, he/she shall be given full credit for subsequent satisfactory completion of the assignment or assessment.

(cf. 6154 - Homework/Makeup Work)

Students in grades K-3 shall receive progress reports at the end of each grading period rather than letter grades.

At all grade levels, report cards may include reports of student progress on specific academic standards applicable to the course and grade level.

When reporting student performance to parents/guardians, teachers may add narrative descriptions, observational notes, and/or samples of classroom work in order to better describe student progress in specific skills and subcategories of achievement.

A report card for a student with a disability may contain information about his/her disability, including whether that student received special education or related services, provided that the report card informs parents/guardians about their child's progress or level of achievement

(cf. 6164.6 - Identification and Education Under Section 504)

A grade assigned by the teacher shall not be changed by the Board or the Superintendent except as provided by law, Board policy, or administrative regulation. (Education Code 49066)

(cf. 5125.3 - Challenging Student Records)

The Superintendent or designee shall determine the methodology to be used in calculating students' grade point average (GPA), including the courses to be included within the GPA and whether extra grade weighting shall be applied to Advanced Placement, International Baccalaureate, honors, and/or concurrent postsecondary courses.

GRADES/EVALUATION OF STUDENT ACHIEVEMENT

The Superintendent or designee shall inform teachers of the district's policy regarding grading, including expectations that grades shall be based on factors that directly measure students' knowledge and skills in the content area and shall not include nonacademic factors.

Report cards displaying students' grades in each subject or course shall be distributed to parents/guardians at the end of each grading period. Parents/guardians shall be offered an opportunity to meet with their child's teacher(s) to discuss the grades and strategies to improve their child's performance.

(cf. 6020 - Parent Involvement)

Whenever it becomes evident to a teacher that a student is in danger of failing a course, the teacher shall arrange a conference with the student's parent/guardian or send the parent/guardian a written report. (Education Code 49067)

(cf. 5123 - Promotion/Acceleration/Retention)

For each student in grades 9-12, the Superintendent or designee shall maintain a transcript recording the courses taken, the term that each course was taken, credits earned, final grades, and date of graduation.

(cf. 5125 - Student Records)

(cf. 6146.1 - High School Graduation Requirements)

Grades for Academic Performance

For grades K-3, students' level of progress for each grading period shall be reported as follows:

- 4 Exceeding Standard
- 3 At Standard
- 2 Below Standard
- 1 Far Below Standard

Elementary students enrolled fewer than 10 days may receive a report card with incomplete/no marks and a comment that students have not been enrolled sufficiently to be assessed in content areas. After 10 days of enrollment, teachers may make a determination of grades and note enrollment date in the comment section.

For grades 4-12, grades for academic performance shall be reported for each grading period as follows:

| | | | |
|---|-----------|---------------------------|------------------|
| A | (90-100%) | Outstanding Achievement | 4.0 grade points |
| B | (80-89%) | Above Average Achievement | 3.0 grade points |
| C | (70-79%) | Average Achievement | 2.0 grade points |

GRADES/EVALUATION OF STUDENT ACHIEVEMENT (continued)

| | | | |
|---|----------|---------------------------|------------------|
| D | (60-69%) | Below Average Achievement | 1.0 grade points |
| F | (0-59%) | Little or No Achievement | 0 grade points |
| I | | Incomplete | 0 grade points |

An Incomplete shall be given only when a student's work is not finished by the end of the grading period because of illness or other excused absence. If not made up within six weeks, the Incomplete shall become an F.

Because of the more rigorous nature of Advanced Placement, International Baccalaureate, honors, and concurrent postsecondary courses, students receiving a grade of A, B, or C in those courses shall receive extra grade weighting as follows:

| | | | |
|---|-----------|---------------------------|------------------|
| A | (90-100%) | Outstanding Achievement | 5.0 grade points |
| B | (80-89%) | Above Average Achievement | 4.0 grade points |
| C | (70-79%) | Average Achievement | 3.0 grade points |

(cf. 6141.4 - International Baccalaureate Program)

(cf. 6141.5 - Advanced Placement)

(cf. 6172 - Gifted and Talented Student Program)

(cf. 6172.1 - Concurrent Enrollment in College Classes)

Grades for Physical Education

No grade of a student participating in a physical education class may be adversely affected due to the fact that the student, because of circumstances beyond his/her control, does not wear standardized physical education apparel. (Education Code 49066)

(cf. 6142.7 - Physical Education and Activity)

Student performance in high school physical education courses shall be based upon evaluation of the student's individual progress, attainment of goals in each instructional area, tests designed to determine skill and knowledge, and physical performance tests. (5 CCR 10060)

High school students using interscholastic athletic participation to fulfill physical education requirements, as authorized by Education Code 51242, may be graded on this participation provided a teacher credentialed to teach physical education supervises this participation and assigns the grade.

(cf. 6145.2 - Athletic Competition)

GRADES/EVALUATION OF STUDENT ACHIEVEMENT (continued)**Grades for College Courses**

When the district has approved a student to receive district credit for coursework completed at a community college or four-year college, he/she shall receive the same letter grade as is granted by the college.

Grades for Citizenship and Work Habits

Any grades assigned for citizenship or work habits, such as effort or study skills, shall be reported as follows:

| Grades TK-5 | | Grades 6-12 | |
|-------------|----------------|-------------|-------------------|
| IN | Independent | O | Outstanding |
| WP | With Prompting | S | Satisfactory |
| NY | Not Yet | N | Needs Improvement |

Pass/Fail Grading

The Superintendent or designee may identify courses or programs for which students may, with parent/guardian permission, elect to earn a Pass or Fail grade instead of a letter grade.

Students who receive a Pass grade shall acquire the appropriate semester units of credit for the course. The grade shall not be counted in determining class rank, honors list, or membership in the California Scholarship Federation. Students who receive a Fail grade shall not receive credit for taking the course.

Incompletes

An Incomplete (I) grade is assigned when work has not been completed, a student has suffered extensive illness, participated in Short-Term Independent Studies Program, or the transfer grade from another school has not been received. Students have six weeks when school is in session to replace the incomplete grade before the "I" becomes an "F."

Peer Grading

At their discretion, teachers may use peer grading of student tests, papers, and assignments as appropriate to reinforce lessons.

Repeating Classes

With the approval of the principal or designee, a student may repeat a course in order to raise his/her grade. Both grades received shall be entered on the student's transcript, but the

GRADES/EVALUATION OF STUDENT ACHIEVEMENT (continued)

student shall receive credit only once for taking the course. The highest grade received shall be used in determining the student's overall grade point average (GPA).

Withdrawal from Classes

A student who drops a course during the first six weeks of the grading period may do so without any entry on his/her permanent record card. A student who drops a course after the first six weeks of the grading period shall receive an F grade on his/her permanent record, unless otherwise decided by the principal or designee because of extenuating circumstances.

Effect of Absences on Grades

Teachers who choose to withhold class credit because of excessive unexcused absences shall so inform students and parents/guardians of such a possibility at the beginning of the school year or semester. When a student reaches the number of unexcused absences defined as excessive in Board policy, the student and parent/guardian shall again be notified of the district's policy regarding excessive unexcused absences.

(cf. 5113 - Absences and Excuses)

(cf. 5113.1 - Chronic Absence and Truancy)

The student and parent/guardian shall have a reasonable opportunity to explain the absences. (Education Code 49067)

If a student receives a failing grade because of excessive unexcused absences, the student's record shall specify that the grade was assigned because of excessive unexcused absences. (Education Code 49067)

Grades for a student in foster care shall not be lowered if the student is absent for any reason specified in Education Code 49069.5.

(cf. 6173.1 - Education for Foster Youth)

Grade Point Average

The Superintendent or designee shall calculate each student's GPA using the grade point assigned to each letter grade in accordance with the scale described in the section "Grades for Academic Performance" above. The grade points for all applicable coursework shall be totaled and divided by the number of courses completed. Pass/Fail grades shall not be included in the determination of a student's GPA.

(cf. 5126 - Awards for Achievement)

(cf. 6145 - Extracurricular and Cocurricular Activities)

GRADES/EVALUATION OF STUDENT ACHIEVEMENT (continued)

When plus and minus designations are added to letter grades, they shall not be considered in determining GPA.

Each academic year, the Superintendent or designee shall provide to the Student Aid Commission the GPA of all district students in grade 12, except for students who have opted out or are permitted by the rules of the Student Aid Commission to provide test scores in lieu of the GPA. (Education Code 69432.9)

PROMOTION/ACCELERATION/RETENTION

The Board of Education expects students to progress through each grade level within one school year. Toward this end, instruction shall be designed to accommodate the variety of ways that students learn and provide strategies for addressing academic deficiencies as needed.

Students shall progress through the grade levels by demonstrating growth in learning and meeting grade-level standards of expected student achievement.

(cf. 6011 - Academic Standards)

(cf. 6146.1 - High School Graduation Requirements)

(cf. 6146.5 - Elementary/Middle School Graduation Requirements)

(cf. 6170.1 - Transitional Kindergarten)

When high academic achievement is evident, the teacher may recommend a student for acceleration to a higher grade level. The student's maturity level shall be taken into consideration in making a determination to accelerate a student.

Teachers shall identify students who should be retained or who are at risk of being retained at their current grade level as early as possible in the school year and as early in their school careers as practicable. Such students shall be identified at the following grade levels: (Education Code 48070.5)

1. Between grades 2 and 3
2. Between grades 3 and 4
3. Between grades 4 and 5
4. Between the end of the intermediate grades and the beginning of the middle school grades
5. Between the end of the middle school grades and the beginning of the high school grades

Students shall be identified for retention on the basis of failure to meet minimum levels of proficiency, as indicated by grades and the following additional indicators of academic achievement:

1. Assessment results on the California Assessment of Student Performance and Progress (CAASPP)
2. Locally adopted district-wide multiple measures of student achievement based on curriculum standards.

PROMOTION/ACCELERATION/RETENTION (continued)

3. Other assessments, data or evaluations that provide relevant information for the decision.
4. Attendance

(cf. 5121 - Grades/Evaluation of Student Achievement)

Students between grades 2 and 3 and grades 3 and 4 shall be identified primarily on the basis of their level of proficiency in reading. Proficiency in reading, English language arts, and mathematics shall be the basis for identifying students between grades 4 and 5, between intermediate and middle school grades, and between middle school grades and high school grades. (Education Code 48070.5)

(cf. 6142.91 - Reading/Language Arts Instruction)

(cf. 6142.92 - Mathematics Instruction)

If a student does not have a single regular classroom teacher, the Superintendent or designee shall specify the teacher(s) responsible for the decision to promote or retain the student. (Education Code 48070.5)

The teacher's decision to promote or retain a student may be appealed in accordance with AR 5123 - Promotion/Acceleration/Retention.

When any student in grades 2-9 is retained or recommended for retention, the Superintendent or designee shall offer an appropriate program of remedial instruction to assist the student in meeting grade-level expectations. The Superintendent or designee also may offer supplemental instruction to a student in grades 2-6 who is identified as being at risk for retention. (Education Code 37252.2, 37252.8, 48070.5)

PROMOTION/ACCELERATION/RETENTION**Acceleration from Kindergarten to First Grade**

Any student who meets the age eligibility requirement and has completed one year of kindergarten shall be admitted to first grade unless the parent/guardian and the Superintendent or designee agree that the student shall continue in kindergarten. (Education Code 48010, 48011)

(cf. 5111 - Admission)

A student who does not meet the age eligibility requirement may be admitted to first grade at the discretion of the Superintendent or designee and with the consent of the parent/guardian upon determination that the student is ready for first-grade work, subject to the following minimum criteria: (Education Code 48011; 5 CCR 200)

1. The student is at least five years of age.
2. The student has attended a public school kindergarten for a long enough time to enable school personnel to evaluate his/her ability.
3. The student is in the upper five percent of his/her age group in terms of general mental ability.
4. The physical development and social maturity of the student are consistent with his/her advanced mental ability.
5. The parent/guardian of the student has filed a written statement with the district approving the placement in first grade.

Continuation in Kindergarten

Whenever the Superintendent or designee and the parents/guardians agree that a student shall continue in kindergarten for an additional year, the Superintendent or designee shall secure an agreement, signed by the parent/guardian, stating that the student shall continue in kindergarten for not more than one additional school year. (Education Code 46300, 48011)

The Superintendent or designee shall not approve a student's continuation in kindergarten until the student has been enrolled in kindergarten for close to one school year.

Retention at Other Grade Levels

If a student is identified as performing below the minimum standard for promotion to the next grade level based on the indicators specified in Board policy, the student shall be retained in his/her current grade level unless the student's regular classroom teacher, in

PROMOTION/ACCELERATION/RETENTION (continued)

collaboration with the Student Study Team or Multitiered System of Support Team, determines, in writing, that retention is not the appropriate intervention for the student's academic deficiencies. This determination shall specify the reasons that retention is not appropriate for the student and shall include recommendations for interventions other than retention that, in the opinion of the teacher, are necessary to assist the student in attaining acceptable levels of academic achievement. (Education Code 48070.5) When a teacher determines that a student is not making progress in meeting grade level standards of achievement, he/she will follow the district Multi-Tiered System of Student Support and document intervention and progress in classroom intervention, school site intervention, and district-level interventions before making a recommendation for retention.

(cf. 5121 - Grades/Evaluation of Student Achievement)

(cf. 6162.5 - Student Assessment)

(cf. 6162.51 - State Academic Achievement Tests)

If the teacher's recommendation to promote is contingent on the student's participation in a summer school or interim session remediation program, the student's academic performance shall be reassessed at the end of the remediation program, and the decision to retain or promote the student shall be reevaluated at that time. The teacher's evaluation shall be provided to and discussed with the student's parents/guardians and the principal before any final determination of retention or promotion. (Education Code 48070.5)

(cf. 6176 - Weekend/Saturday Classes)

(cf. 6177 - Summer Learning Programs)

(cf. 6179 - Supplemental Instruction)

When a student is identified as being at risk of retention, the Superintendent or designee shall so notify the student's parent/guardian as early in the school year as practicable. The student's parent/guardian shall be provided an opportunity to consult with the teacher(s) responsible for the decision to promote or retain the student. (Education Code 48070.5)

(cf. 5145.6 - Parental Notifications)

The Superintendent or designee shall also provide a copy of the district's promotion/retention policy and administrative regulation to those parents/guardians who have been notified that their child is at risk of retention.

Special Circumstances

1. Special Education

For special education students, the Individualized Educational Plan (IEP) shall be the determining factor as to expected levels of performance and achievement of academic

PROMOTION/ACCELERATION/RETENTION (continued)

standards. Students with an IEP shall be promoted or retained based on progress toward the attainment of IEP goals and objectives, if so designed in their IEP.

2. English Language Learners

The rate of English acquisition shall be the determining factor as to expected progress for English Learners in Structured English Immersion Programs. Academic progress toward grade level core curriculum standards shall be the determining factor as to expected levels of performance and achievement for English learners in Primary Language programs and in Dual Immersion Program.

Dual Immersion Program.

When a student in grades 2-9 is retained or recommended for retention, the Superintendent or designee shall offer an appropriate program of remedial instruction to assist the student in meeting grade-level expectations. The district also may offer supplemental instruction to a student in grades 2-6 who is identified as being at risk for retention. (Education Code 37252.2, 37252.8, 48070.5)

(cf. 6176 - Weekend/Saturday Classes)

(cf. 6177 - Summer Learning Programs)

(cf. 6179 - Supplemental Instruction)

Appeal Process

Whenever a student's parent/guardian appeals the teacher's decision to promote or retain a student, the burden shall be on the parent/guardian to show why the teacher's decision should be overruled. (Education Code 48070.5)

To appeal a teacher's decision, the parent/guardian shall submit a written request to the Superintendent or designee specifying the reasons that the teacher's decision should be overruled. The appeal must be initiated within 10 school days of the determination of retention or promotion.

The teacher shall be provided an opportunity to state orally and/or in writing the criteria on which his/her decision was based.

Within 30 days of receiving the request, the Superintendent or designee shall determine whether or not to overrule the teacher's decision. Prior to making this determination, the Superintendent or designee may meet with the parent/guardian and the teacher. If the Superintendent or designee determines that the parent/guardian has overwhelmingly proven that the teacher's decision should be overruled, he/she shall overrule the teacher's decision.

PROMOTION/ACCELERATION/RETENTION (continued)

The Superintendent or designee's determination may be appealed by submitting a written appeal to the Board of Education within 15 school days. Within 30 days of receipt of a written appeal, the Board shall meet in closed session to decide the appeal. The Board's decision may be made on the basis of documentation prepared as part of the appeal process or, at the discretion of the Board, the Board may also meet with the parent/guardian, the teacher, and the Superintendent or designee to decide the appeal. The decision of the Board shall be final.

(cf. 9321 - Closed Session Purposes and Agendas)

(cf. 9321.1 - Closed Session Actions and Reports)

If the final decision is unfavorable to the parent/guardian, he/she shall have the right to submit a written statement of objections which shall become part of the student's record.
