## GENERAL PROVISIONS

1. **ASSIGNMENT/DELEGATION:** Neither party hereto shall assign, sublet or transfer any interest in this agreement or any duty thereunder without the written consent of the other.
2. **INDEPENDENT CONTRACTOR:** The parties intend that Consultant shall act as an independent contractor and is not to be considered an agent or employee of District. Therefore, the District is interested only in the results to be achieved. The Contractor is expected to use his or her special expertise, discretion and professional judgment in carrying out the duties of this Agreement. The Contractor has the responsibility and discretion to make appropriate decisions in planning and implementation of the contract duties. The Contractor shall devote his or her best efforts to rendering the requested services on behalf of the District, but may also be engaged in the rendering of such services or in any other business opportunity on his or her own behalf as long as such additional services do not create a conflict of interest or unreasonably interfere with the satisfactory performance of his or her duties pursuant to this Agreement.
3. **INDEMNIFICATION:** Consultant shall indemnify and hold District harmless from any liability, claim, action, cost, damage or loss for injury, including death, to any person or damage to any property arising out of Consultant's activities under this agreement, or from acts or omissions of any person(s) employed by Contractor.

Contractor acknowledges that the District is not Contractor's employer and that he/she is not covered by the District's Workers' Compensation insurance since Contractor is an independent contractor.

In the event District elects to terminate the agreement without cause, it shall pay Consultant for services rendered to such date. Consultant shall receive payment for all services satisfactorily rendered to such date.
7. **EXTRA/CHANGED WORK:** Only the Superintendent may authorize extra (and/or changed) work. The parties expressly recognize that District and school personnel are without authorization to order extra/changed work or waive contract requirements. 15. **ENFORCEMENT:** This Agreement shall be subject to the laws of the State of California.
16. **DISPUTES:** It is mutually agreed between the parties that arbitration shall be the sole and exclusive remedy to redress any and all disputes, claims or controversies arising out of or related to this contract including without limitation the interpretation of the Agreement, its terms and conditions, breach of the Agreement, termination of this Agreement and all claims alleging discrimination prohibited by law, such as, but not limited to, the Age Discrimination and Employment Act, Title VII, and the Fair Employment and Housing Act. It is the intention of the parties that an arbitration decision or award will be final and binding and that a judgment on the award may be entered in any court of competent jurisdiction and enforcement may be had according to its terms. It is understood that by electing to use final binding arbitration to resolve any disputes, the parties are waiving voluntarily their rights to a jury trial or resolution through any applicable administrative remedy. The parties will split the expense of arbitration equally.
