Therefore, the District is interested only in the results to be achieved. The Contractor is expected to use his or her special expertise, discretion and professional judgment in carrying out the duties of this Agreement. The Contractor has the responsibility and discretion to make appropriate decisions in planning and implementation of the contract duties. The Contractor shall devote his or her best efforts to rendering the requested services on behalf of the District, but may also be engaged in the rendering of such services or in any other business opportunity on his or her own behalf as long as such additional services do not create a conflict of interest or unreasonably interfere with the satisfactory performance of his or her duties pursuant to this Agreement.
