- 1 - Wire, hardware and interconnect cables

Estimated equipment cost	\$16,253.00
Tax	1,259.60
Estimated Labor	11,000.00
 Estimated Total	 \$28,512.60

There is the question of who is going to run the speaker cables and if they are going to need to be in conduit??

Melanie Rashbaum-Griffiths <melanie.griffiths@vpcsonline.com>

Fwd: Snow MPR A/V equipment

All --

- Screen and installation will be provided by contractor
- Speaker cables do not need to be in a conduit, however, conduit is available to run the speaker cables. The speaker cable run is NOT included in the Arntz scope.

Any questions, please contact me.

Ray,

Attached is the quote for the electronics needed for the Snow MPR system. There was a question about running the audio wire that was a grey area. If you could clarify, that would be great. Also I believe the contractor is providing the screen and installation of the screen?

Feel free to ask me questions.

Thank You,

*Jerry Gillgren,
