Project Title: English as a Second Language Classes

Project Dates: September 6-November 22, 2019

Project Description:

One Workplace Training ESL Language Course for employees of Opus One Winery will be taught. These courses will include curriculum developed specifically for the agency, to be delivered at Opus One by qualified and credentialed instructors.

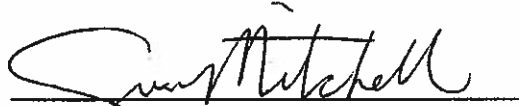

The following cost is for 18 hours of teaching funded by Opus One Winery. The classes will be taught on mutually agreed upon days and times for up to twenty employees in each session. Payment will be invoiced in two parts: one-half at the beginning of the course and the other half at the end of the course.

Program Development, Assessment, and	\$3,364.27
