

This **Memorandum of Understanding** is between the **Napa Valley Unified School District and Mentis**. It shall serve as the Operational Agreement as required pursuant to the California Governor's Office of Emergency Services ("Cal OES") Bullying & School Violence Advocacy (XB) Program for Grant period January - December, 2020, as stated in its Request for Proposal. **Napa Valley Unified School District** will assist students harmed by bullying and other crimes and coordinate services through its Student Services Department by:

- Identifying and making appropriate referrals to Mentis therapists/services.
- Collaborating with Mentis therapists/staff to implement the bullying and school violence program, including coordination of student care, outreach, and education efforts.
- Provide information and advocacy for identified students within the educational system.

Mentis agrees to:

- Provide mental health treatment/counseling to students and their families referred by school personnel.
- Services will be offered at three Elementary School sites and one Middle School site.
- Communicate and coordinate care with staff at each school site and well as any district staff delivering behavioral health services.
- Make referrals to other support services and other resources such as Victims Crime Compensation, and the police tip line.
- Work with school/district staff to offer outreach and education about this program and related resources to parents, schools, and the larger community.

The signatures below indicate acknowledgement of the agreement and commitments under this Memorandum of Understanding. This agreement shall be in effect upon funding of the *Cal OES Bullying and School Violence Advocacy (XB) Program* anticipated start date of January 1, 2020 and end date of December 31, 2020.
