

Napa Valley Unified School District

2019-2020 First Interim Financial Report Period Narrative

California Education Code Section 42131 requires the Napa Valley Unified School District (NVUSD) to submit two certified financial interim reports per year. This first report also known as First Interim is based on data from July 1, 2019, through October 31, 2019. The purpose of these reports is to determine whether or not the District will be able to meet its financial obligations for the remainder of the fiscal year and two successive years. Districts are required to certify one of three statements:

1. **Positive Certification** which means that the district **will be able** to meet its financial obligations.
2. **Qualified Certification** which means that the district **may not be able** to meet its financial obligations if certain events occur.
3. **Negative Certification** which means that the District **will not be able** to meet its financial obligations.

2019-2020 First Interim Financial Report Period Narrative

This First Interim Financial Report is based on a series of critical assumptions as outlined in the following narrative. Based solely on information available as of the publication of this report, the Business Office believes that the Napa Valley Unified School District will be able to meet all existing obligations through June 30, 2022, by reducing expenditures and actively pursuing new revenue, and is thereby presenting a **Positive Certification of the First Interim Report for approval.**

Background:

The First Interim Financial Report affords the District's Board, the County Office of Education and the California Department of Education an opportunity to assess how the District is performing financially. Budgets are adopted in June, often before actual funding is known and revisions to the budget are made once the State budget has been adopted. The First Interim Financial Report provides the Board of Education (and the State of California) an opportunity to measure actual expenditures as of October 31st to the revised budget and projected expenses. The First Interim Financial Report is important in that it should give an accurate but generally conservative picture as to where the District will end the fiscal year and to develop a budget plan. It is important to note that while it is an accurate picture as of October 31, 2019, and can be used for educated predictions, it is only a picture in time and there are many events that may change the outcome.

Fiscal Condition

Even though NVUSD has a Board Adopted Reserve Policy of 7.5%, reserves have not been above this level since 2014. This is the result of expenditures being greater than revenues for most years and not reducing expenditures to address the significant enrollment decline. In 2018-2019, there was a positive shift in financial health as NVUSD made significant cuts to expenditures. As a result, reserves have improved and continue to move towards the Board Adopted Policy of 7.5%. **Even though reserves hit a low of 3.69% in 2017, they are currently at 6% for First Interim.** Due to declining enrollment, increased cost of employee benefits, and increased cost in liability insurance, NVUSD will need to continue to make significant cuts to expenditures for the foreseeable future in order to continue to improve their financial health.

ENROLLMENT ANALYSIS:

Enrollment is the key variable in the District's budget development as it impacts revenue, staffing, instructional supplies, and facilities. Enrollment in the District has declined from 17,278 in 2014-15 to 16,739 in 2019-2020. Due to the high cost of living in the Napa Valley and American Canyon in comparison to the local job market and low birth rates, enrollment is expected to continue to decline for the foreseeable future.

River Charter converted to a district school in 2019-2020, resulting in an increase of 417 students from River. After adjusting for this, the decline from 2018-19 to 2019-2020 was 204 students.

Average Daily Attendance

The District runs a Saturday School to make up lost Average Daily Attendance due to absences. As a result, we utilize a 96% ratio of Enrollment to Average Daily Attendance for revenue projections. Funding is predicated on the Average Daily Attendance of the district, so reductions will be necessary to adjust for the loss of students in the future years.

Budget Assumptions

Because there can be many unpredictable factors affecting revenues and expenditures, it is important to develop and utilize budget assumptions based on the best information available at the time financial reports are approved. The First Interim Report, therefore, should be considered a “snapshot in time” of the financial plan of the District on the date it is approved. As the school year progresses, variables change and the budget will be updated by staff.

REVENUE ASSUMPTIONS

- The current budget was adjusted to reflect the adopted State budget
 - LCFF funding is calculated based on the state formula, but reduced for enrollment decline of approximately 200 students per year.

REVENUE ASSUMPTIONS (continued)

- o Special Education
 - The district will receive \$2 million in SPED Funds for 2019-20
 - Only \$1 million of the SPED funds are projected to continue for each of the out years due to possible formula changes
- o Pension fund augmentation
 - \$1 million is included for budget year
 - No additional pension augmentation was included in the out years since it was a one-time augmentation
- o District received over \$1 million in MAA funds for last year, but due to their uncertainty are not carried forward
- o The District unexpectedly closed school due to PG&E Planned Power Outages for approximately 3.5 days. It is assumed that the J-13 waiver will be approved.
- Local Revenues have remained relatively flat with an increase for rents and fees.
- Contributions from the general fund to special education continue to increase as program costs increase

EXPENDITURE ASSUMPTIONS

- Budget Cuts of approximately \$5,000,000 in 2020-2021
 - o Projected savings due to closure of Mt. George and Yountville
 - o \$2,800,000 reduction in certificated salary costs
 - Reduction of 40 certificated FTE as follows:
 - Reduction at secondary level due to staffing to contract language
 - Reduction due to declining enrollment
 - Reduction of Teachers on Special Assignment
 - o \$730,000 reduction in benefits due to FTE reduction above
 - o Reduction of \$400,000 in classified support due to declining enrollment
 - o Reduce Food Services encroachment by \$300,000 per year for both out years

Napa Valley Unified School District

2019-2020 First Interim Financial Report Period Narrative

- Property and liability insurance costs increase by \$600,000 in each of the out years (\$1,200,000 total)
- Even with reductions in certificated and classified salary costs due to reduced FTE, certificated and salaries are projected to grow because of step and column and COLA

CONCLUSION:

With enrollment declines and other increasing costs, the District is faced with the serious task of addressing reductions in this year and beyond to maintain a balanced budget and address fiscal solvency issues.

It is the recommendation of staff that the First Interim Financial Report for 2019-20, for the period ending October 31, 2019, be approved by the Board with a **positive certification.**
