### School Description

Orrenmaa Elementary School is located in the western region of Riverside and serves students in grades transitional kindergarten through five following a traditional calendar.

At Orrenmaa, our vision is to create a school environment where ALL students, staff and the community are empowered with a growth mindset for learning. Orrenmaa Elementary School utilizes a comprehensive and equitable framework designed to create a unique culture that develops the social, emotional, physical and academic rigor of the students, staff, families and community. All stakeholders are included in making data driven decisions designed for differentiated instruction and 21st century learning. Through this framework we have agreed that with collaboration, data driven instruction, and a focus on student needs we will empower students, staff and the community with a growth mindset for learning in a culture that nurtures the skills to achieve lifelong excellence. This is accomplished through expanding professional development of all staff, engaging families and involving the community.

### Mission Statement

Alvord Unified School District, a dynamic learning community that embraces innovation, exists to ensure all students attain lifelong success through a system distinguished by:

- Active and inclusive partnerships
- Relationships that foster a culture of trust and integrity
- High expectations and equitable learning opportunities for all
- A mindset that promotes continuous improvement
- Multiple opportunities for exploration and creativity
- Professional development that promotes quality teaching and learning
- Access to learning experiences that promote a high quality of life

In addition, all schools strive to attain the Alvord vision that all students will realize their unlimited potential.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)**

On September 24, 2020, Alvord Unified School District’s Board of Education held a public hearing to comply with requirements of Education Code Section 60019. Information provided at the public hearing detailed (1) the extent to which standards-aligned textbooks and instructional materials were provided to all students, including English learners; (2) the definition of “sufficient textbooks or instructional materials” means each student has a textbook or materials, or both, to use in class and to take home and does not mean the district is required to have two sets of textbooks for each student; (3) sufficient textbooks and instructional materials were provided to each student, including English learners, in math, English language arts & English language development, history-social science, and science; (4) sufficient textbooks and instructional materials were provided to each student enrolled in foreign language and health classes; and (5) sufficient laboratory science equipment was provided for science laboratory classes offered in grades 9-12. During this hearing, the governing board determined that Alvord Unified School District provided each student with sufficient textbooks and instructional materials aligned to the California academic content standards consistent with the cycles and content of the California curriculum frameworks.

In addition, Alvord Unified School District has sufficient standards-aligned textbooks and instructional materials for all students, including English learners, enrolled in visual and performing arts classes. Developing a long-term textbook adoption plan for textbooks is in process.

School uses the governing board adopted textbooks and instructional materials as detailed in the table:

**Textbooks and Instructional Materials**

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Orrenmaa Elementary School, built in 1965, is located on 9.9 acreage and its square footage totals 46,749. The school has 30 permanent classrooms, one portable classroom, four sets of restrooms, one computer lab, one multipurpose room, and one library. On-going campus improvements and maintenance ensure facilities are up to date and provide adequate space for students and staff.

Alvord Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California OPSC. Results of this survey are available in the school office or at the district. In addition, district maintenance staff makes repairs necessary to keep the school in good repair and working order. A district-wide work order process is used to ensure efficient service and to prioritize repairs.

The school is cleaned on a regular basis with one day custodian and one evening custodian who work with the principal to develop a cleaning schedule to maintain a clean and safe environment for all students before, during and after the instructional day.

\* All FIT report repairs described in the following table are completed, in progress, or planned for repair.

**School Facility Good Repair Status (Most Recent Year)**

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

**Year and month in which data were collected: November 17, 2020**

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
ELA	37	N/A	42	N/A	50	N/A
Math	20	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

**Opportunities for Parental Involvement (School Year 2020-21)**

Parents are welcome at school and are encouraged to get involved by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

The school communicates with parents about upcoming events through parent conferences, progress reports, school newsletters, Peachjar, phone calls, the school website: [www.alvordschools.org/domain/15](http://www.alvordschools.org/domain/15), YouTube: [orrenmaaelementary](https://www.youtube.com/channel/UCorrenmaaelementary), and Twitter: [@orrenmaaowls](https://twitter.com/orrenmaaowls). Teachers use Class Dojo and Remind to connect with students and families. Contact the school office at (951) 358-1635 for more information on how to become involved in your child's learning environment.

**Volunteer Opportunities:**

- Classroom Helper
- School Activities
- Watch D.O.G.S (Dads of Great Students)
- Valet Drop Off
- 100 Mile Club
- Parent Teacher Association
- The Lemonade Stand

**School Advisory Groups & Committees:**

- English Learner Advisory Council
- Parent Teacher Association
- School Site Council
- Coffee with the Principal

School Events:  
 Parent Education Workshops  
 Bully Free Friends Club  
 Family Fun Nights  
 Picnic with Parents  
 Math Night  
 Multi-cultural Night  
 Science Night  
 Literacy Night

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

The Comprehensive School Safety Plan was discussed with staff, evaluated, amended, reviewed, and updated in November 30, 2020. This plan, developed in collaboration with the school, local agencies and the district office, fulfills all legal requirements and complies with EC 32280-89. A school disaster preparedness plan that deals with a wide variety of emergency situations is included into the School Safety Plan. Earthquake, fire, and lockdown drills are conducted as required. The key elements of the Comprehensive School Safety Plan include an assessment of current status of school crime; dress code policy; child abuse reporting procedures; routine and emergency disaster procedures; safe movement of students, parents and staff to and from school; maintaining a safe and orderly school environment; sexual harassment policy; safety procedures; suspension, expulsion, and mandatory expulsion policies; teacher notification of dangerous students policy; anti-bullying policy; and school discipline rules and procedures pursuant to EC 35291 and 35291.5.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.2	0.8	2.8	2.6	3.5	3.5
Expulsions	0.2	0.0	0.3	0.5	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			2.5
Expulsions	0		0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**Professional Development (Most Recent Three Years)**

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	20	23	

All staff members participate in professional development offered by the school. In addition, many staff members participate in additional trainings appropriate for individual needs or for specific programs sponsored by the district through departments. Site professional development is held during early release and grade level/subject collaboration days. These collaborations focus on the cycle of inquiry and plan for first, best instruction after a review of standards and students results on formative and summative assessments. District professional development includes release days and after school workshops. When appropriate to meet the needs of students, staff attends conferences. District instructional coaches and site academic coaches support certificated and paraprofessional staff by providing workshop opportunities, individual mentoring, and in-class coaching. New teachers are supported by the Teacher Induction Program that includes coaching and mentoring. Classified paraprofessionals and support staff attend job-related training provided by the site and district.

During 2019-, Orrenmaa Elementary School's professional development focused on common core state standards, English learner needs, Early Numeracy, and Cognitively Guided Instruction (CGI).

Alvord Unified School District provided professional development for teachers and support staff in 2019-20 on various topics related to state mandated assessments (SBAC, ELPAC), special education assessments, interim assessments, formative assessments (PELI, DIBELS), student data chats, Aeries/CALPADS data management for specific school staff, instructional strategies for English learners, interventions with Wonderworks, behavior supports, mandated special education forms/plans, crisis response, student success teams, and Aeries gradebook.

The annual number of school days dedicated to staff development and/or collaboration are attended by either all staff, grade level teams, or subject level teachers:

2018-19: 20

2019-20: 23

2020-21: 23

#### Types of Services Funded

In addition to local, state, and federal funds for special education and the base educational program, Orrenmaa Elementary School received the following supplemental state and federal funds in 2019-20:

State Local Control Funding Formula Supplemental & Concentration Grants to increase or improve services for low income students, English learners and/or foster youth.

Federal Title I funds to provide school-wide supplemental services to support students identified as not meeting the rigorous state academic standards. Specific services and actions are described in the school's School Plan and/or the District's Local Control and Accountability Plan.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description

Arlanza Elementary School is located in the northeastern region of Riverside and serves students in the grades transitional kindergarten through five following a traditional calendar.

Arlanza is committed to ensuring each student develops the literacy and numeracy skill necessary for future success in college and career. The school community - parents, teachers and administrators - are partners in the educational process. All work diligently and collaboratively to help develop knowledgeable, productive, and self-reliant citizens of the globe. We embrace the values of courage, inclusiveness, innovation and integrity.

### Mission Statement

Alvord Unified School District, a dynamic learning community that embraces innovation, exists to ensure all students attain lifelong success through a system distinguished by:

- Active and inclusive partnerships
- Relationships that foster a culture of trust and integrity
- High expectations and equitable learning opportunities for all
- A mindset that promotes continuous improvement
- Multiple opportunities for exploration and creativity
- Professional development that promotes quality teaching and learning
- Access to learning experiences that promote a high quality of life

In addition, all schools strive to attain the Alvord vision that all students will realize their unlimited potential.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)**

On September 24, 2020, Alvord Unified School District’s Board of Education held a public hearing to comply with requirements of Education Code Section 60019. Information provided at the public hearing detailed (1) the extent to which standards-aligned textbooks and instructional materials were provided to all students, including English learners; (2) the definition of “sufficient textbooks or instructional materials” means each student has a textbook or materials, or both, to use in class and to take home and does not mean the district is required to have two sets of textbooks for each student; (3) sufficient textbooks and instructional materials were provided to each student, including English learners, in math, English language arts & English language development, history-social science, and science; (4) sufficient textbooks and instructional materials were provided to each student enrolled in foreign language and health classes; and (5) sufficient laboratory science equipment was provided for science laboratory classes offered in grades 9-12. During this hearing, the governing board determined that Alvord Unified School District provided each student with sufficient textbooks and instructional materials aligned to the California academic content standards consistent with the cycles and content of the California curriculum frameworks.

In addition, Alvord Unified School District has sufficient standards-aligned textbooks and instructional materials for all students, including English learners, enrolled in visual and performing arts classes. Developing a long-term textbook adoption plan for textbooks is in process.

School uses the governing board adopted textbooks and instructional materials as detailed in the table:

**Textbooks and Instructional Materials**

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Arlanza Elementary School, built in 1956, is located on 11.5 acreage and its square footage totals 54,429. The school has 30 permanent classrooms, six portable classrooms, four sets of restrooms, one computer lab, one staff lounge, one multipurpose room, one library, three computer labs (mobile) and three sets of staff restrooms . On-going campus improvements and maintenance ensure facilities are up to date and provide adequate space for students and staff.

Alvord Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California OPSC. Results of this survey are available in the school office or at the district. In addition, district maintenance staff makes repairs necessary to keep the school in good repair and working order. A district-wide work order process is used to ensure efficient service and to prioritize repairs.

The school is cleaned on a regular basis with a day custodian and evening custodians who work with the principal to develop a cleaning schedule to maintain a clean and safe environment for all students before, during and after the instructional day. Deferred Maintenance projects planned for this school year include to 1) landscape/irrigate the southeast portion of the playground, 2) landscape/irrigate between each row of classroom buildings in four locations, 3) paint the covered wood walkway, exterior doors, metal post and fascia trim, and 3) asphalt around the library and empty lot adjacent to the kindergarten playground.

\* All FIT report repairs described in the following table are completed, in progress, or planned for repair.

**School Facility Good Repair Status (Most Recent Year)**

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

**Year and month in which data were collected: November 12, 2020**

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	33	N/A	42	N/A	50	N/A
Math	21	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

Parents are welcome at school and are encouraged to get involved by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

The school staff communicates with parents about school events through a variety of avenues: flyers, parent conferences, the school website, Facebook, Twitter, Remind, Class Dojo, Blackboard Connect (automated telephone message delivery system), and student planners. Contact the principal at (951) 358-1600 for more information on how to become involved in your child's learning environment.

#### Volunteer Opportunities:

Chaperone Activities and Fieldtrips  
Fundraising Activities  
Classroom Volunteers  
School Sponsored Club  
Parent Teacher Organization Events

#### School Advisory Groups & Committees:

English Learner Advisory Council  
School Site Council  
Action Team for Partnerships (ATP)/Family Engagement  
Parent Teacher Organization (PTO)

#### School Events:

Back to School Night  
Open House  
Student Performances

Student Recognition Assemblies  
 College and Career Events  
 Fall and Spring Festivals/Health Fairs  
 Family Literacy Nights  
 Family Involvement Nights  
 Principals' Coffee  
 Early Childhood Learning Activities

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

The Comprehensive School Safety Plan was discussed with staff, evaluated, amended, reviewed, and updated in January, 2021. This plan, developed in collaboration with the school, local agencies and the district office, fulfills all legal requirements and complies with EC 32280-89. A school disaster preparedness plan that deals with a wide variety of emergency situations is included into the School Safety Plan. Earthquake, fire, and lockdown drills are conducted as required. The key elements of the Comprehensive School Safety Plan include an assessment of current status of school crime; dress code policy; child abuse reporting procedures; routine and emergency disaster procedures; safe movement of students, parents and staff to and from school; maintaining a safe and orderly school environment; sexual harassment policy; safety procedures; suspension, expulsion, and mandatory expulsion policies; teacher notification of dangerous students policy; anti-bullying policy; and school discipline rules and procedures pursuant to EC 35291 and 35291.5.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	1.6	1.0	2.8	2.6	3.5	3.5
Expulsions	0.0	0.0	0.3	0.5	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0		2.5
Expulsions	0		0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**D. Other SARC Information**

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

**Ratio of Pupils to Academic Counselor (School Year 2019-2020)**

**Professional Development (Most Recent Three Years)**

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	43	43	36

All staff members participate in professional development offered by the school. In addition, many staff members participate in additional trainings appropriate for individual needs or for specific programs sponsored by the district through departments. Site professional development is held during early release and grade level/subject collaboration days. These collaborations focus planning for first, best instruction after a review of standards and students results on formative and summative assessments. District professional development includes release days and after school workshops. When appropriate to meet the needs of students, staff attends conferences. District instructional coaches and site academic coaches support certificated and paraprofessional staff by providing workshop opportunities, individual mentoring, and in-class coaching. New teachers are supported by the Teacher Induction Program that includes coaching and mentoring. Classified paraprofessionals and support staff attend job-related training provided by the site and district.

During 2019-2020, Arlanza Elementary School's professional development focused on:

- Reading Workshop Framework
- Implementing Teachers College Reading and Writing Project Reading Units of Study in Reading & Writing
- Administering and Scoring Running Records
- Analyzing Student Data
- Goal Setting
- Flexible Student Grouping
- Guided Reading Instruction
- Strategy Group Instruction
- Book Club Instruction
- Read Aloud Instruction

One on one student conferencing instruction

Alvord Unified School District provided professional development for teachers and support staff in 2018-19 on various topics related to state mandated assessments (SBAC, ELPAC), special education assessments, interim assessments, formative assessments (PELI, DIBELS), student data chats, Aeries/CALPADS data management for specific school staff, instructional strategies for English learners, interventions with Wonderworks, behavior supports, mandated special education forms/plans, crisis response, student success teams, and Aeries gradebook.

The annual number of school days dedicated to staff development and/or collaboration are attended by either all staff, grade level teams, or subject level teachers:

2016-17: 33

2017-18: 33

2018-19: 43

2019-20: 43

**Types of Services Funded**

In addition to local, state, and federal funds for special education and the base educational program, Arlanza Elementary School received the following supplemental state and federal funds in 2019-2020:

State Local Control Funding Formula Supplemental & Concentration Grants to increase or improve services for low income students, English learners or foster youth.

Federal Title I funds to provide school-wide supplemental services to support students identified as not meeting the rigorous state academic standards. Specific services and actions are described in the school's School Plan and/or the District's Local Control and Accountability Plan.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description

Collett Elementary School is located in the southwestern region of Riverside and serves students in grades transitional kindergarten through five following a traditional calendar.

At Collett Elementary we are focused on ensuring the academic success of all students in a safe and nurturing environment. We focus on both academic and character development. Students receive rigorous and engaging instruction based on Common Cores State Standards by a highly professional and dedicated staff. We analyze student progress to refine the instructional program on a continual basis.

We are committed to provide first best instruction to all students and to intervene on behalf of students to ensure that all students' attain a level of proficiency in Reading Language Arts and Mathematics to prepare them to be college and career ready. As we work together, we emphasize the values of courage, inclusiveness, innovation and integrity and all students will be challenged to realize their unlimited potential.

### Mission Statement

Alvord Unified School District, a dynamic learning community that embraces innovation, exists to ensure all students attain lifelong success through a system distinguished by:

- Active and inclusive partnerships
- Relationships that foster a culture of trust and integrity
- High expectations and equitable learning opportunities for all
- A mindset that promotes continuous improvement
- Multiple opportunities for exploration and creativity
- Professional development that promotes quality teaching and learning
- Access to learning experiences that promote a high quality of life

In addition, all schools strive to attain the Alvord vision that all students will realize their unlimited potential.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)**

On September 24, 2020, Alvord Unified School District’s Board of Education held a public hearing to comply with requirements of Education Code Section 60019. Information provided at the public hearing detailed (1) the extent to which standards-aligned textbooks and instructional materials were provided to all students, including English learners; (2) the definition of “sufficient textbooks or instructional materials” means each student has a textbook or materials, or both, to use in class and to take home and does not mean the district is required to have two sets of textbooks for each student; (3) sufficient textbooks and instructional materials were provided to each student, including English learners, in math, English language arts & English language development, history-social science, and science; (4) sufficient textbooks and instructional materials were provided to each student enrolled in foreign language and health classes; and (5) sufficient laboratory science equipment was provided for science laboratory classes offered in grades 9-12. During this hearing, the governing board determined that Alvord Unified School District provided each student with sufficient textbooks and instructional materials aligned to the California academic content standards consistent with the cycles and content of the California curriculum frameworks.

In addition, Alvord Unified School District has sufficient standards-aligned textbooks and instructional materials for all students, including English learners, enrolled in visual and performing arts classes. Developing a long-term textbook adoption plan for textbooks is in process.

School uses the governing board adopted textbooks and instructional materials as detailed in the table:

**Textbooks and Instructional Materials**

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Collett Elementary School, built in 1960, is located on 10.4 acreage and its square footage totals 61,962. The school has 33 permanent classrooms, 11 portable classrooms, three sets of restrooms, one computer lab, one staff lounge, three playgrounds, one library and one multipurpose room. On-going campus improvements and maintenance ensure facilities are up to date and provide adequate space for students and staff.

Alvord Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California OPSC. Results of this survey are available in the school office or at the district. In addition, district maintenance staff makes repairs necessary to keep the school in good repair and working order. A district-wide work order process is used to ensure efficient service and to prioritize repairs.

The school is cleaned on a regular basis with a day custodian and evening custodians who work with the principal to develop a cleaning schedule to maintain a clean and safe environment for all students before, during and after the instructional day. Deferred Maintenance projects planned for this school year include to repair roofs.

\* All FIT report repairs described in the following table are completed, in progress, or planned for repair.

**School Facility Good Repair Status (Most Recent Year)**

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

**Year and month in which data were collected: November 12, 2020**

<b>Overall Rating</b>	<b>Good</b>	

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
ELA	40	N/A	42	N/A	50	N/A
Math	28	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

Parents are welcome at school and are encouraged to get involved by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

The school communicates with parents about upcoming school events through email, letters, monthly calendars, parent conferences, progress reports, the school marquee, the school website, and weekly phone and text messages. We have the ATP (Action Teams for Partnerships). This team consists of parents, teachers, the counselor, and the principal. The goal of the team is to develop a clear mission and plan for family and community engagement. Contact a teacher or a PTA member at (951) 358-1605 for more information on how to become involved in your child's learning environment and the many activities throughout the year.

#### Volunteer Opportunities:

Chaperone Field Trips  
Classroom Helper  
Fundraising Activities  
PTA events

#### School Advisory Groups & Committees:

English Learner Advisory Council  
Parent Teacher Association  
School Site Council  
Action Team for Partnership

**School Events:**

- Back to School Night
- Family Nights
- Movie Night
- Open House
- PTA Sponsored Events
- Student Performances
- Student Recognition Assemblies
- Parent Conferences
- Perfect Attendance Incentive Quarterly
- Parent Workshops
- Book Club
- 100 Mile Club
- Parent Involvement Week

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

The Comprehensive School Safety Plan was discussed with staff, evaluated, amended, reviewed, and updated in January 2021. This plan, developed in collaboration with the school, local agencies and the district office, fulfills all legal requirements and complies with EC 32280-89. A school disaster preparedness plan that deals with a wide variety of emergency situations is included into the School Safety Plan. Earthquake, fire, and lockdown drills are conducted as required. The key elements of the Comprehensive School Safety Plan include an assessment of current status of school crime; dress code policy; child abuse reporting procedures; routine and emergency disaster procedures; safe movement of students, parents and staff to and from school; maintaining a safe and orderly school environment; sexual harassment policy; safety procedures; suspension, expulsion, and mandatory expulsion policies; teacher notification of dangerous students policy; anti-bullying policy; and school discipline rules and procedures pursuant to EC 35291 and 35291.5.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	1.0	1.6	2.8	2.6	3.5	3.5
Expulsions	0.0	0.0	0.3	0.5	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			2.5
Expulsions			0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**Professional Development (Most Recent Three Years)**

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	27	30	

All staff members participate in professional development offered by the school. In addition, many staff members participate in additional trainings appropriate for individual needs or for specific programs sponsored by the district through departments. Site professional development is held during early release and grade level/subject collaboration days. These collaborations focus on the cycle of inquiry and plan for first, best instruction after a review of standards and students results on formative and summative assessments. District professional development includes release days and after school workshops. When appropriate to meet the needs of students, staff attends conferences. District instructional coaches and site academic coaches support certificated and paraprofessional staff by providing workshop opportunities, individual mentoring, and in-class coaching. New teachers are supported by the Teacher Induction Program that includes coaching and mentoring. Classified paraprofessionals and support staff attend job-related training provided by the site and district.

During 2016-17, Collett Elementary School's professional development focused on best instructional strategies and formative assessments, creating lessons and interventions aligned with district units of study, leadership team release days, and EL release days.

During 2017-18, Collett Elementary School's professional development focused on implementing AVID Elementary strategies across all grade levels. We also focused on the implementation of foundational skills and interventions to differentiate instruction, using Dibels data. In addition, teachers participated in release days for Step-Up to Writing and math workshops. TK teachers participated in GLAD strategies development.

During 2018-19, Collett Elementary School's professional development focused on math, allowing teachers to participate in Factwise trainings, math release days for planning, ELD and ELA release days for Wonders curriculum and ELD compliance through Language Stations.

Alvord Unified School District provided professional development for teachers and support staff in 2019-20 on various topics related to state mandated assessments (SBAC, ELPAC), special education assessments, interim assessments, formative assessments (PELI, DIBELS), student data chats, Aeries/CALPADS data management for specific school staff, instructional strategies for English learners, interventions with Wonderworks, behavior supports, mandated special education forms/plans, crisis response, student success teams, and Aeries gradebook.

For this year, 2019-20, Collett Elementary School's professional development focused on continuing the implementation of AVID Elementary strategies across all grade levels, specifically focusing on note taking. Teachers also collaborated to create updated pacing guides for English Language Arts and Math.

The annual number of school days dedicated to staff development and/or collaboration are attended by either all staff, grade level teams, or subject level teachers:

2017-18: 30  
 2018-19: 27  
 2019-2020 : 30

**Types of Services Funded**

In addition to local, state, and federal funds for special education and the base educational program, Collett Elementary School received the following supplemental state and federal funds in 2019-20:

State Local Control Funding Formula Supplemental & Concentration Grants to increase or improve services for low income students, English learners or foster youth.

Federal Title I funds to provide school-wide supplemental services to support students identified as not meeting the rigorous state academic standards. Specific services and actions are described in the school's School Plan and/or the District's Local Control and Accountability Plan.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description

Foothill Elementary School is located in the western region of Riverside and serves students in grades kindergarten through five following a traditional calendar.

Our vision at Foothill Elementary School is that our school embodies a community spirit of caring built through the cooperative efforts of students, staff and community in a safe and nurturing environment. We endeavor to achieve high standards for all students.

This yearly School Report Card is provided to our families and the public as a beginning step in helping you to get to know us better. We are proud of our staff and students at Foothill and invite you to become involved at our school. There is a spirit of cooperation and progress at our school, and we want to share that with you.

### Mission Statement

Alvord Unified School District, a dynamic learning community that embraces innovation, exists to ensure all students attain lifelong success through a system distinguished by:

- Active and inclusive partnerships
- Relationships that foster a culture of trust and integrity
- High expectations and equitable learning opportunities for all
- A mindset that promotes continuous improvement
- Multiple opportunities for exploration and creativity
- Professional development that promotes quality teaching and learning
- Access to learning experiences that promote a high quality of life

In addition, all schools strive to attain the Alvord vision that all students will realize their unlimited potential.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)**

On September 24, 2020, Alvord Unified School District’s Board of Education held a public hearing to comply with requirements of Education Code Section 60019. Information provided at the public hearing detailed (1) the extent to which standards-aligned textbooks and instructional materials were provided to all students, including English learners; (2) the definition of “sufficient textbooks or instructional materials” means each student has a textbook or materials, or both, to use in class and to take home and does not mean the district is required to have two sets of textbooks for each student; (3) sufficient textbooks and instructional materials were provided to each student, including English learners, in math, English language arts & English language development, history-social science, and science; (4) sufficient textbooks and instructional materials were provided to each student enrolled in foreign language and health classes; and (5) sufficient laboratory science equipment was provided for science laboratory classes offered in grades 9-12. During this hearing, the governing board determined that Alvord Unified School District provided each student with sufficient textbooks and instructional materials aligned to the California academic content standards consistent with the cycles and content of the California curriculum frameworks.

In addition, Alvord Unified School District has sufficient standards-aligned textbooks and instructional materials for all students, including English learners, enrolled in visual and performing arts classes. Developing a long-term textbook adoption plan for textbooks is in process.

School uses the governing board adopted textbooks and instructional materials as detailed in the table:

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Foothill Elementary School, built in 1959, is located on 10.50 acreage and its square footage totals 45,241. The school has 21 permanent classrooms, eight portable classrooms, four sets of restrooms, one library, one computer lab, three multipurpose rooms, and one teacher's lounge. On-going campus improvements and maintenance ensure facilities are up to date and provide adequate space for students and staff.

Alvord Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California OPSC. Results of this survey are available in the school office or at the district. In addition, district maintenance staff makes repairs necessary to keep the school in good repair and working order. A district-wide work order process is used to ensure efficient service and to prioritize repairs.

The school is cleaned on a regular basis with a day custodian and evening custodians who work with the principal to develop a cleaning schedule to maintain a clean and safe environment for all students before, during and after the instructional day. Deferred Maintenance projects completed this school year include 1) grade and seed area in front of the school and 2) repair asphalt throughout the site.

\* All FIT report repairs described in the following table are completed, in progress, or planned for repair.

**School Facility Good Repair Status (Most Recent Year)**

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

**Year and month in which data were collected: October 9, 2019**

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

ELA	34	N/A	42	N/A	50	N/A
Math	26	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

**Opportunities for Parental Involvement (School Year 2020-21)**

Parents are welcome at school and are encouraged to get involved by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

The school communicates with parents about upcoming school events through flyers, the school marquee, the school website, and Blackboard Connect (automated telephone message delivery system). Contact the Principal or Assistant Principal at (951) 358-1610 for more information on how to become involved in your child's learning environment.

**Volunteer Opportunities:**

- Chaperone Field Trips
- Classroom Helper
- Fundraising Activities
- School Event Volunteers

**School Advisory Groups & Committees:**

- English Learner Advisory Council (ELAC)
- Parent Teacher Association (PTA)
- School Site Council (SSC)
- Action Teams for Partnerships (ATP)
- Parent Advisory Committee (PAC)

**School Events:**

- Back to School Night
- Open House
- Student Performances
- Student Recognition Assemblies
- Spring Dance
- Science Fair
- Spelling Bee
- Career Day

**Trainings and Workshops:**

- Parent University
- ELAC Needs Assessment Trainings

**Parent Involvement Opportunities:**

- Parent Involvement Week
- Fall Festival
- College and Career Days
- Holiday Events
- Academic Family Nights

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

The Comprehensive School Safety Plan was discussed with staff, evaluated, amended, reviewed, and updated in December 3, 2020. This plan, developed in collaboration with the school, local agencies and the district office, fulfills all legal requirements and complies with EC 32280-89. A school disaster preparedness plan that deals with a wide variety of emergency situations is included into the School Safety Plan. Earthquake, fire, and lockdown drills are conducted as required. The key elements of the Comprehensive School Safety Plan include an assessment of current status of school crime; dress code policy; child abuse reporting procedures; routine and emergency disaster procedures; safe movement of students, parents and staff to and from school; maintaining a safe and orderly school environment; sexual harassment policy; safety procedures; suspension, expulsion, and mandatory expulsion policies; teacher notification of dangerous students policy; anti-bullying policy; and school discipline rules and procedures pursuant to EC 35291 and 35291.5.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19

Expulsions	0.2	0.0	0.3	0.5	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			2.5
Expulsions			0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	15	18	4

All staff members participate in professional development offered by the school. In addition, many staff members participate in additional trainings appropriate for individual needs or for specific programs sponsored by the district through departments. Site professional development is held during early release and grade level/subject collaboration days. These collaborations focus on the cycle of inquiry and plan for first, best instruction after a review of standards and students results on formative and summative assessments. District professional development includes release days and after school workshops. When appropriate to meet the needs of students, staff attends conferences. District instructional coaches and site academic coaches support certificated and paraprofessional staff by providing workshop opportunities, individual mentoring, and in-class coaching. New teachers are supported by the Teacher Induction Program that includes coaching and mentoring. Classified paraprofessionals and support staff attend job-related training provided by the site and district.

During 2019-20, Foothill Elementary School's professional development focused on ELD: data analysis, instructional rounds, and designated ELD routines; math number talks; ELA: close reading, text dependent questions, foundational skills, guided reading, and small group instruction; science NGSS.

Alvord Unified School District provided professional development for teachers and support staff in 2019-20 on various topics related to state mandated assessments (SBAC, ELPAC), special education assessments, interim assessments, formative assessments (PELI, DIBELS), student data chats, Aeries/CALPADS data management for specific school staff, instructional strategies for English learners, interventions with Wonderworks, behavior supports, mandated special education forms/plans, crisis response, student success teams, and Aeries gradebook.

The annual number of school days dedicated to staff development and/or collaboration are attended by either all staff, grade level teams, or subject level teachers:

- 2016-17: 15
- 2017-18: 15
- 2018-19: 15
- 2019-20: 18
- 2020-21: 4

**Types of Services Funded**

In addition to local, state, and federal funds for special education and the base educational program, Foothill Elementary School received the following supplemental state and federal funds in 2019-20:

State Local Control Funding Formula Supplemental & Concentration Grants to increase or improve services for low income students, English learners or foster youth.

Federal Title I funds to provide school-wide supplemental services to support students identified as not meeting the rigorous state academic standards. Specific services and actions are described in the school's School Plan and/or the District's Local Control and Accountability Plan.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description

La Granada Elementary School is located in the southwestern region of Riverside and serves students in the grades transitional kindergarten through five following a traditional calendar.

La Granada provides a safe environment where students are actively involved in learning academics as well as character development. Students receive a standards-based curriculum by dedicated professional staff. Ongoing evaluation of student progress and achievement helps us refine the instructional programs so students can achieve academic proficiency.

We have made a commitment to provide the best educational program possible for La Granada students so that all students will progress to meet and exceed standards in Reading Language Arts and Math. We welcome any suggestions or questions you may have about the information contained in this report or about the school. Together, through our hard work, our students will succeed.

### Mission Statement

Alvord Unified School District, a dynamic learning community that embraces innovation, exists to ensure all students attain lifelong success through a system distinguished by:

- Active and inclusive partnerships
- Relationships that foster a culture of trust and integrity
- High expectations and equitable learning opportunities for all
- A mindset that promotes continuous improvement
- Multiple opportunities for exploration and creativity
- Professional development that promotes quality teaching and learning
- Access to learning experiences that promote a high quality of life

In addition, all schools strive to attain the Alvord vision that all students will realize their unlimited potential.

In collaboration to meet our objectives and goals, the La Granada MTSS team developed a compelling message and theory of action as listed below:

If we are going to improve our students' lives and school climate, we have to have vulnerable conversations that reflect our obligation to the whole child.

- If we work to internalize our obligation to meet the needs of all students;
- If we work to develop a vulnerable and professional school culture;
- If we focus on reflecting and improving instruction based on data;
- Then we will improve ALL our students' lives and school climate.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)**

On September 24, 2020, Alvord Unified School District’s Board of Education held a public hearing to comply with requirements of Education Code Section 60019. Information provided at the public hearing detailed (1) the extent to which standards-aligned textbooks and instructional materials were provided to all students, including English learners; (2) the definition of “sufficient textbooks or instructional materials” means each student has a textbook or materials, or both, to use in class and to take home and does not mean the district is required to have two sets of textbooks for each student; (3) sufficient textbooks and instructional materials were provided to each student, including English learners, in math, English language arts & English language development, history-social science, and science; (4) sufficient textbooks and instructional materials were provided to each student enrolled in foreign language and health classes; and (5) sufficient laboratory science equipment was provided for science laboratory classes offered in grades 9-12. During this hearing, the governing board determined that Alvord Unified School District provided each student with sufficient textbooks and instructional materials aligned to the California academic content standards consistent with the cycles and content of the California curriculum frameworks.

In addition, Alvord Unified School District has sufficient standards-aligned textbooks and instructional materials for all students, including English learners, enrolled in visual and performing arts classes. Developing a long-term textbook adoption plan for textbooks is in process.

School uses the governing board adopted textbooks and instructional materials as detailed in the table:

**School Facility Conditions and Planned Improvements (Most Recent Year)**

La Granada Elementary School, built in 1948, is located on 700 acreage and its square footage totals 52,683. The school has 30 permanent classrooms, four portable classrooms, two sets of restrooms, one computer lab, one multipurpose room, one work room and one library. On-going campus improvements and maintenance ensure facilities are up to date and provide adequate space for students and staff.

Alvord Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California OPSC. Results of this survey are available in the school office or at the district. In addition, district maintenance staff makes repairs necessary to keep the school in good repair and working order. A district-wide work order process is used to ensure efficient service and to prioritize repairs.

The school is cleaned on a regular basis with a day custodian and evening custodians who work with the principal to develop a cleaning schedule to maintain a clean and safe environment for all students before, during and after the instructional day.

\* All FIT report repairs described in the following table are completed, in progress, or planned for repair.

**School Facility Good Repair Status (Most Recent Year)**

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	30	N/A	42	N/A	50	N/A
Math	15	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

**Opportunities for Parental Involvement (School Year 2020-21)**

Parents are welcome at school and are encouraged to get involved by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

The school communicates with parents about upcoming school events through letters, parent conferences, the school marquee, the school website, and Backboard Connect (automated telephone message delivery system). Contact the principal or any school office staff member at (951) 358-1615 for more information on how to become involved in your child's learning environment.

**Volunteer Opportunities:**

- Chaperone Field Trips
- Library Assistant
- Office Helper
- Parent Tutoring
- Parent University (Diverse Parent Training)
- School Event Volunteers
- Classroom Volunteers
- Parent Teacher Association

**School Advisory Groups & Committees:**

- English Learner Advisory Council
- Parent Teacher Association
- School Site Council
- ATP (Action Teams for Partnerships)
- Parent Advisory Committee

**School Events:**

- Back to School Night
- Open House
- College Week
- Harvest Festival
- Gratitude Day
- Science Night
- Science Fair
- Spelling Bee
- Friendship Dance
- Career Day
- Music Show (5th grade)
- TK and Kinder Camp
- Summer Send Off

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

The Comprehensive School Safety Plan was discussed with staff, evaluated, amended, reviewed, and updated on January 14, 2021. This plan, developed in collaboration with the school, local agencies and the district office, fulfills all legal requirements and complies with EC 32280-89. A school disaster preparedness plan that deals with a wide variety of emergency situations is included into the School Safety Plan. Earthquake, fire, and lockdown drills are conducted as required. The key elements of the Comprehensive School Safety Plan include an assessment of current status of school crime; dress code policy; child abuse reporting procedures; routine and emergency disaster procedures; safe movement of students, parents and staff to and from school; maintaining a safe and orderly school environment; sexual harassment policy; safety procedures; suspension, expulsion, and mandatory expulsion policies; teacher notification of dangerous students policy; anti-bullying policy; and school discipline rules and procedures pursuant to EC 35291 and 35291.5.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.9	0.7	2.8	2.6	3.5	3.5
Expulsions	0.1	0.3	0.3	0.5	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			2.5
Expulsions			0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**D. Other SARC Information**

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

**Ratio of Pupils to Academic Counselor (School Year 2019-2020)**

Title	Ratio
Academic Counselor*	578

\*One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

**Professional Development (Most Recent Three Years)**

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	6	8	4

All staff members participate in professional development offered by the school. In addition, many staff members participate in additional trainings appropriate for individual needs or for specific programs sponsored by the district through departments. Site professional development is held during early release and grade level/subject collaboration days. These collaborations focus on the cycle of inquiry and plan for first, best instruction after a review of standards and students results on formative and summative assessments. District professional development includes release days and after school workshops. When appropriate to meet the needs of students, staff attends conferences. District instructional coaches and site academic coaches support certificated and paraprofessional staff by providing workshop opportunities, individual mentoring, and in-class coaching. New teachers are supported by the Teacher Induction Program that includes coaching and mentoring. Classified paraprofessionals and support staff attend job-related training provided by the site and district.

During 2019-20, La Granada Elementary School's professional development focused on:

- Multi-Tiered Systems of Supports
- Foundational Skills
- ACHIEVE 3000
- AVID Elementary
- Mathematics Framework
- Designated ELD
- ELPAC
- CAASPP

Alvord Unified School District provided professional development for teachers and support staff in 2019-20 on various topics related to state mandated assessments (SBAC, ELPAC), special education assessments, interim assessments, formative assessments (PELI, DIBELS), student data chats,

Aeries/CALPADS data management for specific school staff, instructional strategies for English learners, interventions with Wonderworks, behavior supports, mandated special education forms/plans, crisis response, student success teams, and Aeries gradebook.

The annual number of school days dedicated to staff development and/or collaboration were attended by either all staff, grade level teams, or subject level teachers:

2016-17: 1

2017-18: 6

2018-19: 6

2019-20: 8

2020-21: 4

**Types of Services Funded**

In addition to local, state, and federal funds for special education and the base educational program, La Granada Elementary School received the following supplemental state and federal funds in 2019-20:

State Local Control Funding Formula Supplemental & Concentration Grants to increase or improve services for low income students, English learners or foster youth.

Federal Title I funds to provide school-wide supplemental services to support students identified as not meeting the rigorous state academic standards. Specific services and actions are described in the school's School Plan and/or the District's Local Control and Accountability Plan.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description

Built in 2007, Lake Hills Elementary is now in its fourteenth year of operation. With a current population of approximately 700 students (transitional-kindergarten through grade five) we serve a diverse ethnic and socioeconomic group of individuals. 54% of our students are Hispanic, 24% White, 5% African American, and 13% Asian. Approximately 7% of our students are English Learners and 45% are socioeconomically disadvantaged.

At Lake Hills it has been our priority to establish a culture and climate that provides a physically and emotionally safe learning environment, promotes strong family involvement, fosters collaboration among all individuals (teachers, students, staff, parents, and community), provides a rigorous academic curriculum and embraces a commitment to creating a school that knows no limits to the academic success of each student. The result is a belief system that permeates our school and community that all students will learn at Lake Hills.

As one enters our campus, it is evident that this is a community of learners. We are proud to have fostered our AVID Elementary program, where each classroom is represented by a college or university. We are family at Lake Hills, and the culture and climate set the stage for students to reach their highest academic and social potential. Throughout the campus you will see a collaborative team of students, staff, and parents who greet each individual student and family, often by name, as they arrive to start their day. Our number one priority is to ensure that our students leave our school at or above grade level standards in English Language Arts and Mathematics, and that they are socially and emotionally prepared to participate in their next level of education. Our community exudes C.L.A.S.S. (character, leadership, attitude, scholarship, and service) in everything that we do!

Lake Hills has worked hard to establish and sustain the exceptional systems that are now in place on our campus. Having received the Distinguished School honor in 2010, 2018 and 2020, the sense of pride our community demonstrates towards our school culture has grown, and the recognition served as validation of our practices, renewing our commitment to serve all students to the best of our abilities.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)**

On September 24, 2020, Alvord Unified School District’s Board of Education held a public hearing to comply with requirements of Education Code Section 60019. Information provided at the public hearing detailed (1) the extent to which standards-aligned textbooks and instructional materials were provided to all students, including English learners; (2) the definition of “sufficient textbooks or instructional materials” means each student has a textbook or materials, or both, to use in class and to take home and does not mean the district is required to have two sets of textbooks for each student; (3) sufficient textbooks and instructional materials were provided to each student, including English learners, in math, English language arts & English language development, history-social science, and science; (4) sufficient textbooks and instructional materials were provided to each student enrolled in foreign language and health classes; and (5) sufficient laboratory science equipment was provided for science laboratory classes offered in grades 9-12. During this hearing, the governing board determined that Alvord Unified School District provided each student with sufficient textbooks and instructional materials aligned to the California academic content standards consistent with the cycles and content of the California curriculum frameworks.

In addition, Alvord Unified School District has sufficient standards-aligned textbooks and instructional materials for all students, including English learners, enrolled in visual and performing arts classes. Developing a long-term textbook adoption plan for textbooks is in process.

School uses the governing board adopted textbooks and instructional materials as detailed in the table:

**Textbooks and Instructional Materials**

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Lake Hills Elementary School, built in 2007, is located on 13.0 acreage and its square footage totals 61,573. The school has 35 permanent classrooms, five sets of restrooms, two computer labs, one administration office, four center pods, one conference room, one library, one multipurpose room, one outdoor stage, one teacher’s lounge and 16 work rooms. On-going campus improvements and maintenance ensure facilities are up to date and provide adequate space for students and staff.

Alvord Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California OPSC. Results of this survey are available in the school office or at the district. In addition, district maintenance staff makes repairs necessary to keep the school in good repair and working order. A district-wide work order process is used to ensure efficient service and to prioritize repairs.

The school is cleaned on a regular basis with a day custodian and evening custodians who work with the principal to develop a cleaning schedule to maintain a clean and safe environment for all students before, during and after the instructional day.

\* All FIT report repairs described in the following table are completed, in progress, or planned for repair.

**School Facility Good Repair Status (Most Recent Year)**

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	63	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

**Opportunities for Parental Involvement (School Year 2020-21)**

Lake Hills Elementary School welcomes parents and guardians to be an active member of our community. Families are encouraged to get involved by volunteering in the classroom, participating in a decision-making group, or simply attending school events. We communicate with families about upcoming school events through monthly newsletters, flyers, parent conferences, the school website, Blackboard Connect (automated telephone message delivery system), the Lake Hills PTO Facebook page, and the Lake Hills Instagram account.

**Volunteer Opportunities:**

- Lake Hills P.T.O.
- Chaperone Field Trips
- Classroom Helper
- Fundraising Activities
- Watch D.O.G.S (Dads of Great Students)
- Yearbook
- Copy Cats
- 100 Mile Club Coaches

**School Advisory Groups & Committees:**

- English Learner Advisory Council
- Parent Teacher Organization
- School Site Council
- Action Team for Partnerships

**School Events:**

- Back to School Night
- Open House

Student Performances  
 Drama Club  
 Principal's Coffee  
 100-Mile Club  
 P.T.O. Sponsored Events  
 Student Award Ceremonies  
 AVID Parent Workshops

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

The Comprehensive School Safety Plan was discussed with staff, evaluated, amended, reviewed, and updated in December, 2020. The plan is approved annually in January. This plan, developed in collaboration with the school, local agencies and the district office, fulfills all legal requirements and complies with EC 32280-89. A school disaster preparedness plan that deals with a wide variety of emergency situations is included into the School Safety Plan. Earthquake, fire, and lock down drills are conducted as required. The key elements of the Comprehensive School Safety Plan include an assessment of current status of school crime; dress code policy; child abuse reporting procedures; routine and emergency disaster procedures; safe movement of students, parents and staff to and from school; maintaining a safe and orderly school environment; sexual harassment policy; safety procedures; suspension, expulsion, and mandatory expulsion policies; teacher notification of dangerous students policy; anti-bullying policy; and school discipline rules and procedures pursuant to EC 35291 and 35291.5.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.3	0.4	2.8	2.6	3.5	3.5
Expulsions	0.1	0.0	0.3	0.5	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			2.5
Expulsions			0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**D. Other SARC Information**

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

**Professional Development (Most Recent Three Years)**

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	6	6	6

All staff members participate in professional development offered by the school. In addition, many staff members participate in additional trainings appropriate for individual needs or for specific programs sponsored by the district through departments. Site professional development is held during early release and grade level/subject collaboration days. These collaborations focus on the cycle of inquiry and plan for first, best instruction after a review of standards and students results on formative and summative assessments. District professional development includes release days and after school workshops. When appropriate to meet the needs of students, staff attends conferences. New teachers are supported by the Teacher Induction Program that includes coaching and mentoring in addition to support from experienced grade level teacher leaders. Classified paraprofessionals and support staff attend job-related training provided by the site and district. New teachers are supported by the Teacher Induction Program that includes coaching and mentoring.

During 2020-21, Lake Hill Elementary School's professional development focused on the implementation and utilization of iReady diagnostics and supplemental resources for both ELA and Math. Lake Hills staff members began their work with PlayWorks where we strengthened the social emotional supports we provide for our students. Playworks' goal is to help establish systems and routines that will support opportunities for play and socialization during the school day. In addition, Lake Hills staff members continued to their focus on their Multi-Tiered System of Supports. Lake Hills is committed to teamwork and relationship building where each team member aides in cultivating the growth of the whole child.

Alvord Unified School District provides professional development for teachers and support staff on various topics related to state mandated assessments (SBAC, ELPAC), special education assessments, interim assessments, diagnostic assessments (i-Ready), student data, Aeries/CALPADS data management for specific school staff, instructional strategies for English learners, intervention strategies, behavior supports, mandated special education forms/plans, crisis response, student success teams, Google Suite for Education, and Aeries gradebook.

The annual number of school days dedicated to staff development and/or collaboration are attended by either all staff, grade level teams, or subject level teachers:

2018-19: 6

2019-20: 6

2020-21: 6

#### Types of Services Funded

In addition to local, state, and federal funds for support special education and the base educational program, Lake Hills Elementary School received the following supplemental state and federal funds in 2019-20:

State Local Control Funding Formula Supplemental & Concentration Grants to increase or improve services for low income students, English Learners or Foster Youth.

Specific services and actions are described in the school's School Plan and/or the District's Local Control and Accountability Plan.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description

Myra Linn Elementary School is located in the northeastern region of Riverside and serves students in grades transitional kindergarten through five following a traditional calendar.

This School Accountability Report Card represents just one of the many ways we have of maintaining communication. Please take a moment to review this information in addition to the monthly newsletters and other communications sent home.

At Myra Linn Elementary, student achievement and learning continue to be our number one priorities. Our primary goal is to provide each student with a relevant, rigorous curriculum based on the California standards. We believe each and every child can achieve academic success. To this end, every child is provided with quality instructional experiences, which recognize, support, and maintain high expectations for all students, both academically and socially. As we continue to work with students academically, they are assisted in making connections to their future. Students are challenged daily to begin the process of forming a character that reflects integrity and responsibility. Most of all, students are challenged daily to "Never Settle for Less Than Your Very Best" – our school's motto. We are proud of our school community and our accomplishments in "setting goals for the future".

Myra Linn's Mission is to continuously strive for a comprehensive and equitable framework, which includes all stakeholders to make data driven decisions to address ALL students' needs (academic, behavioral, and social emotional) through differentiated instruction and learning

### Theory of Action:

If we work collaboratively to create a framework to develop systems to differentiate learning/instruction...

If we are willing to analyze data to guide instruction...

If we focus on all students needs...

...Then we will build and improve a comprehensive and equitable framework for all our students

Alvord Unified School District, a dynamic learning community that embraces innovation, exists to ensure all students attain lifelong success through a system distinguished by:

- Active and inclusive partnerships
- Relationships that foster a culture of trust and integrity
- High expectations and equitable learning opportunities for all
- A mindset that promotes continuous improvement
- Multiple opportunities for exploration and creativity
- Professional development that promotes quality teaching and learning
- Access to learning experiences that promote a high quality of life

In addition, all schools strive to attain the Alvord vision that all students will realize their unlimited potential.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)**

On September 24, 2020, Alvord Unified School District’s Board of Education held a public hearing to comply with requirements of Education Code Section 60019. Information provided at the public hearing detailed (1) the extent to which standards-aligned textbooks and instructional materials were provided to all students, including English learners; (2) the definition of “sufficient textbooks or instructional materials” means each student has a textbook or materials, or both, to use in class and to take home and does not mean the district is required to have two sets of textbooks for each student; (3) sufficient textbooks and instructional materials were provided to each student, including English learners, in math, English language arts & English language development, history-social science, and science; (4) sufficient textbooks and instructional materials were provided to each student enrolled in foreign language and health classes; and (5) sufficient laboratory science equipment was provided for science laboratory classes offered in grades 9-12. During this hearing, the governing board determined that Alvord Unified School District provided each student with sufficient textbooks and instructional materials aligned to the California academic content standards consistent with the cycles and content of the California curriculum frameworks.

In addition, Alvord Unified School District has sufficient standards-aligned textbooks and instructional materials for all students, including English learners, enrolled in visual and performing arts classes. Developing a long-term textbook adoption plan for textbooks is in process.

School uses the governing board adopted textbooks and instructional materials as detailed in the table:

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Myra Linn Elementary School, built in 1956, is located on 7.8 acreage and its square footage totals 50,092. The school has 32 permanent classrooms, two portable classrooms, three sets of restrooms, one staff lounge, two staff work rooms, one computer lab, and one conference room. On-going campus improvements and maintenance ensure facilities are up to date and provide adequate space for students and staff.

Alvord Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California OPSC. Results of this survey are available in the school office or at the district. In addition, district maintenance staff makes repairs necessary to keep the school in good repair and working order. A district-wide work order process is used to ensure efficient service and to prioritize repairs.

The school is cleaned on a regular basis with a day custodian and evening custodians who work with the principal to develop a cleaning schedule to maintain a clean and safe environment for all students before, during and after the instructional day.

\* All FIT report repairs described in the following table are completed, in progress, or planned for repair.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
ELA	37	N/A	42	N/A	50	N/A
Math	22	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Test Results in Science for All Students Grades Five, Eight, and High School

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: The new California Science Test (CAST) was first administered operationally in the 2018-2019 school year.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

Parents are welcome at school and are encouraged to get involved by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

The school communicates with parents about upcoming school events through flyers, letters, parent conferences, the school marquee, the school website, Blackboard Connect (automated telephone message delivery system), and Peach Jar. Contact the principal or class teacher at (951) 358-1630 for more information on how to become involved in your child's learning environment.

#### Volunteer Opportunities:

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

The Comprehensive School Safety Plan was discussed with staff, evaluated, amended, reviewed, and updated in December 2020. This plan, developed in collaboration with the school, local agencies, and the district office, fulfills all legal requirements and complies with EC 32280-89. A school disaster preparedness plan that deals with a wide variety of emergency situations is included in the School Safety Plan. Earthquake, fire, and lock-down drills are conducted as required. The key elements of the Comprehensive School Safety Plan include an assessment of the current status of school crime; dress code policy; child abuse reporting procedures; routine and emergency disaster procedures; the safe movement of students, parents and staff to and from school; maintaining a safe and orderly school environment; sexual harassment policy; safety procedures; suspension, expulsion, and mandatory expulsion policies; teacher notification of dangerous students policy; anti-bullying policy; and school discipline rules and procedures pursuant to EC 35291 and 35291.5.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	2.5	2.1	2.8	2.6	3.5	3.5
Expulsions	0.2	0.0	0.3	0.5	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**  
 (data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	3		2.5
Expulsions	0		0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**Professional Development (Most Recent Three Years)**

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	8.5	7.5	7.5

All staff members participate in professional development offered by the school. In addition, many staff members participate in additional training that is appropriate for individual needs, or for specific programs sponsored by the district. Site professional development is held during Friday's and articulation days. These collaborations focus on the cycle of inquiry and plan for first, best instruction after a review of standards and students' results on formative and summative assessments. District professional development includes release days and after school workshops. When appropriate to meet the needs of students, staff attends conferences. District instructional coaches and site academic coaches support certificated and paraprofessional staff by providing workshop opportunities, individual mentoring, and in-class coaching. New teachers are supported by the district, which includes coaching and mentoring. Classified paraprofessionals and support staff attend job-related training provided by the site and district.

During 2020-21, Myra Linn Elementary School's full-day articulations professional development focused on:

Data Review

ELD Writing Domains and Deconstructing Task Types

ELA Claims and Targets: Writing to Learn

Math task types

In addition, during our monthly professional development, we focused on-PBIS

Formative Assessments

Writing: Note-taking, annotations, quick writes, revisions, writing rubrics.

Alvord Unified School District provided professional development for teachers and support staff in 2020-2021 on various topics related to state-mandated assessments (CAASPP, ELPAC), special education assessments, interim assessments, formative assessments (PELLI, DIBELS), student data chats, Aeries/CALPADS data management for specific school staff, instructional strategies for English learners, interventions with Wonderworks, behavior supports, mandated special education forms/plans, crisis response, student success teams, and Aeries.

The annual number of school days dedicated to staff development and/or collaboration are attended by either all staff, grade-level teams, or subject level teachers:

2017-2018: 4 full days and 9 minimum days (1 hour) of professional development; 19 collaboration days (1 hour).

2018-2019: 5 full days and 9 minimum days (1 hour) of professional development; 19 collaboration days (1 hour).

2019-2020: 4 full days and 9 minimum days (1 hour) of professional development; 19 collaboration days (1 hour).

2020-2021: 9 minimum days (1 hour) of professional development; 19 collaboration days (1 hour).

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description

Myra Linn Elementary School is located in the northeastern region of Riverside and serves students in grades transitional kindergarten through five following a traditional calendar.

This School Accountability Report Card represents just one of the many ways we have of maintaining communication. Please take a moment to review this information in addition to the monthly newsletters and other communications sent home.

At Myra Linn Elementary, student achievement and learning continue to be our number one priorities. Our primary goal is to provide each student with a relevant, rigorous curriculum based on the California standards. We believe each and every child can achieve academic success. To this end, every child is provided with quality instructional experiences, which recognize, support, and maintain high expectations for all students, both academically and socially. As we continue to work with students academically, they are assisted in making connections to their future. Students are challenged daily to begin the process of forming a character that reflects integrity and responsibility. Most of all, students are challenged daily to "Never Settle for Less Than Your Very Best" – our school's motto. We are proud of our school community and our accomplishments in "setting goals for the future".

Myra Linn's Mission is to continuously strive for a comprehensive and equitable framework, which includes all stakeholders to make data driven decisions to address ALL students' needs (academic, behavioral, and social emotional) through differentiated instruction and learning

### Theory of Action:

If we work collaboratively to create a framework to develop systems to differentiate learning/ instruction...

If we are willing to analyze data to guide instruction...

If we focus on all students needs...

...Then we will build and improve a comprehensive and equitable framework for all our students

Alvord Unified School District, a dynamic learning community that embraces innovation, exists to ensure all students attain lifelong success through a system distinguished by:

- Active and inclusive partnerships
- Relationships that foster a culture of trust and integrity
- High expectations and equitable learning opportunities for all
- A mindset that promotes continuous improvement
- Multiple opportunities for exploration and creativity
- Professional development that promotes quality teaching and learning
- Access to learning experiences that promote a high quality of life

In addition, all schools strive to attain the Alvord vision that all students will realize their unlimited potential.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

On September 24, 2020, Alvord Unified School District's Board of Education held a public hearing to comply with requirements of Education Code Section 60019. Information provided at the public hearing detailed (1) the extent to which standards-aligned textbooks and instructional materials were provided to all students, including English learners; (2) the definition of "sufficient textbooks or instructional materials" means each student has a textbook or materials, or both, to use in class and to take home and does not mean the district is required to have two sets of textbooks for each student; (3) sufficient textbooks and instructional materials were provided to each student, including English learners, in math, English language arts & English language development, history-social science, and science; (4) sufficient textbooks and instructional materials were provided to each student enrolled in foreign language and health classes; and (5) sufficient laboratory science equipment was provided for science laboratory classes offered in grades 9-12. During this hearing, the governing board determined that Alvord Unified School District provided each student with sufficient textbooks and instructional materials aligned to the California academic content standards consistent with the cycles and content of the California curriculum frameworks.

In addition, Alvord Unified School District has sufficient standards-aligned textbooks and instructional materials for all students, including English learners, enrolled in visual and performing arts classes. Developing a long-term textbook adoption plan for textbooks is in process.

School uses the governing board adopted textbooks and instructional materials as detailed in the table:

#### School Facility Conditions and Planned Improvements (Most Recent Year)

Myra Linn Elementary School, built in 1956, is located on 7.8 acreage and its square footage totals 50,092. The school has 32 permanent classrooms, two portable classrooms, three sets of restrooms, one staff lounge, two staff work rooms, one computer lab, and one conference room. On-going campus improvements and maintenance ensure facilities are up to date and provide adequate space for students and staff.

Alvord Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California OPSC. Results of this survey are available in the school office or at the district. In addition, district maintenance staff makes repairs necessary to keep the school in good repair and working order. A district-wide work order process is used to ensure efficient service and to prioritize repairs.

The school is cleaned on a regular basis with a day custodian and evening custodians who work with the principal to develop a cleaning schedule to maintain a clean and safe environment for all students before, during and after the instructional day.

\* All FIT report repairs described in the following table are completed, in progress, or planned for repair.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	37	N/A	42	N/A	50	N/A
Math	22	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

**Opportunities for Parental Involvement (School Year 2020-21)**

Parents are welcome at school and are encouraged to get involved by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

The school communicates with parents about upcoming school events through flyers, letters, parent conferences, the school marquee, the school website, Blackboard Connect (automated telephone message delivery system), and Peach Jar. Contact the principal or class teacher at (951) 358-1630 for more information on how to become involved in your child's learning environment.

**Volunteer Opportunities:**

- Chaperone Field Trips
- Classroom Helper
- Library Helper
- Extra-Curricular Activities
- PTA
- ATP

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

The Comprehensive School Safety Plan was discussed with staff, evaluated, amended, reviewed, and updated in December 2020. This plan, developed in collaboration with the school, local agencies, and the district office, fulfills all legal requirements and complies with EC 32280-89. A school disaster preparedness plan that deals with a wide variety of emergency situations is included in the School Safety Plan. Earthquake, fire, and lock-down drills are conducted as required. The key elements of the Comprehensive School Safety Plan include an assessment of the current status of school crime; dress code policy; child abuse reporting procedures; routine and emergency disaster procedures; the safe movement of students, parents and staff to and from school; maintaining a safe and orderly school environment; sexual harassment policy; safety procedures; suspension, expulsion, and mandatory expulsion policies; teacher notification of dangerous students policy; anti-bullying policy; and school discipline rules and procedures pursuant to EC 35291 and 35291.5.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	2.5	2.1	2.8	2.6	3.5	3.5
Expulsions	0.2	0.0	0.3	0.5	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**  
 (data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	3		2.5
Expulsions	0		0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**D. Other SARC Information**

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

**Ratio of Pupils to Academic Counselor (School Year 2019-2020)**

**Professional Development (Most Recent Three Years)**

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	8.5	7.5	7.5

All staff members participate in professional development offered by the school. In addition, many staff members participate in additional training that is appropriate for individual needs, or for specific programs sponsored by the district. Site professional development is held during Friday's and articulation days. These collaborations focus on the cycle of inquiry and plan for first, best instruction after a review of standards and students' results on formative and summative assessments. District professional development includes release days and after school workshops. When appropriate to meet the needs of students, staff attends conferences. District instructional coaches and site academic coaches support certificated and paraprofessional staff by providing workshop opportunities, individual mentoring, and in-class coaching. New teachers are supported by the district, which includes coaching and mentoring. Classified paraprofessionals and support staff attend job-related training provided by the site and district.

During 2020-21, Myra Linn Elementary School's full-day articulations professional development focused on:

Data Review

ELD Writing Domains and Deconstructing Task Types

ELA Claims and Targets: Writing to Learn

Math task types

In addition, during our monthly professional development, we focused on-

PBIS

Formative Assessments

Writing: Note-taking, annotations, quick writes, revisions, writing rubrics.

Alvord Unified School District provided professional development for teachers and support staff in 2020-2021 on various topics related to state-mandated assessments (CAASPP, ELPAC), special education assessments, interim assessments, formative assessments (PELLI, DIBELS), student data chats, Aeries/CALPADS data management for specific school staff, instructional strategies for English learners, interventions with Wonderworks, behavior supports, mandated special education forms/plans, crisis response, student success teams, and Aeries.

The annual number of school days dedicated to staff development and/or collaboration are attended by either all staff, grade-level teams, or subject level teachers:

2017-2018: 4 full days and 9 minimum days (1 hour) of professional development; 19 collaboration days (1 hour).

2018-2019: 5 full days and 9 minimum days (1 hour) of professional development; 19 collaboration days (1 hour).

2019-2020: 4 full days and 9 minimum days (1 hour) of professional development; 19 collaboration days (1 hour).

2020-2021: 9 minimum days (1 hour) of professional development; 19 collaboration days (1 hour).

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description

Stokoe Elementary School is located in the western region of Riverside and serves students in the grades Preschool-5th following a traditional calendar.

Stokoe Elementary School's student body includes includes Head Start Preschool and a full continuum of specialized educational services for students with autism and other learning disabilities. Stokoe staff is focused on bringing the highest quality instruction to meet each students' individual needs so that they can realize their unlimited potential.

As part of this high quality instruction, we have many supplemental programs that make our campus unique. We have developed a STEAM program where all students participate in interactive learning STEAM rotations every Tuesday. We are in our fourth year of AVID implementation which is teaching students organization, time management planning and communication skills to support college readiness. Stokoe follows the "Character Counts" model and promotes the pillars of character: trustworthiness, respect, responsibility, fairness, caring, and citizenship. We proudly display community and district exhibits to promote visual arts in our Museum. In addition, all of our staff and students have worked hard to build a healthy school environment through physical activity and healthy choices.

### Mission Statement

Alvord Unified School District, a dynamic learning community that embraces innovation, exists to ensure all students attain lifelong success through a system distinguished by:

- Active and inclusive partnerships
- Relationships that foster a culture of trust and integrity
- High expectations and equitable learning opportunities for all
- A mindset that promotes continuous improvement
- Multiple opportunities for exploration and creativity
- Professional development that promotes quality teaching and learning
- Access to learning experiences that promote a high quality of life

In addition, all schools strive to attain the Alvord vision that all students will realize their unlimited potential.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.  
\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

On September 24, 2020, Alvord Unified School District's Board of Education held a public hearing to comply with requirements of Education Code Section 60019. Information provided at the public hearing detailed (1) the extent to which standards-aligned textbooks and instructional materials were provided to all students, including English learners; (2) the definition of "sufficient textbooks or instructional materials" means each student has a textbook or materials, or both, to use in class and to take home and does not mean the district is required to have two sets of textbooks for each student; (3) sufficient textbooks and instructional materials were provided to each student, including English learners, in math, English language arts & English language development, history-social science, and science; (4) sufficient textbooks and instructional materials were provided to each student enrolled in foreign language and health classes; and (5) sufficient laboratory science equipment was provided for science laboratory classes offered in grades 9-12. During this hearing, the governing board determined that Alvord Unified School District provided each student with sufficient textbooks and instructional materials aligned to the California academic content standards consistent with the cycles and content of the California curriculum frameworks.

In addition, Alvord Unified School District has sufficient standards-aligned textbooks and instructional materials for all students, including English learners, enrolled in visual and performing arts classes. Developing a long-term textbook adoption plan for textbooks is in process.

School uses the governing board adopted textbooks and instructional materials as detailed in the table:

### School Facility Conditions and Planned Improvements (Most Recent Year)

Stokoe Elementary School, built in 2007, is located on 12.82 acreage and its square footage totals 109,093. The school has 30 permanent classrooms, six sets of restrooms, one library, one math & science lab, one multipurpose/cafeteria room, one museum, one music room, one occupational therapy room, one staff lounge, and two staff work rooms. On-going campus improvements and maintenance ensure facilities are up to date and provide adequate space for students and staff.

Alvord Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California OPSC. Results of this survey are available in the school office or at the district. In addition, district maintenance staff makes repairs necessary to keep the school in good repair and working order. A district-wide work order process is used to ensure efficient service and to prioritize repairs.

The school is cleaned on a regular basis with a day custodian and evening custodians who work with site administration to develop a cleaning schedule to maintain a clean and safe environment for all students before, during and after the instructional day.

\* All FIT report repairs described in the following table are completed, in progress, or planned for repair.

**School Facility Good Repair Status (Most Recent Year)**

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	32	N/A	42	N/A	50	N/A
Math	23	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

**Opportunities for Parental Involvement (School Year 2020-21)**

Stokoe is committed to fostering and maintaining an active parent involvement program. Since success is a shared responsibility, parents are encouraged to be active participants in their child's education in a variety of ways. Stokoe has a Parent Involvement Policy that outlines all the ways parents can get involved in our school.

Parents are involved through four specific parent groups: Parent Teacher Organization (PTO), Action Teams for Partnership (ATP), English Learners Advisory Committee (ELAC) and School Site Council (SSC). Participation and attendance in these groups provides parents the opportunity to fully understand the workings of the public educational system and programs. As a result of the pandemic, parent involvement opportunities occur in virtual format during distance learning. Parents communicate consistently with classroom teachers and are encouraged to get involved by attending or viewing presentations for Annual Title 1 Meeting, Family Nights, monthly Flag Ceremony, semester awards, parent involvement week and special classroom events. Our ATP committee monitors and develops an annual action plan for parent engagement focused on parent education and student achievement.

We collaborate with parents and all partners for the benefit of our students and the future of our community. Communication is timely and parent input is sought, considered and used to guide decisions that will impact policies and programs offered to support student achievement. Regular communication is provided in English and Spanish via personal contact, school marquee, flyers, monthly newsletters, Blackboard Connect, PeachJar (auto email and text message), digital apps (REMIND and Class DoJo), Google Classrooms, our school website and social media (Instagram and Facebook) so that parents remain informed of academic learning and other school activities. Parent input is gathered from SSC, ELAC and ATP. Parent workshops are offered throughout the year during ELAC, SSC, parent involvement week and TK/Kinder Camp. Translation is offered during meetings and events. During the pandemic parent meetings are recorded and posted on our website to ensure all parents have the opportunity to participate.

Contact any school office staff member at (951) 358-1640 for more information on how to become involved in your child's learning environment.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

The Comprehensive School Safety Plan was discussed with SSC, evaluated, amended, reviewed, and updated in December of 2020. The plan is approved by SSC annually in January and by the AUSD Board of Education annually in March of each year. This plan, developed in collaboration with the school, local agencies and the district office, fulfills all legal requirements and complies with EC 32280-89. A school disaster preparedness plan that deals with a wide variety of emergency situations is included into the School Safety Plan. Earthquake, fire, and lockdown drills are conducted as required. The key elements of the Comprehensive School Safety Plan include an assessment of current status of school crime; dress code policy; child abuse reporting procedures; routine and emergency disaster procedures; safe movement of students, parents and staff to and from school; maintaining a safe and orderly school environment; sexual harassment policy; safety procedures; suspension, expulsion, and mandatory expulsion policies; teacher notification of dangerous students policy; anti-bullying policy; and school discipline rules and procedures pursuant to EC 35291 and 35291.5.

**Suspensions and Expulsions**

Expulsions	0.0	0.0	0.3	0.5	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			2.5
Expulsions			0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	6	5	5

All staff members participate in professional development offered by the school. In addition, many staff members participate in additional trainings appropriate for individual needs or for specific programs sponsored by the district through departments. As a result of the pandemic, site professional development and grade level/subject collaboration days are held on Fridays which are designated as asynchronous learning days. These collaborations focus on the cycle of inquiry and plan for first, best instruction after a review of standards and students results on formative and summative assessments. District professional development includes release days and after school workshops. When appropriate to meet the needs of students, staff attends conferences. Site academic coaches and literacy teachers support certificated and paraprofessional staff by providing workshop opportunities, individual mentoring, and in-class coaching. New teachers are supported by the Teacher Induction Program that includes coaching and mentoring. Classified paraprofessionals and support staff attend job-related training provided by the site and district.

During 2019-2020, Stokoe Elementary School's professional development focused on analysis of student achievement reports (SPSA goals, DIBELS, SBAC, SVMI and formative assessments), reading/writing strategies, differentiated instruction and intervention strategies, Number Sense Routines (including Problem Types, Choral Counting, Counting Collections, Number Talks, Number Strings, 3 Reads), Play Works, AVID strategies, Cognitively Guided Instruction to improve conceptual understanding and number sense in mathematics, use of SVMI assessments and re-engagement lessons to support rigor and application of math concepts, Designated English Language Development, positive behavior supports, implementation of ELA/ELD components of Wonders and topics related to administration of state assessments (ELPAC, SBAC). After school closure as a result of the pandemic, professional development focused on distance learning strategies for classroom management, student engagement and distance learning digital tools. The district developed Math Coherence Guide was also presented to frame math instruction for the coming school year.

Alvord Unified School District provided professional development for teachers and support staff in 2019-2020 on various topics related to state mandated assessments (SBAC, ELPAC), special education assessments, interim assessments, formative assessments (PELI, DIBELS), student data chats, Aeries/CALPADS data management for specific school staff, instructional strategies for English learners, interventions with Wonderworks, behavior supports, mandated special education forms/plans, crisis response, student success teams, and Aeries gradebook.

The annual number of school days dedicated to staff development and/or collaboration are attended by either all staff, grade level teams, or subject level teachers:

2017-18: 4

2018-19: 6

2019-20: 5

2020-21: 5 days were planned. However, in an effort to maximize synchronous learning opportunities as a result of the pandemic, professional learning occurred outside of school day instead of full day release.

**Types of Services Funded**

In addition to local, state, and federal funds for special education and the base educational program, Stokoe Elementary School received the following supplemental state and federal funds in 2019-20:

State Local Control Funding Formula Supplemental & Concentration Grants to increase or improve services for low income students, English learners or foster/displaced youth.

Federal Title I funds to provide school-wide supplemental services to support at-risk students identified as not meeting the rigorous state academic standards.

Specific services and actions are described in the school's School Plan and/or the District's Local Control and Accountability Plan.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### **School Description**

Welcome to Promenade Elementary School; we have been a California Distinguished and Gold Ribbon School whose mission is build knowledge, community, and character! We are Alvord Unified School District's only elementary school located in the City of Corona, in a pleasant suburban neighborhood. Promenade serves students in preschool through grade five with a full continuum of services. We are known for curricular rigor, active community partnerships, diversity, and inclusive programs. Our priorities include establishing a culture and climate that provides a physically and emotionally safe learning environment, promoting strong family involvement, fostering collaboration among all individuals, providing a rigorous academic curriculum, and embracing a commitment to the academic success of each student. We take pride in providing students with the tools to become academically and socially competent, self-motivated, lifelong learners in a technologically advanced and diverse global society.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.  
\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)**

On September 24, 2020, Alvord Unified School District’s Board of Education held a public hearing to comply with requirements of Education Code Section 60019. Information provided at the public hearing detailed (1) the extent to which standards-aligned textbooks and instructional materials were provided to all students, including English learners; (2) the definition of “sufficient textbooks or instructional materials” means each student has a textbook or materials, or both, to use in class and to take home and does not mean the district is required to have two sets of textbooks for each student; (3) sufficient textbooks and instructional materials were provided to each student, including English learners, in math, English language arts & English language development, history-social science, and science; (4) sufficient textbooks and instructional materials were provided to each student enrolled in foreign language and health classes; and (5) sufficient laboratory science equipment was provided for science laboratory classes offered in grades 9-12. During this hearing, the governing board determined that Alvord Unified School District provided each student with sufficient textbooks and instructional materials aligned to the California academic content standards consistent with the cycles and content of the California curriculum frameworks.

In addition, Alvord Unified School District has sufficient standards-aligned textbooks and instructional materials for all students, including English learners, enrolled in visual and performing arts classes. Developing a long-term textbook adoption plan for textbooks is in process.

School uses the governing board adopted textbooks and instructional materials as detailed in the table:

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Promenade Elementary School, built in 1988, is located on 9.5 acreage and its square footage totals 53,147. The school has 30 permanent classrooms, six sets of restrooms, one computer lab, one staff work room, one library and one multipurpose/cafeteria room. On-going campus improvements and maintenance ensure facilities are up to date and provide adequate space for students and staff.

Alvord Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California OPSC. Results of this survey are available in the school office or at the district. In addition, district maintenance staff makes repairs necessary to keep the school in good repair and working order. A district-wide work order process is used to ensure efficient service and to prioritize repairs.

The school is cleaned on a regular basis with a day custodian and evening custodians who work with the principal to develop a cleaning schedule to maintain a clean and safe environment for all students before, during, and after the instructional day.

\* All FIT report repairs described in the following table are completed, in progress, or planned for repair.

**School Facility Good Repair Status (Most Recent Year)**

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

**Year and month in which data were collected: November 17, 2020**

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	58	N/A	42	N/A	50	N/A
Math	59	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

**Opportunities for Parental Involvement (School Year 2020-21)**

Parents are welcome at school and are encouraged to get involved by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

The school communicates with parents about upcoming school events through letters, parent conferences, school marquee, school website, parent newsletter, classroom newsletter, automated telephone message delivery system, Peach Jar email delivery system, and Social Media (Twitter, Facebook, Instagram). Parents and the community can contact the school office at (951) 358-1650 for more information on how to become involved in our children's learning environment.

**Volunteer Opportunities:**

Classroom Helper  
Chaperone Study Trips  
WatchDOGS

**School Advisory Groups & Committees:**

English Learner Advisory Council  
Parent Teacher Organization  
School Site Council

**School Events:**

Back to School Night  
Family Education Nights  
Open House  
Parent Teacher Organization events and activities  
Special Performances and Activities

Parent/Teacher Conferences

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

The Comprehensive School Safety Plan is annually discussed with staff, evaluated, amended, reviewed, and updated in December, 2020. This plan, developed in collaboration with the school, local agencies and the district office, fulfills all legal requirements and complies with EC 32280-89. A school disaster preparedness plan that deals with a wide variety of emergency situations is included into the School Safety Plan. Earthquake, fire, and lock-down drills are conducted as required. The key elements of the Comprehensive School Safety Plan include an assessment of current status of school crime; dress code policy; child abuse reporting procedures; routine and emergency disaster procedures; safe movement of students, parents and staff to and from school; maintaining a safe and orderly school environment; sexual harassment policy; safety procedures; suspension, expulsion, and mandatory expulsion policies; teacher notification of dangerous students policy; anti-bullying policy; and school discipline rules and procedures pursuant to EC 35291 and 35291.5.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	1.0	0.6	2.8	2.6	3.5	3.5
Expulsions	0.0	0.0	0.3	0.5	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			2.5
Expulsions			0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**D. Other SARC Information**

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

**Ratio of Pupils to Academic Counselor (School Year 2019-2020)**

**Professional Development (Most Recent Three Years)**

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	2	5	4

All staff members participate in professional development offered by the school. In addition, many staff members participate in additional trainings appropriate for individual needs or for specific programs sponsored by the district through departments. Site professional development is held during early release and grade level/subject collaboration days. These collaborations focus on the cycle of inquiry and plan for first, best instruction after a review of standards and students results on formative and summative assessments. District professional development includes release days and after school workshops. When appropriate to meet the needs of students, staff attends conferences. New teachers are supported by the Teacher Induction Program that includes coaching and mentoring in addition to support from experienced grade level teacher leaders. Classified paraprofessionals and support staff attend job-related training provided by the site and district.

During 2020-21, Promenade Elementary School's professional development focused on the implementation and utilization of the i-Ready diagnostics and supplemental resources for both ELA and Math. Promenade staff members continued their work with RISE (Resilience in School Environments), Cognitively Guided Instruction (CGI) and the process of building a culturally responsive Multi-Tiered System of Supports. In addition, staff were able to participate in additional voluntary trainings provided by district personnel. These trainings addressed topics such as mental wellness, continuity of instruction, and pupil and family engagement. Many of our trainings are digitally archived and available to staff throughout the year, on-demand.

Alvord Unified School District provides professional development for teachers and support staff on various topics related to state mandated assessments (SBAC, ELPAC), special education assessments, interim assessments, diagnostic assessments (i-Ready), student data, Aeries/CALPADS data management for specific school staff, instructional strategies for English learners, intervention strategies, behavior supports, mandated special education forms/plans, crisis response, student success teams, Google Suite for Education, and Aeries gradebook.

\* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/).

**Types of Services Funded**

In addition to local, state, and federal funds for special education and the base educational program, Promenade Elementary School received the following supplemental state and federal funds in 2018-19:

State Local Control Funding Formula Supplemental & Concentration Grants to increase or improve services for low income students, English learners, or foster youth.

Specific services and actions are described in the school's School Plan and/or the District's Local Control and Accountability Plan.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

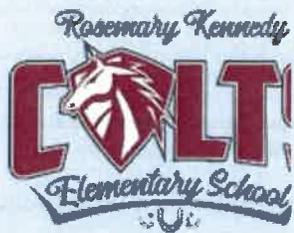

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### **School Description**

Rosemary Kennedy Elementary School is located in the southwestern region of Riverside and serves students in grades transitional kindergarten through five following a traditional school calendar. We have approximately 450 students enrolled. In addition to providing regular education programs for students in grades TK-5 we also provide special education services and programs for students on an IEP including an Emotionally Disturbed/Opportunity program and an Intellectually Disabled Moderate to Severe program.

Rosemary Kennedy Elementary School provides a warm, stimulating environment where students are actively involved in developing character and learning academics. Students receive a standards-based, challenging curriculum by dedicated professional staff and based on the individual needs of the students. Ongoing evaluation of student progress and achievement helps us refine the instructional program so students can achieve academic proficiency.

We have made a commitment to provide the best educational program possible for Rosemary Kennedy Elementary School's students, and welcome any suggestions or questions you may have about the information contained in this report or about the school. Together, through our hard work, our students will be challenged to realize their full potential.

### **Mission Statement**

Alvord Unified School District, a dynamic learning community that embraces innovation, exists to ensure all students attain lifelong success through a system distinguished by:

- Active and inclusive partnerships
- Relationships that foster a culture of trust and integrity
- High expectations and equitable learning opportunities for all
- A mindset that promotes continuous improvement
- Multiple opportunities for exploration and creativity
- Professional development that promotes quality teaching and learning
- Access to learning experiences that promote a high quality of life

In addition, all schools strive to attain the Alvord vision that all students will realize their unlimited potential.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.  
\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)**

On September 24, 2020, Alvord Unified School District’s Board of Education held a public hearing to comply with requirements of Education Code Section 60019. Information provided at the public hearing detailed (1) the extent to which standards-aligned textbooks and instructional materials were provided to all students, including English learners; (2) the definition of “sufficient textbooks or instructional materials” means each student has a textbook or materials, or both, to use in class and to take home and does not mean the district is required to have two sets of textbooks for each student; (3) sufficient textbooks and instructional materials were provided to each student, including English learners, in math, English language arts & English language development, history-social science, and science; (4) sufficient textbooks and instructional materials were provided to each student enrolled in foreign language and health classes; and (5) sufficient laboratory science equipment was provided for science laboratory classes offered in grades 9-12. During this hearing, the governing board determined that Alvord Unified School District provided each student with sufficient textbooks and instructional materials aligned to the California academic content standards consistent with the cycles and content of the California curriculum frameworks.

In addition, Alvord Unified School District has sufficient standards-aligned textbooks and instructional materials for all students, including English learners, enrolled in visual and performing arts classes. Developing a long-term textbook adoption plan for textbooks is in process.

School uses the governing board adopted textbooks and instructional materials as detailed in the table:

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Rosemary Kennedy Elementary School, built in 1999, is located on 10 acres and its square footage totals 57,142. The school has 27 permanent classrooms, three portable classrooms, five sets of restrooms, one computer lab, one staff lounge, one staff work room, one library, one music room, one multipurpose/cafeteria room, and one outdoor amphitheater. On-going campus improvements and maintenance ensure facilities are up to date and provide adequate space for students and staff.

Alvord Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California OPSC. Results of this survey are available in the school office or at the district. In addition, district maintenance staff makes repairs necessary to keep the school in good repair and working order. A district-wide work order process is used to ensure efficient service and to prioritize repairs.

The school is cleaned on a regular basis with a day custodian and evening custodians who work with the principal to develop a cleaning schedule to maintain a clean and safe environment for all students before, during, and after the instructional day. Deferred Maintenance projects planned for this school year include repair, repaving and re-striping of the staff parking lots and blacktop on the school playground. Additionally, sanitizing and disinfecting equipment along with hand sanitizer stations, temperature kiosks, plastic barriers and barricades along with portable ventilation systems were purchased to provide a safe environment for students and staff upon the reopening of schools due to the closures related to the coronavirus pandemic. Water bottle filling stations and new mpr stage drapes were purchased and installed, and repairs to the playground equipment (slides) were completed in 2020. New lighting systems in classrooms and in hallways were upgraded in 2020.

\* All FIT report repairs described in the following table are completed, in progress, or planned for repair.

**School Facility Good Repair Status (Most Recent Year)**

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

**Year and month in which data were collected: November 2020**

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	45	N/A	42	N/A	50	N/A
Math	29	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

**Opportunities for Parental Involvement (School Year 2020-21)**

Parents are welcome at school and are encouraged to get involved by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

The school communicates with parents about upcoming school events through email, flyers, Peachjar, social media, the school marquee, the school website, and Blackboard Connect (automated telephone message delivery system). Contact the principal or assistant principal at (951) 358-1655 for more information on how to become involved in your child's learning experience at Rosemary Kennedy Elementary.

**In Person Volunteer Opportunities:**

- Chaperone Field Trips
- Book Fairs
- Classroom Helper
- Fundraising Activities
- PTO Events

**School Advisory Groups & Committees:**

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

The Comprehensive School Safety Plan was discussed with staff, evaluated, amended, reviewed, updated and approved by the RMK School Site Council on Thursday, January 28, 2021. This plan, developed in collaboration with the school, local agencies and the district office, fulfills all legal requirements and complies with EC 32280-89. A school disaster preparedness plan that deals with a wide variety of emergency situations is included into the School Safety Plan. Earthquake, fire, and lockdown drills are conducted as required. The key elements of the Comprehensive School Safety Plan include an assessment of current status of school crime; dress code policy; child abuse reporting procedures; routine and emergency disaster procedures; safe movement of students, parents and staff to and from school; maintaining a safe and orderly school environment; sexual harassment policy; safety procedures; suspension, expulsion, and mandatory expulsion policies; teacher notification of dangerous students policy; anti-bullying policy; and school discipline rules and procedures pursuant to EC 35291 and 35291.5.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	1.5	0.7	2.8	2.6	3.5	3.5
Expulsions	0.2	0.0	0.3	0.5	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			2.5
Expulsions			0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**Professional Development (Most Recent Three Years)**

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	15	15	NA

All staff members participate in professional development offered by the school. In addition, many staff members participate in additional trainings appropriate for individual needs or for specific programs sponsored by the district through departments. Site professional development is held during early release and grade level/subject collaboration days. These collaborations focus on the cycle of inquiry and plan for first, best instruction after a review of standards and students results on formative and summative assessments. District professional development includes release days and after school workshops. When appropriate to meet the needs of students, staff attends conferences. School site based instructional coaches support certificated and paraprofessional staff by providing workshop opportunities, individual mentoring, and in-class coaching. New teachers are supported by the Teacher Induction Program that includes coaching and mentoring. Classified paraprofessionals and support staff attend job-related training provided by the site and district.

During 2019-20, RMK Elementary School's professional development included:

- \*AVID Strategies and AVID Elementary Implementation
- \*Close and Critical Reading
- \*Standards of Mathematical Practice
- \*Instructional math strategies (Factwise)
- \*ELPAC Administration
- \*CAASPP Administration
- \*ELL Standards/Strategies
- \*Google Classroom/Meets/Online Platform

Alvord Unified School District provided professional development for teachers and support staff in 2019-20 on various topics related to state mandated assessments (CAASPP, ELPAC), special education assessments, interim assessments, formative assessments (PELL, DIBELS), Aeries/CALPADS data

management for specific school staff, instructional strategies for English learners, interventions with Wonderworks, behavior supports, mandated special education forms/plans, crisis response, student success teams, Aeries grade book, Google Classroom, Google Meets and the virtual teaching due to Distance Learning as a result of COVID-19 school closures.

The annual number of school days dedicated to staff development and/or collaboration are attended by either all staff, grade level teams, or subject level teachers:

2017-18: 15  
 2018-19: 15  
 2019-20: 15

**Types of Services Funded**

In addition to local, state, and federal funds for special education and the base educational program, Rosemary Kennedy Elementary School received the following supplemental state and federal funds in 2019-20:

State Local Control Funding Formula Supplemental & Concentration Grants to increase or improve services for low income students, English learners and/or foster youth.

Federal Title I funds to provide school-wide supplemental services for students identified as not meeting the rigorous state academic standards.

Specific services and actions are described in the school's School Plan for Student Achievement and/or the District's Local Control and Accountability Plan.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description

S. Christa McAuliffe Elementary School is located in the southwestern region of Riverside and serves students in grades transitional kindergarten through five following a traditional calendar.

S. Christa McAuliffe Elementary School provides a warm, stimulating environment where students are actively involved in learning academics as well as positive values. Students receive a standards-based, challenging curriculum by dedicated professional staff based on the individual needs of the students. Ongoing evaluation of student progress and achievement helps us refine the instructional program so students can achieve academic proficiency.

We have made a commitment to provide the best educational program possible for S. Christa McAuliffe Elementary School's students, and welcome any suggestions or questions you may have about the information contained in this report or about the school. Together, through our hard work, our students will be challenged to reach their maximum potential.

### Mission Statement

Alvord Unified School District and McAuliffe Elementary School, a dynamic learning community that embraces innovation, exists to ensure all students attain lifelong success through a system distinguished by:

- Active and inclusive partnerships
- Relationships that foster a culture of trust and integrity
- High expectations and equitable learning opportunities for all
- A mindset that promotes continuous improvement
- Multiple opportunities for exploration and creativity
- Professional development that promotes quality teaching and learning
- Access to learning experiences that promote a high quality of life
- Multiple experiences outside of the classroom in order to provide a well-rounded education that is culturally inclusive

In addition, all schools strive to attain the Alvord vision that all students will realize their unlimited potential.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)**

On September 24, 2020, Alvord Unified School District’s Board of Education held a public hearing to comply with requirements of Education Code Section 60019. Information provided at the public hearing detailed (1) the extent to which standards-aligned textbooks and instructional materials were provided to all students, including English learners; (2) the definition of “sufficient textbooks or instructional materials” means each student has a textbook or materials, or both, to use in class and to take home and does not mean the district is required to have two sets of textbooks for each student; (3) sufficient textbooks and instructional materials were provided to each student, including English learners, in math, English language arts & English language development, history-social science, and science; (4) sufficient textbooks and instructional materials were provided to each student enrolled in foreign language and health classes; and (5) sufficient laboratory science equipment was provided for science laboratory classes offered in grades 9-12. During this hearing, the governing board determined that Alvord Unified School District provided each student with sufficient textbooks and instructional materials aligned to the California academic content standards consistent with the cycles and content of the California curriculum frameworks.

In addition, Alvord Unified School District has sufficient standards-aligned textbooks and instructional materials for all students, including English learners, enrolled in visual and performing arts classes. Developing a long-term textbook adoption plan for textbooks is in process.

School uses the governing board adopted textbooks and instructional materials as detailed in the table:

**Textbooks and Instructional Materials**

**School Facility Conditions and Planned Improvements (Most Recent Year)**

McAuliffe Elementary School, built in 1987, is located on 10 acreage and its square footage totals 63,775. The school has 32 permanent classrooms, six portable classrooms, five sets of restrooms, one computer lab, one teacher work room, one teacher lounge, two playgrounds, one library and one multipurpose/cafeteria room. On-going campus improvements and maintenance ensure facilities are up to date and provide adequate space for students and staff.

Alvord Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California OPSC. Results of this survey are available in the school office or at the district. In addition, district maintenance staff makes repairs necessary to keep the school in good repair and working order. A district-wide work order process is used to ensure efficient service and to prioritize repairs.

The school is cleaned on a regular basis with a day custodian and evening custodians who work with the principal to develop a cleaning schedule to maintain a clean and safe environment for all students before, during and after the instructional day. Deferred Maintenance projects planned for this school year include repairing asphalt for two front parking lots.

\* All FIT report repairs described in the following table are completed, in progress, or planned for repair.

**School Facility Good Repair Status (Most Recent Year)**

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

**Year and month in which data were collected: November 17, 2020**

System Inspected	Repair Status	Repair Needed and Action Taken or Planned
<b>Systems:</b> Gas Leaks, Mechanical/HVAC, Sewer	Good

<b>Overall Rating</b>	<b>Good</b>	Dry rot on exterior wall/eaves and covered walkways throughout campus. The campus will have all dry rot repaired and exterior painted during winter break 2020.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
ELA	46	N/A	42	N/A	50	N/A
Math	36	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

**Opportunities for Parental Involvement (School Year 2020-21)**

Parents are welcome at school and are encouraged to get involved by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

The school communicates with parents about upcoming school events through email, flyers, parent conferences, the school website, Blackboard Connect (automated telephone message delivery system), and PTA newsletters. Contact any school office staff member at (951) 358-1625 for more information on how to become involved in your child's learning environment.

**Volunteer Opportunities:**

- Chaperone Field Trips
- Classroom Helper
- Fundraising Activities
- Copy Cat Program

**School Advisory Groups & Committees:**

- English Learner Advisory Council
- Parent Teacher Association
- School Site Council
- GATE Academy
- Parent Engagement Leadership Initiative (PELI)
- Action Team for Partnerships (ATP)

**School Events:**

- Back to School Night
- Family Nights

Open House  
 Parent Education Workshops  
 Science Night  
 Spelling Bee  
 Student Performances  
 Student Recognition Assemblies  
 Flag Assemblies  
 100-Mile Club  
 Chess Club  
 Cultural Awareness Club

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

The Comprehensive School Safety Plan was discussed with staff, evaluated, amended, reviewed, and updated in December, 2020. This plan, developed in collaboration with the school, local agencies and the district office, fulfills all legal requirements and complies with EC 32280-89. A school disaster preparedness plan that deals with a wide variety of emergency situations is included into the School Safety Plan. Earthquake, fire, and lockdown/active shooter drills are conducted as required. The key elements of the Comprehensive School Safety Plan include an assessment of current status of school crime; dress code policy; child abuse reporting procedures; routine and emergency disaster procedures; safe movement of students, parents and staff to and from school; maintaining a safe and orderly school environment; sexual harassment policy; safety procedures; suspension, expulsion, and mandatory expulsion policies; teacher notification of dangerous students policy; anti-bullying policy; and school discipline rules and procedures pursuant to EC 35291 and 35291.5.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	1.2	0.9	2.8	2.6	3.5	3.5
Expulsions	0.0	0.0	0.3	0.5	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			2.5
Expulsions			0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**Professional Development (Most Recent Three Years)**

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	5	6	6

All staff members participate in professional development offered by the school. In addition, many staff members participate in additional trainings appropriate for individual needs or for specific programs sponsored by the district through departments. Site professional development is held during early release and grade level/subject collaboration days. These collaborations focus on the cycle of inquiry and plan for first, best instruction after a review of standards and students results on formative and summative assessments. District professional development includes release days and after school workshops. When appropriate to meet the needs of students, staff attends conferences. District instructional coaches and site academic coaches support certificated and paraprofessional staff by providing workshop opportunities, individual mentoring, and in-class coaching. New teachers are supported by the Teacher Induction Program that includes coaching and mentoring. Classified paraprofessionals and support staff attend job-related training provided by the site and district.

McAuliffe Elementary School's professional development focused on the following topics:

**2019-2020**

- Language Arts - Reading Comprehension
- Mathematics - Focus on foundational math skills in the four domains & number sense
- Summative Data Analysis with 3rd - 5th grades
- One-on-One Data Conference with teachers to discuss reading and math progress

**2020-2021**

- iReady Diagnostic Training - Focus on language arts and mathematics
- Online Digital Learning - Topics have included use of Google Applications, SeeSaw, Kami, ScreenCastify, and other applications.

Alvord Unified School District provided professional development for teachers and support staff in 2018-19 on various topics related to state mandated assessments (SBAC, ELPAC), special education assessments, interim assessments, formative assessments (PELI, DIBELS), student data chats,

Aeries/CALPADS data management for specific school staff, instructional strategies for English learners, interventions with Wonderworks, behavior supports, mandated special education forms/plans, crisis response, student success teams, and Aeries gradebook.

The annual number of school days dedicated to staff development and/or collaboration are attended by either all staff, grade level teams, or subject level teachers:

2018-19: 14

2019-20: 15

2020-21: 15

**Types of Services Funded**

In addition to receiving local, state, and federal funds for special education and the base educational program, McAuliffe Elementary School received the following supplemental state and federal funds in 2019-20:

State Local Control Funding Formula Supplemental & Concentration Grants to increase or improve services for low income students, English learners or foster youth.

Specific services and actions are described in the school's School Plan and/or the District's Local Control and Accountability Plan.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/>, that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### **School Description**

Summit Elementary provides Individual Education Program required services, including academic support, to Special Education students on an extension of suspension and waiting for a School Board decision regarding expulsion. Elementary student in grades K-5 remain at Summit Elementary through the completion of their expulsion period.

### **Mission Statement**

Alvord Unified School District, a dynamic learning community that embraces innovation, exists to ensure all students attain lifelong success through a system distinguished by:

- Active and inclusive partnerships
- Relationships that foster a culture of trust and integrity
- High expectations and equitable learning opportunities for all
- A mindset that promotes continuous improvement
- Multiple opportunities for exploration and creativity
- Professional development that promotes quality teaching and learning
- Access to learning experiences that promote a high quality of life

### **School Profile**

Summit Elementary School is located in the western region of Riverside and serves students in grades kindergarten through five following a traditional calendar. At the beginning of the 2016-17 school year, there were no students enrolled in this school site.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

On September 19, 2019, Alvord Unified School District's Board of Education held a public hearing to comply with requirements of Education Code Section 60019. Information provided at the public hearing detailed (1) the extent to which standards-aligned textbooks and instructional materials were provided to all students, including English learners; (2) the definition of "sufficient textbooks or instructional materials" means each student has a textbook or materials, or both, to use in class and to take home and does not mean the district is required to have two sets of textbooks for each student; (3) sufficient textbooks and instructional materials were provided to each student, including English learners, in math, English language arts & English language development, history-social science, and science; (4) sufficient textbooks and instructional materials were provided to each student enrolled in foreign language and health classes; and (5) sufficient laboratory science equipment was provided for science laboratory classes offered in grades 9-12. During this hearing, the governing board determined that Alvord Unified School District provided each student with sufficient textbooks and instructional materials aligned to the California academic content standards consistent with the cycles and content of the California curriculum frameworks.

In addition, Alvord Unified School District has sufficient standards-aligned textbooks and instructional materials for all students, including English learners, enrolled in visual and performing arts classes. Developing a long-term textbook adoption plan for textbooks is in process.

Summit Elementary School uses the governing board adopted textbooks and instructional materials as detailed in the table:

### Textbooks and Instructional Materials

### School Facility Conditions and Planned Improvements (Most Recent Year)

Alvord Alternative High School was built in 2012. The school has 12 portable classrooms, four sets of restrooms, four computer labs, and one library. On-going campus improvements and maintenance ensure facilities are up to date and provide adequate space for students and staff.

Alvord Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California OPSC. Results of this survey are available in the school office or at the district. In addition, district maintenance staff makes repairs necessary to keep the school in good repair and working order. A district-wide work order process is used to ensure efficient service and to prioritize repairs.

The school is cleaned on a regular basis with a day custodian and evening custodians who work with the principal to develop a cleaning schedule to maintain a clean and safe environment for all students before, during and after the instructional day.

\* All FIT report repairs described in the following table are completed, in progress, or planned for repair.

**School Facility Good Repair Status (Most Recent Year)**

Using the most recently collected FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**C. Engagement**

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

**Opportunities for Parental Involvement (School Year 2020-21)**

Parents are encouraged to get involved in their child's education by supporting the actions and objectives described in the child's Individualized Education Program (IEP) plan.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

The Comprehensive School Safety Plan for Summit Elementary School is included in the Alvord Alternative Continuation High School Plan which was discussed with staff, evaluated, amended, reviewed, and updated in September 3, 2019. This plan, developed in collaboration with the school, local agencies and the district office, fulfills all legal requirements and complies with EC 32280-89. A school disaster preparedness plan that deals with a wide variety of emergency situations is included into the School Safety Plan. Earthquake, fire, and lockdown drills are conducted as required. The key elements of the Comprehensive School Safety Plan include an assessment of current status of school crime; dress code policy; child abuse reporting procedures; routine and emergency disaster procedures; safe movement of students, parents and staff to and from school; maintaining a safe and orderly school environment; sexual harassment policy; safety procedures; suspension, expulsion, and mandatory expulsion policies; teacher notification of dangerous students policy; anti-bullying policy; and school discipline rules and procedures pursuant to EC 35291 and 35291.5.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions			2.8	2.6	3.5	3.5
Expulsions			0.3	0.5	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**  
(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			2.5
Expulsions			0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

All staff members participate in professional development offered by the school. In addition, many staff members participate in additional trainings appropriate for individual needs or for specific programs sponsored by the district through departments. Site professional development is held during early release and grade level/subject collaboration days. These collaborations focus on the cycle of inquiry and plan for first, best instruction after a review of standards and students results on formative and summative assessments. District professional development includes release days and after school workshops. When appropriate to meet the needs of students, staff attends conferences. District instructional coaches and site academic coaches

support certificated and paraprofessional staff by providing workshop opportunities, individual mentoring, and in-class coaching. New teachers are supported by the Teacher Induction Program that includes coaching and mentoring. Classified paraprofessionals and support staff attend job-related training provided by the site and district.

During 2017-18, the Summit School resource teacher had the opportunity to attend professional development provided by the Special Education Department.

Alvord Unified School District provided professional development for teachers and support staff in 2017-18 on various topics related to state mandated assessments (SBAC, ELPAC), special education assessments, interim assessments, formative assessments (PELI, DIBELS), student data chats, Aeries/CALPADS data management for specific school staff, instructional strategies for English learners, interventions with Wonderworks, behavior supports, mandated special education forms/plans, crisis response, student success teams, and Aeries gradebook.

The annual number of school days dedicated to staff development and/or collaboration are attended by either all staff, grade level teams, or subject level teachers:

**Types of Services Funded**

Summit Elementary School provides special education services described in individualized education plans for qualified students with the District incurring the program cost and Alvord Alternative Continuation High School incurring the site costs.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description

Terrace Elementary School is located in the central region of Riverside and serves students in grades transitional kindergarten through five following a traditional calendar. Terrace Elementary School provides a warm, stimulating environment where students are actively involved in learning academics as well as positive values. Students receive a standards-based, challenging curriculum by dedicated professional staff and based on the individual needs of the students. Ongoing evaluation of student progress and achievement helps us refine the instructional program so students can achieve academic proficiency.

Terrace Elementary offers a Spanish-English Dual Language Immersion program to students in our district. We have two classes at each grade level from Kinder to fifth grade. We are also a No Excuses University school, providing students with an emphasis on College Conversations toward College and Career Readiness and Character Development. As an AVID Elementary school, we also emphasize organizational skills, Parent communication, and note-taking skills.

We have made a commitment to provide the best educational program possible for Terrace Elementary School's students, and welcome any suggestions or questions you may have about the information contained in this report or about the school. Together, through our hard work, our students will be challenged to reach their maximum potential.

### Mission Statement

Alvord Unified School District, a dynamic learning community that embraces innovation, exists to ensure all students attain lifelong success through a system distinguished by:

- Active and inclusive partnerships
- Relationships that foster a culture of trust and integrity
- High expectations and equitable learning opportunities for all
- A mindset that promotes continuous improvement
- Multiple opportunities for exploration and creativity
- Professional development that promotes quality teaching and learning
- Access to learning experiences that promote a high quality of life

In addition, all schools strive to attain the Alvord vision that all students will realize their unlimited potential.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)**

On September 24, 2020, Alvord Unified School District’s Board of Education held a public hearing to comply with requirements of Education Code Section 60019. Information provided at the public hearing detailed (1) the extent to which standards-aligned textbooks and instructional materials were provided to all students, including English learners; (2) the definition of “sufficient textbooks or instructional materials” means each student has a textbook or materials, or both, to use in class and to take home and does not mean the district is required to have two sets of textbooks for each student; (3) sufficient textbooks and instructional materials were provided to each student, including English learners, in math, English language arts & English language development, history-social science, and science; (4) sufficient textbooks and instructional materials were provided to each student enrolled in foreign language and health classes; and (5) sufficient laboratory science equipment was provided for science laboratory classes offered in grades 9-12. During this hearing, the governing board determined that Alvord Unified School District provided each student with sufficient textbooks and instructional materials aligned to the California academic content standards consistent with the cycles and content of the California curriculum frameworks.

In addition, Alvord Unified School District has sufficient standards-aligned textbooks and instructional materials for all students, including English learners, enrolled in visual and performing arts classes. Developing a long-term textbook adoption plan for textbooks is in process.

School uses the governing board adopted textbooks and instructional materials as detailed in the table:

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Terrace Elementary School, built in 1956, is located on 10 acreage and its square footage totals 63,967. The school has 33 permanent classrooms, five sets of restrooms, one staff lounge, one staff work room, one library/media center, and one multipurpose/cafeteria room. On-going campus improvements and maintenance ensure facilities are up to date and provide adequate space for students and staff.

Alvord Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California OPSC. Results of this survey are available in the school office or at the district. In addition, district maintenance staff makes repairs necessary to keep the school in good repair and working order. A district-wide work order process is used to ensure efficient service and to prioritize repairs.

The school is cleaned on a regular basis with a day custodian and evening custodians who work with the principal to develop a cleaning schedule to maintain a clean and safe environment for all students before, during and after the instructional day.

\* All FIT report repairs described in the following table are completed, in progress, or planned for repair.

**School Facility Good Repair Status (Most Recent Year)**

Using the **most recently collected** FIT data (or equivalent), provide the following:

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
ELA	33	N/A	42	N/A	50	N/A
Math	20	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

Parents are welcome at our school and are encouraged to get involved by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

The school communicates with parents about upcoming school events through flyers, newsletters, school website, monthly calendars, the PTA list of events, and an automated telephone, email, and text message delivery system. Contact the principal at (951) 358-1660 or the website at [www.alvordschools.org/terrace](http://www.alvordschools.org/terrace) for more information on how to become involved in your child's learning environment.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

The Comprehensive School Safety Plan is discussed, evaluated, amended, reviewed, and updated annually with staff and the community. This plan, developed in collaboration with the school, local agencies and the district office, fulfills all legal requirements and complies with EC 32280-89. A school disaster preparedness plan that deals with a wide variety of emergency situations is included into the School Safety Plan. Earthquake, fire, and lock down drills are conducted as required. The key elements of the Comprehensive School Safety Plan include an assessment of current status of school crime; dress code policy; child abuse reporting procedures; routine and emergency disaster procedures; safe movement of students, parents and staff to and from school; maintaining a safe and orderly school environment; sexual harassment policy; safety procedures; suspension, expulsion, and mandatory expulsion policies; teacher notification of dangerous students policy; anti-bullying policy; and school discipline rules and procedures pursuant to EC 35291 and 35291.5.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.7	0.5	2.8	2.6	3.5	3.5
Expulsions	0.0	0.0	0.3	0.5	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	2		2.5
Expulsions	0		0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**Professional Development (Most Recent Three Years)**

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	4	6	4

All staff members participate in professional development offered by the school. In addition, many staff members participate in additional trainings appropriate for individual needs or for specific programs sponsored by the district through departments. Site professional development is held during early release and grade level/subject collaboration days. These collaborations focus on the cycle of inquiry and plan for first, best instruction after a review of standards and students results on formative and summative assessments. District professional development includes release days and after school workshops. When appropriate to meet the needs of students, staff attend conferences. A site instructional coach supports certificated and paraprofessional staff by providing workshop opportunities, individual mentoring, and in-class coaching. New teachers are supported by the Teacher Induction Program that includes coaching and mentoring. Classified paraprofessionals and support staff attend job-related training provided by the site and district.

During 2017-18, Terrace Elementary School's professional development focused on the California Mathematics Framework. Student achievement data supported the need for additional supports in the area of mathematics. The Mathematics Framework was developed to support and incorporate the California Common Core State Standards for Mathematics. Terrace Elementary teachers were trained on the key elements of the mathematics framework to support mathematics instruction at their grade level. In addition, grade level teams were trained on best practices in supporting language acquisition of all English Language Learners and reclassification criteria. Terrace Elementary has a high population of English Language Learners necessitating a need for continuous training in this area to support the overall population.

In 2018-2019, professional development included lesson study of mathematics teaching. Strategies included TRU framework, Three Reads Protocol, using NCTM's problem of the week. Staff development was also provided regarding language Stations and Best Practices to support EL students.

In the 2019-2020 school year professional development continued to focus in math lesson studies with re-engagement lessons. ELA will focused in response to text using Writing from the Beginning and Beyond Thinking Maps. Professional development continued to be provided in implementation of strategies to support our EL learners.

Alvord Unified School District continues to provide professional development for teachers and support staff on various topics related to state mandated assessments (SBAC, ELPAC), special education assessments, interim assessments, formative assessments (PELI, DIBELS), student data chats, Aeries/CALPADS data management for specific school staff, instructional strategies for English learners, interventions with Wonderworks, behavior supports, mandated special education forms/plans, crisis response, student success teams, and Aeries gradebook.

The annual number of school days dedicated to staff development and/or collaboration are attended by either all staff, grade level teams, or subject level teachers:

- 2017-18: 3 days focused on Mathematics Instruction, 1 day focused on English Language Development
- 2018-19: 3 days focused on Mathematics Instruction, 1 day focused on English Language Development
- 2019-2020: TK-2nd: seven half days for math foundational skills
- TK-5th: 1 1/2 days of math / 2 days of EL/ELA
- 1st & 4th: 1 1/2 days of technology resources
- K-4th DLI: 4 days of ELA/SLA

**Types of Services Funded**

In addition to local, state, and federal funds for special education and the base educational program, Terrace Elementary School received the following supplemental state and federal funds:

State Local Control Funding Formula Supplemental & Concentration Grants to increase or improve services for low income students, English learners or foster youth.

Federal Title I funds to provide school-wide supplemental services to support students identified as not meeting the rigorous state academic standards. Specific services and actions are described in the school's School Plan and/or the District's Local Control and Accountability Plan.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dg.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description

Welcome parents and families to the 2020-2021 School Accountability Report Card for Twinhill. In this document, you will find valuable information about our academic achievement, professional staff, curricular programs, instructional materials, safety procedures, classroom environment and the condition of our facilities. The Twinhill teachers, support staff and administration work collaboratively to create a positive learning environment which supports the academic and personal growth of all our students. We focus on the Common Core standards, character education, the use of data to drive teaching and learning, and to provide consistent implementation of the curriculum so we can continue to increase students' achievement and progress. Twinhill is creating a path of success as we continue to build relationships with parents/families, students and community partners to ensure the growth and success of all our students so they will realize their unlimited potential.

Twinhill Elementary School is located in the northwestern region of Riverside and serves students in grades transitional kindergarten through five following a traditional calendar.

In an effort to support our students and further their success and growth, we promote a learning environment which supports college readiness for all students. As part of this endeavor, every classroom adopts a four year college/university. A bulletin board in every classroom is devoted to the adopted college/university and college vocabulary. Every Friday our students and staff proudly show their college spirit by wearing clothing that represents their adopted college/university.

Character counts at Twinhill. We support our students' development of positive character traits through an emphasis on the Six Pillars of Character: Respect, Responsibility, Trustworthiness, Fairness, Caring and Citizenship. We model these character traits in an effort to support these character traits in our students, so they will continue to develop decision-making skills that will serve them throughout their educational careers and beyond. Our students are recognized for their positive character with "Caught Being Good" slips, character cash, monthly character awards and other incentives. Together we have made a commitment to provide the best educational program for all Twinhill students. Please let us know if you have any questions, concerns or comments regarding the information in this report or our school. Together with hard work and collaboration, our students will be challenged to realize their unlimited potential.

### Mission Statement

Alvord Unified School District, a dynamic learning community that embraces innovation, exists to ensure all students attain lifelong success through a system distinguished by:

- Active and inclusive partnerships
- Relationships that foster a culture of trust and integrity
- High expectations and equitable learning opportunities for all
- A mindset that promotes continuous improvement
- Multiple opportunities for exploration and creativity
- Professional development that promotes quality teaching and learning
- Access to learning experiences that promote a high quality of life

In addition, all schools strive to attain the Alvord vision that all students will realize their unlimited potential.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)**

On September 24, 2020, Alvord Unified School District’s Board of Education held a public hearing to comply with requirements of Education Code Section 60019. Information provided at the public hearing detailed (1) the extent to which standards-aligned textbooks and instructional materials were provided to all students, including English learners; (2) the definition of “sufficient textbooks or instructional materials” means each student has a textbook or materials, or both, to use in class and to take home and does not mean the district is required to have two sets of textbooks for each student; (3) sufficient textbooks and instructional materials were provided to each student, including English learners, in math, English language arts & English language development, history-social science, and science; (4) sufficient textbooks and instructional materials were provided to each student enrolled in foreign language and health classes; and (5) sufficient laboratory science equipment was provided for science laboratory classes offered in grades 9-12. During this hearing, the governing board determined that Alvord Unified School District provided each student with sufficient textbooks and instructional materials aligned to the California academic content standards consistent with the cycles and content of the California curriculum frameworks.

In addition, Alvord Unified School District has sufficient standards-aligned textbooks and instructional materials for all students, including English learners, enrolled in visual and performing arts classes. Developing a long-term textbook adoption plan for textbooks is in process.

School uses the governing board adopted textbooks and instructional materials as detailed in the table:

**Textbooks and Instructional Materials**

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Twinhill Elementary School, built in 1960, is located on 10.9 acreage and its square footage totals 57,246. The school has 22 permanent classrooms, five portable classrooms, four sets of restrooms, one computer lab, one counselor’s office, one library/media center, one multipurpose room, one multi-use classroom and two work rooms. On-going campus improvements and maintenance ensure facilities are up to date and provide adequate space for students and staff.

Alvord Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California OPSC. Results of this survey are available in the school office or at the district. In addition, district maintenance staff makes repairs necessary to keep the school in good repair and working order. A district-wide work order process is used to ensure efficient service and to prioritize repairs.

The school is cleaned on a regular basis with a day custodian and one evening custodian who work with the school administration to develop a cleaning schedule to maintain a clean and safe environment for all students before, during and after the instructional day. Deferred Maintenance projects planned for this school year include repairing roofs, tree trimming, blacktop repair, replacement of HVAC filters, and update of HVAC systems.

\* All FIT report repairs described in the following table are completed, in progress, or planned for repair.

**School Facility Good Repair Status (Most Recent Year)**

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
ELA	41	N/A	42	N/A	50	N/A
Math	29	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

**State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

**Opportunities for Parental Involvement (School Year 2020-21)**

Parents and families are welcome at Twinhill and their involvement is welcomed and encouraged. Opportunities for parent/family involvement include volunteering in the classroom, participating in a school site decision-making group, and/or attending school events (e.g. Family Fun Nights, Family Education nights, parent workshops, Family Library time, 100 Mile Club, etc.).

The school communicates with parents/families about upcoming school events through flyers, parent conferences, the school marquee, the school website, the monthly calendar of events (AERIES parent portal), Class Dojo, and the Principal's Weekly phone message. Please contact our school office at (951) 358-1665 for more information on how to become involved in your child's learning environment.

**Volunteer Opportunities:**

- Fundraising Activities
- Chaperone Study Trips
- Classroom Volunteer
- Before, During & After School Activities

**School Advisory Groups & Committees:**

- English Learner Advisory Council
- Parent Teacher Organization (PTO)
- School Site Council
- Health & Wellness Committee

**School Events:**

- 100 Mile Club
- Back to School Night

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

The Comprehensive School Safety Plan was discussed with staff, evaluated, amended, reviewed, and updated in December 2020-January 2021. This plan, developed in collaboration with the school, local agencies and the district office, fulfills all legal requirements and complies with EC 32280-89. A school disaster preparedness plan that deals with a wide variety of emergency situations is included into the School Safety Plan. Earthquake, fire, and lockdown drills are conducted as required. The key elements of the Comprehensive School Safety Plan include an assessment of current status of school crime; dress code policy; child abuse reporting procedures; routine and emergency disaster procedures; safe movement of students, parents and staff to and from school; maintaining a safe and orderly school environment; sexual harassment policy; safety procedures; suspension, expulsion, and mandatory expulsion policies; teacher notification of dangerous students policy; anti-bullying policy; and school discipline rules and procedures pursuant to EC 35291 and 35291.5.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.5	1.9	2.8	2.6	3.5	3.5
Expulsions	0.2	0.0	0.3	0.5	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			2.5
Expulsions			0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

All certificated and classified staff members participate in professional learning opportunities offered by the school. In addition, many staff members participate in additional learning opportunities appropriate for individual needs or for specific programs sponsored by the district through specific district departments. Site professional learning is held during early release and grade level/subject collaboration days. These collaborations focus on the cycle of inquiry and plan for first, best instruction after a review of standards and student results on formative and summative assessments. District professional learning includes release days and after school workshops. When appropriate to meet the needs of students, staff members attend conferences. The site instructional coach supports certificated and paraprofessional staff by providing workshop opportunities, individual mentoring, and in-class coaching. New teachers are supported by the Teacher Induction Program that includes coaching and mentoring, as well as support from the site Instructional Coach. Classified paraprofessionals and support staff attend job-related training provided by the site and district.

During 2020-2021 school year Twinhill Elementary School's professional learning focused on:

- Math instruction and learning
- Number sense
- math progressions
- Eight Standards for Mathematical Practice (SMP's)
- Early Numeracy w/RCOE (TK-2)
- iReady Math Diagnostic, lessons, reports
- Literacy and small group instruction
- iReady Diagnostic, lessons and reports

Social Emotional Learning

Positive Behavior Support

Understanding CAASPP results

- Universal Tools, Designated Supports, Accommodations
- Smarter Balanced Resources and Comparison Crosswalk

English Language Development (ELD) grading and use of Bilingual Instructional Assistants

- student engagement and resources for EL students (EduCamp, Scholastic News, iReady)

Character Development/School wide Behavior Standards plan

Health and Wellness-not held.

- seizures, EPI pen use, lice and pink eye
- AUSD Health and Wellness policy
- RISE initiative

\*individual teachers participated in an individualized coaching cycle with the Instructional Coach which includes in-class coaching, student performance data

\*new teachers are provided with an induction mentor

\*voluntary professional learning workshops are provided by the Alford Teachers' association and by Ed Services

Alford Unified School District provided professional development for teachers and support staff 2020-2021 on various topics related to state mandated assessments (SBAC, ELPAC), special education assessments, interim assessments, formative assessments (PELI, DIBELS, iReady Diagnostic), student data chats, AERIES/CALPADS data management for specific school staff, instructional strategies for English learners, interventions with Wonderworks, behavior supports, mandated special education forms/plans, crisis response, student success teams, and AERIES gradebook.

The annual number of school days dedicated to staff development and/or collaboration are attended by either all staff, grade level teams, or subject level teachers:

2017-18: 19

2018-19: 18

2019-20: 20

Federal Title I funds to provide school-wide supplemental services to support students identified as not meeting the rigorous state academic standards. Specific services and actions are described in the school's School Plan and/or the District's Local Control and Accountability Plan.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

### School Description

You are invited to explore Valley View Elementary School's Annual School Accountability Report Card, which provides valuable information about our school's instructional programs, academic achievement, classroom materials, school safety, facilities, and staff. Understanding our educational program, student achievement, and curriculum development can assist both our school and the community in ongoing program improvement.

Valley View Elementary School is located in the central region of Riverside and serves students in grades kindergarten through five following a traditional calendar and is focused on providing all students with the opportunity to achieve. We accommodate individual learning styles while maintaining high, obtainable, expectations for students. Did you know that Valley View is one of two Alvord elementary schools offering Spanish Dual Language Immersion classes? Dual Language Immersion began at Valley View in 2015-16. As our program expands one grade level each year, by 2020-2021, Valley View will be offering the gift of bi-literacy to grades kindergarten through fifth. Our highly attended Expanded Learning (after school) Program provides intervention time for at-risk students and extracurricular activities that actively engage all students and provide a well-rounded educational experience. Students are motivated with a variety of goal setting; school-wide, grade level, and individually. Student academic achievement and adherence to school wide expectations is recognized and rewarded daily in classrooms and on the playground and multi-purpose room with Campus Supervisors. End of semester academic, behavior, and perfect attendance awards are awarded twice annually. Second Step is our behavior and character building curriculum which encourages students to be the best that they can be. Valley View Elementary School is quite proud to be recognized as an AVID Elementary site where we prepare all students for college and career using AVID strategies of: writing though note-taking, organization skills, collaboration, use of inquiry, and reading to learn. In 2019-2020, Valley View joined the No Excuses University Networks of schools due to our beliefs of NEU's 6 exceptional systems which strengthen our current values and beliefs being "all children deserve the right to attend a college or university should they choose to." Our college going culture is the foundation of all that we do and why our school motto is "Leading the Way so Our Students Can Lead the Future!"

A loving, collaborative partnership between the school and families exists to create a learning environment that promotes academic and social development, teaches responsibility and positive character attributes, and models learning as a lifelong adventure. We are excited about our school and welcome all to join in our efforts to create responsible citizens full of purpose.

### Mission Statement

Alvord Unified School District exists to ensure all students attain lifelong success through systems distinguished by:

- Active and inclusive partnerships
- Relationships that foster a culture of trust and integrity
- High expectations and equitable learning opportunities for all
- A mindset that promotes continuous improvement
- Multiple opportunities for exploration and creativity
- Professional development that promotes quality teaching and learning
- Access to learning experiences that promote a high quality of life

In addition, all schools strive to attain the Alvord vision that all students will realize their unlimited potential.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)**

On September 24, 2020, Alvord Unified School District’s Board of Education held a public hearing to comply with requirements of Education Code Section 60019. Information provided at the public hearing detailed (1) the extent to which standards-aligned textbooks and instructional materials were provided to all students, including English learners; (2) the definition of “sufficient textbooks or instructional materials” means each student has a textbook or materials, or both, to use in class and to take home and does not mean the district is required to have two sets of textbooks for each student; (3) sufficient textbooks and instructional materials were provided to each student, including English learners, in math, English language arts & English language development, history-social science, and science; (4) sufficient textbooks and instructional materials were provided to each student enrolled in foreign language and health classes; and (5) sufficient laboratory science equipment was provided for science laboratory classes offered in grades 9-12. During this hearing, the governing board determined that Alvord Unified School District provided each student with sufficient textbooks and instructional materials aligned to the California academic content standards consistent with the cycles and content of the California curriculum frameworks.

In addition, Alvord Unified School District has sufficient standards-aligned textbooks and instructional materials for all students, including English learners, enrolled in visual and performing arts classes. Developing a long-term textbook adoption plan for textbooks is in process.

School uses the governing board adopted textbooks and instructional materials as detailed in the table:

**School Facility Conditions and Planned Improvements (Most Recent Year)**

Valley View Elementary School, built in 1989, is located on 9.56 acreage and its square footage totals 52,180. The school has 19 permanent classrooms, 12 portable classrooms, four sets of restrooms, one administrative building, one computer lab, one library/media center and one multipurpose/cafeteria room. On-going campus improvements and maintenance ensure facilities are up to date and provide adequate space for students and staff.

Alvord Unified School District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California OPSC. Results of this survey are available in the school office or at the district. In addition, district maintenance staff makes repairs necessary to keep the school in good repair and working order. A district-wide work order process is used to ensure efficient service and to prioritize repairs.

The school is cleaned on a regular basis with a day custodian and evening custodians who work with the principal to develop a cleaning schedule to maintain a clean and safe environment for all students before, during and after the instructional day.

\* All FIT report repairs described in the following table are completed, in progress, or planned for repair.

**School Facility Good Repair Status (Most Recent Year)**

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

### 2019-20 Percent of Students Meeting Fitness Standards

Grade Level	4 of 6	5 of 6	6 of 6
5	N/A	N/A	N/A
7	N/A	N/A	N/A
9	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2019–2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-56-20 was issued which waived the requirement to administer the physical fitness performance test for the 2019–2020 school year.

### CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
ELA	35	N/A	42	N/A	50	N/A
Math	24	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

Parents are always welcome at Valley View Elementary School. Parents, family and community members are encouraged to be involved by volunteering in the classroom, participating in a decision-making group, or attending school events. Safety is a priority, therefore all visitors are required to show verification (ID, Drivers Lic, etc) which is entered into the Raptor system prior to entering the campus. Visitors are identified when wearing a visitor's badge after being cleared.

The school communicates with parents about upcoming school events through parent conferences, the school marquee, the school website, PeachJar, flyers, Class Dojo, text messaging, and Blackboard Connect automated calling/text message delivery system).

#### Volunteer Opportunities:

- \* Chaperone Field Trips
- \* Classroom Helper
- \* Fundraising Activities
- \* Parent Teacher Association (PTA)

#### School Advisory Groups & Committees:

- \* English Learner Advisory Council
- \* Parent Teacher Association
- \* School Site Council
- \* Action Team for Partnerships

#### School Events:

- \* Back to School Night
- \* Open House
- \* Student Performances, Showcases

- \* Student of the Month (SOM) Recognition
- \* Semester Award Assemblies
- \* Family Fridays
- \* Dual Language Immersion Community Nights
- \* AVID Family Fridays
- \* Parent University Workshops

Any questions regarding opportunities for parental involvement may be directed to the school office staff at (951) 358-1670.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

The Comprehensive Safe School Plan was discussed with staff and reviewed and updated in November 2020 by the school's Safety Committee. This document was Board Approved February 2021. Valley View's Safe Climate Committee, comprised of staff, parents, and community members make revisions pertaining to site needs, such as evaluations, maps, accountability partners and changes in procedures. This plan, developed in collaboration with the school, local agencies and the district office, fulfills all legal requirements and complies with EC 32280-89. The Comprehensive Safe School Plan is all encompassing and contains school disaster preparedness for a wide variety of emergency situations including; earthquake, fire, and lockdown. The key elements of the Comprehensive Safe School Plan include an assessment of current status of school crime; dress code policy; child abuse reporting procedures; routine and emergency disaster procedures; safe movement of students, parents and staff to and from school; maintaining a safe and orderly school environment; sexual harassment policy; safety procedures; suspension, expulsion, and mandatory expulsion policies; teacher notification of dangerous students policy; anti-bullying policy; and school discipline rules and procedures pursuant to EC 35291 and 35291.5.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	2.1	0.3	2.8	2.6	3.5	3.5
Expulsions	0.0	0.3	0.3	0.5	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			2.5
Expulsions			0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**Professional Development (Most Recent Three Years)**

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	4	4	3

All staff members participate in professional development offered by the school. In addition, many staff members participate in additional trainings appropriate for individual needs or for specific programs sponsored by the district through departments. Site professional development is held during early release and grade level/subject collaboration days. These collaborations focus on content standards by grade level and provide teachers time to plan for first best instruction. Grade level release time (Tuesday early release, P.E./prep) affords opportunities to discuss student results on formative and summative assessments. District professional development includes release days and after school workshops. When appropriate to meet the needs of students, staff attends conferences. Site academic coaches support certificated and paraprofessional staff by providing workshop opportunities, individual mentoring, and in-class coaching. New teachers are supported by the Teacher Induction Program that includes coaching and mentoring. Classified paraprofessionals and support staff attend job-related training provided by the site and district.

Valley View Elementary School's professional development is focused on:

- \* Cognitively Guided Instruction for Math
- \* English Language Development: Standards Based Instruction and Lesson Design
- \* Advancement via Individual Determination (AVID)
- \* Step-Up-To-Writing (SUTW)
- \* Resilience in School Environment (RISE)
- \* Healthier Generation
- \* Playworks (Recess Reboot)
- \* Multi-Tiered Systems of Support (MTSS)
- \* Active Shooter Training/School Safety
- \* Mandated Reported
- \* Sexual Harassment in the Workplace

- \* No Excuses University (NEU)
- \* Reading Interventions and Strategies for Success
- \* Imagine Math/Imagine Learning Literacy (IM,IL)
- \* Positive Behavior Intervention Support (PBIS)

Alvord Unified School District provides professional development for teachers and support staff on various topics related to state mandated assessments (CAASPP, NNAT, ELPAC), special education assessments and program monitoring, District interim and benchmark assessments (PELI, iReady), Aeries/CALPADS data management for specific school staff, instructional strategies for English learners, interventions with Wonderworks, behavior supports, mandated special education forms/plans, crisis response, student success teams, and Aeries gradebook.

The annual number of school days dedicated to staff development and/or collaboration are attended by either all staff, grade level teams, or subject level teachers:

- 2017-18: 5
- 2018-19: 4
- 2019-20: 4
- 2020-21: 3

**Types of Services Funded**

In addition to local, state, and federal funds for special education and the base educational program, Valley View Elementary School received supplemental state and federal funds in 2019-2020 for the following groups of students: State Local Control Funding Formula Supplemental & Concentration Grants to increase or improve services for low income students, English learners or foster youth and Federal Title I funds to provide school-wide supplemental services to support students identified as not meeting the rigorous state academic standards. Specific services and actions are described in the school's School Plan and/or the District's Local Control and Accountability Plan.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
