### **4. Termination**

Either Alvord Unified School District or SVMI may terminate this Agreement by giving thirty (30) days written notice to the other party. Alvord Unified School District shall reimburse SVMI for acceptable and allowable work performed under this Contract, and for all non-cancelable obligations made in connection with such work, through the date of termination. All related data that has been transferred shall be destroyed, deleted, or otherwise removed from SVMI computers and servers.

**5. Entire Agreement**

This Consulting Agreement and the Attachment hereto constitutes the entire agreement of the parties concerning the services described herein.

**6. Data Security**

All applicable Federal and State data and information security compliance Acts (such as FERPA, HIPPA, CIPA, etc.) will be followed, as applicable, when sharing and transferring data between parties with emphasis on data security. Information will be transferred from the district using secure methods agreed upon by both parties. SVMI shall store the data in a way that is physically and electronically secure in order to safeguard the data from unauthorized access.

**7. No Release of Personally Identifiable Information.**

No personally identifiable information or other confidential information within the Data may be released to any third party other than authorized representatives, including contractors of the SVMI, who require the information in order to assist SVMI in conducting the Study and who are under confidentiality obligations no less restrictive as those set forth herein. In the event of an unauthorized release of confidential information by SVMI, SVMI agrees to promptly notify the District in writing and to provide prompt assistance as reasonably requested by the District with respect to fulfilling any data security breach obligations required of District and set forth in applicable law.

**8. Legal Obligations**

The parties acknowledge that the Data transferred under this Agreement may contain confidential information, which is protected from disclosure under applicable law. SVMI and District each agree to comply with all applicable laws with respect to its use and handling of the Data. District agrees that it has all necessary rights and licenses necessary to provide Data to SVMI for purposes of and in accordance with the terms of this Agreement. SVMI agrees that it will (a) instruct persons with access to confidential information about the requirements for handling confidential information, (b) notify such persons of the sanctions against unauthorized disclosure or use of confidential information, and (c) ensure that all such persons agree in writing to restrictions and conditions no less rigorous than those that apply to SVMI in this Agreement with respect to such information.

IN WITNESS WHEREOF, the parties have executed this Service Agreement as of the effective date referenced above.
