

## EQUIPMENT QUOTATION

Date: June 25, 2021

To: Jamie Creacy  
**ALVORD USD**

From: Brandon Moore

Project: Water Chemistry Controller - Norte Vista High School

SECTION	QTY	DESCRIPTION	PRICE EACH	EXTENDED TOTAL
Water Chemistry Controller	1	BECSys7 Mechanical room control system with ORP/HRR, pH and temperature sensors, LED flowcell with integrated flowswitch, 1 Gbit Ethernet with EZConnect communication module. 4-20mA output board, 4 power loop inputs and surge suppressor, mounted in a lockable enclosure. Includes automatic backwash filter interface panel with gauges and solenoid block, 8" Signet digital flow sensor and 8" iron pipe saddle. Includes factory commissioning and operator training	\$14,227.00	\$14,227.00
Installation Materials	1	Materials required for the installation of the above proposed swimming pool equipment.	\$575.00	\$575.00
Installation Labor	1	Removal and disposal of existing chemical controller and filter controller, mounting of the above proposed controller and filter interface panel, relocation of sample stream supply to a pre-filter system location, use of existing electrical supply & control wiring circuits, run new tubing from FIP solenoid manifold to filter backwash valves, start unit up and testing for proper operation. Note: Upon technicians inspection of wiring and conduit, Technician may determine if new wiring and conduit is required due to chemical corrosion or other site conditions, customer is to be notified for approval of additional work.	\$6,560.00	\$6,560.00
			Subtotal	\$21,362.00
			Sales Tax (8.75%)	\$1,295.18
			Estimated Shipping	\$202.64
			<b>TOTAL</b>	<b>\$22,859.82</b>

**Terms and Conditions**

- Payment:** Net 30 days after date of invoice, subject to credit approval  
Quoted equipment will not be subject to project retention and invoices must be paid in full  
Purchase is not eligible for payment by credit card
- Interest:** 18% APR is charged on all past due invoices
- Returns:** Not applicable - equipment not eligible for return
- Freight:** Costs related to inbound shipping for equipment, parts & materials are noted above
- Sales Tax:** Subject to sales tax rate as noted above
- Validity:** Pricing is valid until July 31, 2021
- Notes:** Labor costs are based on initial inspection or customer's description of situation. Additional cost may be incurred if technician discovers more work is required to complete the project due to unforeseen circumstances.  
All labor rated quoted meets current California DIR and Prevailing Wage requirements.
- Start-Up:** Equipment commissioning and operator training is provided at no charge by KSI's Service Department
- Exclusions:** Pricing excludes Health Department plan check fees; payment and/or performance bond fees

Please review the quote for accuracy. If acceptable, please sign and provide a purchase order number, if applicable, and return via email to [janea@knorrsystems.com](mailto:janea@knorrsystems.com).  
Thank you for the opportunity to be of service.
