- Participating Educators can create unlimited LIVE virtual Session requests with industry professionals
- Educators can view or copy session requests created by other educators on the platform.
- Classrooms can sign up to participate in industry offered virtual tours, interview-an-expert sessions, and more
- Educators can communicate through the messaging platform with all of the industry professionals in the platform.
- Educators can utilize the collection of recorded videos to share with students anytime, anywhere.

- Nepris can be used in all grade levels from K12 in varying subjects including Math, Science, Engineering, Career and Technical Education, Business, Accounting, etc....
- Nepris supports all subjects and classes that need industry connection.
- Nepris does not support any in-person visits. All requests are serviced online and virtually.
- School district can invite their preferred business partners to participate.
- Nepris support team will provide support to get educators prepared and ready for each and every live industry session.
- Detailed usage reports will be provided to school districts on a regular basis.
- School districts will also have access to an admin Dashboard to have pull usage reports within district.

#### **SUBSCRIPTION TERMS:**

- All Nepris subscriptions are valid for one year and will need to be renewed the following year to continue usage.
- All educators irrespective of a subscription will always have limited free access to recorded sessions and can share this with their peers.
- If site subscription option is chosen, all personnel within the site will have full access to Nepris. No educator list is required.

#### **SUBSCRIPTION PACKAGE SERVICES INCLUDE:**

- 1-2 virtual professional development sessions
- Access to bi-weekly Webinars
- Operational support to ensure every virtual session is moderated and monitored for best experience.
- Online support from 8:00 am – 5:00 pm central time.
- Monthly usage reports to the school district administration.

#### **TECHNOLOGY**

School district will be responsible to equip the educators with the necessary technology required for optimal experience of the Nepris online platform. To use the Nepris website effectively and to participate in a virtual session, educators will need to have the following:

##### **System Requirements**

- An internet connection – broadband wired or wireless (3G or 4G/LTE)
- Speakers and a microphone – built-in or USB plug-in or wireless Bluetooth
- A webcam or HD webcam - built-in or USB plug-in

**Browsers** - Google Chrome, Safari, Firefox, Internet Explorer 10+

#### **DATA:**

Nepris provides the ability to record every virtual session so that educators can reuse the recording for homework and further review in their classrooms. Companies prefer to record their sessions so that other classrooms can benefit from them, too.

- School district and its affiliated schools provide Nepris permission to record (audio and video) every virtual session to add to the Nepris archive mainly to capture the industry engagement. Nepris guarantees that no student images will be retained in any form in these recordings at any point of time. If student voices are retained it will be completely anonymous.
- Nepris ensures that no student information will be displayed publicly in the Nepris site or in any other social media site without prior written permission.
- Nepris does not collect or store any student information in their database.
- All educator information in Nepris will be treated as private and confidential.
