Explain in detail the purpose of the trip, activities involved, and how the students will benefit from the trip:

The Cal-HOSA State Leadership Conference (SLC) will bring together future health professionals from across California to experience HOSA at its absolute best.

For the State Leadership Conference (SLC) students pick a competition, prepare the skill, and hone their craft, and finally perform to possibly win a medal. This is the time when over 4,000 members, advisors, and industry partners come together for inspirational speakers, leadership workshops, professional development, and career guidance. Attendees have many enriching

activities to choose from including educational symposiums, College and Career Fair, Courtesy Corps, and HOSA Village. Competitors are recognized, officers are sworn in, and scholarships are presented during the State Leadership Conference. Throughout the conference attendees will have the opportunity to meet many fellow California HOSA members who have similar interests.
