Dear Cynthia,

We would like to continue our relationship with the Alvord School District. In reviewing our costs, we have decided to keep our pricing the same for the 2022 -2023 fiscal school year. They will be as follows on a monthly basis:

School Buildings \$2995.00

Fire Ant Control \$2940.00

All terms of the previous contract remain the same and will not change. If you need copies of our liability and workman's compensation insurance again, we would be happy to provide those to you.

If you require additional information, please let me know. I look forward to continuing to service the pest control needs of the Alvord Unified School District.

Cordially,

Greg Marshall
