Section 42127

42127. (a) On or before July 1 of each year, the governing board of each school district shall accomplish the following:

(1) Hold a public hearing conducted in accordance with Section 42103 on the budget to be adopted for the subsequent fiscal year. The budget to be adopted shall be prepared in accordance with Section 42126. The agenda for that hearing shall be posted at least 72 hours before the public hearing and shall include the location where the budget will be available for public inspection.

(2) (A) Adopt a budget. Not later than five days after that adoption or by July 1, whichever occurs first, the governing board of the school district shall file that budget with the county superintendent of schools. The budget and supporting data shall be maintained and made available for public review. If the governing board of the school district does not want all or a portion of the property tax requirement levied for the purpose of making payments for the interest and redemption charges on indebtedness as described in paragraph (1) or (2) of subdivision (b) of Section 1 of Article XIII A of the California Constitution, the budget shall include a statement of the amount or portion for which a levy shall not be made. For the 2014–15 fiscal year and each fiscal year thereafter, the governing board of the school district shall not adopt a budget before the governing board of the school district adopts a local control and accountability plan, if an existing local control and accountability plan or annual update to a local control and accountability plan is not effective for the budget year. The governing board of a school district shall not adopt a budget that does not include the expenditures necessary to implement the local control and accountability plan or the annual update to a local control and accountability plan that is effective for the budget year.
