

## CCBE County Member Board Voting Representative Form

We are asking CCBE county member boards to help identify their county voting representative who will be attending the CCBE General Breakfast Membership meeting.

CCBE member county boards elect the CCBE officers, adopt the Bylaws, and the Policy Platform during the CCBE General Membership meetings. It is very important that representatives (one from each county selected by CCBE members in that county) attend CCBE meetings so that the business of the association can occur. Any member of a county board may attend, initiate action or participate in debate and discussion at these meetings but only the representatives may vote.

According to the CCBE Bylaws, Article IV, Section 5, there shall be one vote for each member board. Each member board shall select one of its members to be the board representative to vote at CCBE General Membership meetings. A quorum constitutes one-third of member boards that will be defined at the beginning of each membership meeting.

---

The \_\_\_\_\_ county board of education wishes to select \_\_\_\_\_ to serve as the county board representative to vote at the CCBE General Membership breakfast meetings on September 9 and December 1, 2017.
