Preamble

The members of the Board of Education desire to maintain the highest ethical standards and help ensure that decisions are made in the best interest of the district and the public. The decision-making affairs of the district by all personnel, consultants and members of the Board will be conducted in accordance with the highest standards of integrity. There can be no deviation from complete honesty in all financial, business and district transactions. Use of school district funds or internal business information for improper purposes is absolutely forbidden. In accordance with law, Board members and designated employees and consultants shall disclose any financial conflict of interest and, as necessary, shall abstain from participating in the decision involving the conflict. The members of the Board, designated employees and consultants will be accountable to the Conflict of Interest Code, Bylaws and policy related to disclosure of any personal or financial interest benefit and disqualification rules in accordance of law.

Conflict of Interest Code under the Political Reform Act

The district has adopted a Conflict of Interest Code (the "Code") pursuant to the requirements of the Political Reform Act of 1974, Government Code Section 81000 et seq. (the "Act"). The Code sets forth the required provisions for the disclosure of assets and income by the officials, employees and consultants designated in the Appendix to the Code, and lists and assigns the disclosure categories specifying the types of assets and income required to be disclosed by each of the designated officials, employees and consultants ("designated employees"), and the disqualification of designated employees from acting where a conflict of interest exists. The requirements of the Code are in addition to other requirements of the Political Reform Act and to other state and local laws pertaining to conflicts of interest and have the force and effect of law. Designated employees violating any provision of the Code are subject to the administrative, criminal and civil sanctions provided by the Act. Additionally, a decision in relation to which a violation of the disqualification provisions of the Code or Government Code 87100 has occurred may be set aside as void pursuant to Government Code 91003.

All officials, employees and consultants are directed to refer to the district's Conflict of Interest Code for these specific requirements.
