Media Communications Plan

In order to help develop strong relations with the media, the Superintendent or designee shall develop a proactive media communications plan. This plan may include, but not be limited to, information related to district programs and needs, student awards, school accomplishments and events of special interest.

(cf. 0510 - School Accountability Report Card)

(cf. 1100 - Communication with the Public)

(cf. 1160 - Political Processes)

The plan shall specify the district's and/or site's primary media contact to whom all media inquiries shall be routed. Spokespersons designated to speak to the media on behalf of the district include the Board president, Superintendent and public information officer. Other Board members and staff may be asked by the Superintendent or designee to speak to the media on a case-by-case basis, depending on their expertise on an issue.

The Superintendent or designee shall provide training on effective media relations to all designated spokespersons.

(cf. 9240 - Board Development)

Crisis Communications Plan

During a disturbance or crisis situation, the first priority of school staff is to assure the safety of students and staff. However, the Board of Education recognizes the need to provide timely and accurate information to parents/guardians and the community during a crisis. The Board also recognizes that the media have an important role to play in relaying this information to the public. In order to help ensure that the media and district work together effectively, the Superintendent or designee shall develop a crisis communications plan to identify communication strategies to be taken in the event of a crisis.

(cf. 0450 - Comprehensive Safety Plan)

(cf. 3516 - Emergencies and Disaster Preparedness Plan)

The crisis communications plan may include but not be limited to identification of a media center location, development of both internal and external notification systems, and strategies for press conference logistics.

The Superintendent or designee shall include local law enforcement and media representatives in the crisis planning process.
